Timmins and District Notes

Chief of Police M. Greer, Mrs. Greer and family returned on Friday from a holiday visit to the East.

Messrs. J. K. Kennedy and A. W. Pickering were week-end visitors to Cochrane.

(Mrs. Cornthwaite is spending a few days' holiday at Parry Sound and Sudbury.)

(Mr. A. E. Brazeau returned on Sunday from a three weeks' visit to his home at Ottawa.)

(Born—To Mr. and Mrs. A. F. Black, on August 18th, 1924,—a daughter. Both well.)

Mr. and Mrs. Alan Macdonald, of North Cobalt, were visitors to Camp last week.

(Miss Maude Boyd left last week for her vacation to be spent in Detroit, Mich., and points in Southern Ontario.)

Mr. R. F. Rogers of the Hollinger Stores staff, returned on Thursday from a holiday trip to the South and East.

(Mr. and Mrs. Alex Brough, of Shawville, Que., are visiting Mr. Brough's brother, Mr. Jas. Brough, here.)

(Capt. Cornthwaite, S.A., recently returned from several weeks spent in special work for the Army at Manitoulin Island, Muskoka Lakes, Bracebridge, Sudbury and other points.)

The Haileyburian last week says: "Misses Olive and Margery Owens, who have recently come from Peace River to Timmins, are visiting friends in Haileybury this week."

(Mr. J. McGuire left on Sunday for his annual vacation in the South. He will visit Orangeville and other centres and will take in the leading lacrosse and baseball matches down south.)

Among the Kirkland Lake notes in The Northern News last week were the following:—"Mrs. Bannerman, of Timmins, is visiting Mrs. Morris, of the Teck-Hughes."—"Mrs. Stevens, of South Porcupine, is the guest of Mrs. Milton Swastika."

One of the British Scientists here last week said that the age of the Porcupine was around a billion years. There is only one old-timer here who would dispute the statement. He says he was one of those "cutting the rail in here for all you other guys to use," and that doggone Scientist wasn't here at all when the Porcupine was born.

Haileybury Horticultural Society's sixteenth annual show of Flowers, Fruit, and Vegetables, is to be held in the Market Building, Haileybury, on Wednesday and Thursday, Sept. 3rd and 4th. The fourth annual show of needlework, cooking and canned goods by the Women's Branch will be held in connection with the Horticultural Show.

A card received last week from Mr. H. De Labarre says:—"We had a wonderful trip to New York, Long Island, Saratoga, Albany, Montreal, the Adirondacks and Peekskill Mountain. Now enjoying sunsets in the Muskoka. Will stay in the Holy City for the Exhibition." As noted in these columns some weeks ago, Mr. Labarre is one of a party from town enjoying an extended motor trip to the South.

Labour Day, Sept. 1st, next Monday, is to be a big day at Iroquois Falls. There is an unusually attractive programme and a big attendance is expected from all over the district. Everyone who can go from Timmins and the district should not miss this opportunity for a wonderful day of sports and enjoyment at the Falls, for Iroquois Falls has a well-merited reputation for hospitality and for providing programmes of the greatest interest and pleasure.

Controllr Johnston of Toronto, suggests that there are 6000 idle men in Toronto at the present time. He makes the statement with horror in his voice, as it were. Yet in proportion to population there are more than twice as many men out of employment at present in Timmins. Toronto people evidently tell the workless to go to Timmins, though the Ontario Government Labour Bureau points out in its monthly reports that the labour supply here exceeds the demand. If Toronto had as large a proportion of unemployed as Timmins the city would have at least 12,000 to look after at this time.

(Mr. Alvin Urquhart left last week for a vacation in the south.)

(Mrs. Loring and children returned home on Friday after a visit to the South.)

Mr. and Mrs. Geo. Lake and children returned on Friday evening from a visit to Toronto.

Mr. Harold Emo returned on Saturday night from a three weeks' vacation in Montreal and vicinity.

The next regular meeting of the Town Council is scheduled for Monday afternoon, Sept. 8th.

(Miss Rhoda Macleod is spending her vacation at her home in Sault Ste. Marie, Ont.)

The Cobalt correspondent of the North Bay Nugget last week says:—"Miss B. Fleming has returned from visiting friends in Timmins."

(Mr. and Mrs. S. R. McCoy left on Sunday for a vacation in the South. During the holiday they will visit Mr. and Mrs. Morris Nagle at Cleveland, Ohio.)

DAMAGE AGAIN REPORTED FROM HARVESTER TRAINS.

Reports from North Bay, Cochrane and other points suggest that damage has again been done to property and rowdiness once more shown by men going west on harvester excursion trains. Years ago these evidences of ignorance and malice became so frequent that the railways put special constables on the harvesters' trains, together with cells for the accommodation of the criminals. There followed a complete cessation of the rowdiness on the part of the excursionists. The public at stations where the harvesters trains may stop should be protected, and apparently the railways once before found the solution to the problem. When this type of fool rowdy, or rowdy fool, finds that punishment follows, crime there is always a lessening of the tendency to crime.

GEORGE HENRY HUBERT HAS A LITTLE BROTHER. Princess Mary gave birth to her second child, a boy, at Goldborough Hall, one of the seats of the Lascelles family, on August 21

MCLAUGHLIN-BUICK SPECIAL SIX 25-25

THE New Special Six is essentially McLaughlin-Buick in character and performance.

The same body lines, the same motor and chassis construction, the same mechanical excellences that characterize the McLaughlin-Buick Master Six are embodied in this Special Six, while the Master Six is longer and larger the two models are identical in mechanical design.

Four wheel Brakes and Low Pressure Tires, of course.

The handsome Duco finish actually improves with use.

J. Dalton, Dealer - - Timmins, Ont.
