Attention! Householders! Re Garbage

All table garbage should be wrapped in paper and placed in a covered garbage can. Garbage does not include ashes and chips and these must not be put in with garbage.

See that all lids are kept on your cans and that all doors of your toilets are kept closed.

Householders must supply their own garbage cans which should be kept clean and disinfected with chloride of lime.

Chloride of lime is supplied free of charge and can be had by applying at the City Hall.

Tin cans and other dry garbage may be put in covered barrels or boxes or bags.

Special attention should be paid to your yard. Keep it clean, and so avoid sickness and disease.

Outside toilets should be fly-proof, and should be disinfected quite often.

A breach of the traffic by-law resulted in a fine of \$1.00 and costs. The charges of assault against A. Sweiger, C. Jessom and J. McDonald were remanded to this week.
