The Safest Way to be Safe
You never can tell when injury will overtake you or the children.
Even the slightest pin-prick may cause infection.
Always have on hand a good antiseptic, plenty of powder, plasters and Johnson & Johnson's Red Cross Absorbent Cotton. This is very important.

Timmins and District Notes

(The Hollinger Directors paid a visit to the Mine and town last week.)
(Mrs. P. Maltais left on Monday for a month's visit to Montreal.)
(Mr. G. F. Black left on Sunday for a vacation in the south.)
(Mrs. P. Godin is visiting friends and relatives in Renfrew and other points East.)
(Mrs. D. Ostrosser has returned from the South much improved in health after hospital treatment there.)
(Born—To Mr. and Mrs. Wilfred Chenier, 71 Balsam street, Timmins, on Monday, Aug. 11th, 1924,—a son.)
(The next regular meeting of the Town Council is scheduled for Monday afternoon, Aug. 25th, commencing at 4 p.m.)
(Mr. and Mrs. McSweeney and little son returned to Timmins on Monday evening, from Brantford where they were visiting at the home of Mrs. McSweeney's mother.)
(Mr. and Mrs. Curnow and son, Frank, returned on Monday evening from a visit to their old home in England.)
(As suggested in last week's issue of The Advance, active work was commenced on Monday this week in the paving of the streets on Third Avenue and Pine street.)
(Misses Gertrude and Margaret Carson returned home to Montreal on Sunday after a few weeks' visit with their sister, Mrs. F. J. Wolno, and their brother, Mr. Geo. Carson.)
(Misses Helen McKeerwin and Audrey Miller, who have for the past five weeks been the guest of Miss Miller's sister, Mrs. S. Eplett, left on Sunday for their home in New Liskeard.)
(Writing last week from Warren, Manitoba, Mrs. Hugh McGee, who left Timmins some weeks ago to return to the West, says:—"The crops are looking fine here now and will be very good if we do not get too much rain.")
(Mayor J. H. McDonald, of North Bay, has proposed that North Bay hold an Old Boys' Week in 1925, and the idea has been widely approved at the Bay. So, it is likely, that next year North Bay will be striving to equal the pleasure and delight of Cobalt's Re-Union this year. This is a high mark at which to aim.)
(Mr. A. Saint, of Toronto, was a visitor to Timmins last week while on his holidays. "Slim," as he was familiarly known, was formerly a very popular member of the Express Co. staff here, and he has hosts of friends in the town and district. He is still with the Express Co., his headquarters being at Toronto and his run being from that city to Port Hope and Peterborough.)
