NINTH
 of the series dealing with the establishment of the BANK OF MONTREAL at representative points in CANADA and elsewhere

FOR many years the Bank of Montreal has played an active and constructive part in the banking and business relations between Canada and the United States.

In 1855 the Bank established its own office in New York and today its Agency at 64-68 Wall Street holds a leading position among foreign financial institutions represented in that city.

In 1861 the Bank's Chicago Office was opened to care for extensive Western business. Today, at 27 South La Salle Street, Chicago, the Bank is participating actively in banking affairs. In San Francisco and at Spokane the Bank also has its own office.

 AND SHAW

Recently two well-known and capable mining engineers of the Porcupine prepared a map of the main active section of the Camp. The geological formations are shown and all claims listed. There is also information regarding capitalization, acreage, milling capacity, etc., of the leading mines

This map should prove useful to prospectors, mining men, etc. For the convenience of the public a few copies have been left at The Advance Office, Timmins, where they may be purchased at \$4.25 each. Come in and see the map, or send \$4.25 and the map will be mailed to your address. The map was carefully prepared from Government maps and reports, so may be recognized as fully accurate.

As suggested above, this map may be secured from The Advance Office, Timmins, tubed ready for mailing.

**MR. RANEY'S FRIENDS TO
 BLAME FOR CONDITIONS NOW**

Winnipeg Reader Writes His Views on the Prohibition Question.

To the Editor of the Advance, Timmins, Ont.

Sir:—Mr. Raney has condemned Mr. Ferguson's decision to hold a referendum on the Ontario Temperance Act next October.

This is natural because no person who has upheld the principle of compulsory legislation is pleased to find that principle so widely discussed and criticised as it is now being discussed and criticised.

Mr. Raney made the statement the other day that the proposed plebiscite is an unnecessary expense. Certainly a referendum and all the work it involves is an expense.

It does, not, however, appear to occur to Mr. Raney or to any other upholder of the "dry" cause that all the heavy expenses to which Manitoba, Saskatchewan and Alberta have already been put and to which Ontario will certainly be put might have been spared if a little more common sense had been used a few years ago when the liquor laws were first framed.

The many referenda, and all the heavy cost of futile attempts to enforce an unenforceable law would have been saved, to say nothing of the endless other more serious and lasting troubles which have been brought upon individuals, if only those who—with a flood of propaganda—persuaded people, in an abnormal time, to vote for a law which the most elementary common sense might have told them was totally inapplicable to normal times or to normal human beings.

Winnipeg, Man., July 23, 1924.

The New Liskeard Speaker last week says:—"Roy and John Sharp, of South Porcupine, have been spending a couple of weeks with their grandparents, Prof. John Sharp and Mrs. Sharp, Lake Shore Road. The boys tried their Toronto Conservatory of Music examinations while here and have just received notice of the results, Roy taking a high pass, just lacking 2 marks of honors, and John, in his class, taking first-class honors. Congratulations are due the boys who also passed very creditably in their public school examinations."

**DEATH OF MR. HUMPHREY
 SHERIDAN AT AGE OF 82**

The New Liskeard Speaker last week says:—

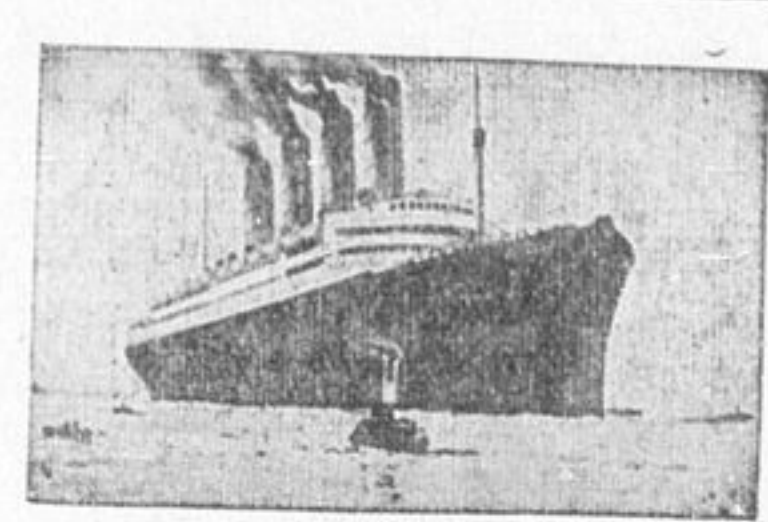

"On the 11th instant our old and esteemed friend, Humphrey Sheridan, passed away very suddenly at Parry Sound. On the previous Sunday he attended church with his lodge and was making preparations for the parade on the 12th when he was called away. The deceased was born in the County of Cavan, Ireland, in 1842, and came to Canada when ten years of age in a sailing vessel which took seven weeks to make the trip. He became a member of the Orange Order in 1859, joining No. 4 Lodge, Toronto, and never missed a walk on the 12th of July until last year when although unable to march, he attended the hall as usual. He served in the Fenian raid in 1866 and received a gold medal which he prized very highly and also a farm in New Ontario. He is survived by his wife, three sons, Charles of Cobalt, George and Gilmore of Timmins and four daughters, Mrs. W. L. Rodgers, of Kingston; Mrs. Thos. J. Badger, of Parry Sound and Misses Bertha and Birdie, of Boston. The funeral was conducted by the L.O.L. and was largely attended by members from Hurdville, McKellar and Carling. The pall bearers were Brothers Hyman, McCullough, Purvis, Campbell, Bushey and Stanley. Mr. Sheridan commenced shoemaking when 13 years of age and worked at the trade continuously until quite recently. He was always a staunch Conservative and a member of the Anglican church and very highly respected in the town and district."

Mr. A. W. Pickering was a visitor to Cochrane last week.
