## Governor-General Wishes To Meet As Many as Possible

IS PARTICULARLY ANXIOUS TO GREET ALL RETURNED SOLDIERS. WILL BE AT TIMMINS ON THURSDAY, AUG. 28TH, FOR TWO HOURS AND A HALF. PARTY WILL REACH HERE AT 2 P.M.

Correspondence with the Mayor of Timmins, Dr. J. A. McInnis, indicates that the Governor-General, Baron Byng of Vimy, is anxious to meet as many citizens of the town as possible on his visit here next month. He expresses a particular desire to meet as many as possible of the returned soldiers of the town and district. Accordingly, it is suggested that the returned men gather in a body for the occasion, though not in uniform or for formal parade. The Governor-General desires as far as possible to do away with all formality.

Baron Byng will be here on Thursday, Aug. 28th, the party reaching here by special train at 2 p.m. The

party will spend about an hour in the town and the other hour and a half in seeing the Hollinger Mine and other points of interest in the district.

The Timmins Citizens' Band will be in attendance for the reception to the vice-regal party. The intention is to make the visit as informal as possible, in accordance with the special wishes of the Governor-General.

The party will include the Governor-General, Lady Byng of Vimy, Major P. K. Hodgson, private secretary, and Capt. the Hon. F. W. Erskine, A.D.C., and Capt. W. T. Curtis, A.D.C. The vice-regal party is now on tour of the West, and will call here on the return trip.

ting under one, while Dedrickson fisted the other clear.

Webster got away on his own, A. Cadman seeing no one before Webster but Dedrickson made a great race across the field after him and robbed the ball from his toe before he could shoot. Webster got the same chance again soon after. He also saw Alex coming and shot, the leather went wide. Timmins now got their orders and went down, the backs with them, and after a nice piece of combination, Sathrang fired a hot low shot which Cadman was lucky to save. This was followed up, only to have Ramsay clear to Lucas, who made a fine run and a deadly shot which Dedrickson kicked clear. Again Timmins came down with Cooper, Dunbar and Sathrang tipping the ball to each other in trying to get through. When Cooper saw his chance from 25 yards out, he booted and scored. G. Cadman made no effort to save, for he was unsighted and didn't see the ball until it was in the net. Kirkland now pressed for all that was in them and forced a corner which was cleared. Again they came on and got another corner, McPhail shooting the flag kick over the bar. This was their last visit to the Timmins goal, the ball being kept in the Lake's half for the remainder of the match.

## TIMMINS AND KIRKLAND TIE IN DICKSON CUP GAME

Dome and Kirkland Lake Now Have to Play Off for Dickson Trophy.

On Saturday last Kirkland Lake again came to Timmins to play the postponed match in the Dickson Cup series. At the end of the ninety minutes it was a draw, 1 to 1. This means that there will be a play-off between Kirkland Lake and the Dome, as both are even on points, with five each.

Timmins fielded a very much changed team and combination was a feature, the halves feeding well. Kirkland Lake had much the same team as on Monday in the Ontario Cup match, there being two changes in the line-up.

The following were the teams:—  
Timmins—Dedrickson, goal; Liddle and A. Cadman, backs; G. Cooper, F. Cadman, Hetherington, half backs; Dunbar, Sathrang, Hodgson, Berg, and Haley, forwards.

Kirkland Lake—G. Cadman, goal; Ramsay and McDonald, backs; Hastie, McVey and McPhail, half backs; Lucas, A. Hamilton, Parsons, Webster and McKenna, forwards.

Referee—O. Robertson. Linesmen Messrs. A. Roberts and Laing.

Timmins was the first to attack and

had two corners right off the start. Both flag kicks were well placed, but were cleared out of danger. The ball was kept in midfield for a while, when Fergie Cadman took a long drive and nearly fooled his opposing brother in the Kirkland team nets. This was followed by a nice piece of combination on the forward line, and after drawing Cadman out Dunbar took a shot. Ramsay came in and cleared in the nick of time. Berg followed this play up and his shot just cleared over the cross bar. The Lake now transferred the play to the other end. Dedrickson ran out to save, but was beat. Fergy came across and saved the score from the goalline by kicking clear. The Lake pressed. Parsons took a shot; Dedrickson saved in nice style. Again their forwards came down. A. Cadman went over to intercept a pass. The ball bounced on his hands in the penalty area. The referee awarded a free kick, but the Lake wouldn't stand for it, so he changed it to a dead ball, and after a little more talking he finally awarded a penalty kick. Parsons took the spot kick and scored. Timmins got away again, and gave Cadman two hot ones to fist out, using fine judgment. A Hamilton and Lucas came down. Lucas shot and was just wide. Hetherington and Haley now went up. Berg, getting Haley's pass, booted over. Hetherington tried a shot of his own, and shook the upright, the ball coming back into play. The whole of Timmins team were working hard to even up, and gave G. Cadman two in quick succession to save, and he was right there. The Lake got away and were swinging the ball across the field and beat all before them. Lucas getting the ball had a fine chance on an open goal but kicked wide. Just before half time Dunbar passed over to Sathrang who sent in a terrific drive on the ground. Cadman came down prone to save, and the smack of the ball coming in contact with Cadman could be distinctly heard on the grandstands at the other end of the field. The score at half time stood 1-nil in the Lake's favour.

The second half started with Timmins on the offensive. The first attack was on the left flank, with Haley passing back to Hetherington, who drew out Cadman and passed the ball on to Berg to shoot, only to have McPhail run in and clear from the goal mouth. Dedrickson was called on to pull down a high one from McKenna's boot. Kirkland followed right up with forcing two corners, but both were fruitless. Liddle get-

### LIFE

The deputy warden of the penitentiary was looking over the new arrivals. Among them was a tall, forlorn-looking gentleman of color who seemed to take it very hard, sighing so deeply that the deputy asked: "What's the matter, boy?" "Mah sentence, suh!" was the mournful reply. "Ah, cain't do all this heah time the jedge done gib me!" "How much are you doing?" inquired the deputy. "Life!" exclaimed the new arrival. "Well," remarked the deputy, not unkindly, "just do what you can of it."—Everybody's Magazine.

### WALKING POST

A colored soldier was walking post for the first time in his life. A dark form approached him. "Halt!" he cried in a threatening tone. "Who are you?" "The officer of the day." "Advance!" The O.D. advanced, but before he had proceeded half a dozen steps the dusky sentinel again cried "Halt!" "This is the second time you've halted me," observed the O.D. "What are you going to do next?" "Never you mind what Ah's gonna do. Mah orders are to call 'Halt!' three times, den shoot."—From Everybody's Magazine for August.

## Visiting Sailors Tour Canadian Rockies

Above, some of the sailors are here seen at Banff grouped around the huge Canadian Pacific oil-burning locomotive which headed them through the Rockies. Inset—Perambulating at Revelstoke.

Through the courtesy of the Dominion Government twenty-five officers and two hundred and twenty men of the British Service Squadron on tour were given a trip from Vancouver through the Rocky Mountains as far as Calgary by special Canadian Pacific train, returning by way of Edmonton. The men were selected from the Flag Ship H.M.S. Hood, H.M.S. Repulse and H.M.S. Adel-

aide. All through the mountains the train was given most enthusiastic receptions from people lining the stations wherever it stopped and shouting their greetings from the smaller ones as it passed. During a stop of two hours at Revelstoke the entire crowd was taken to the top of Mount Revelstoke in automobiles. At Field it seemed impossible to get the train away, so anxious were the people to

heap flowers and congratulations on the men. Banff citizens met them with automobiles and showed them around at night on arrival and again in the morning when they visited the bathing pools. The reception at Calgary was equal to that accorded the visiting sailors all along the line, and all day they were entertained at receptions and banquets, closing the day with a ball at the Palliser Hotel for the officers and a smoker at the armory for the men. Throughout the trip the sailors were as busy photographing as being photographed. All of them have travelled far and viewed the scenery of many lands, but they are unanimous in the opinion that the beauty of the Rockies—Banff National Park, Albert Canyon and so on, is superior and more grand by far than anything else they have seen.
