### South Porcupine to Have A Band and Curling Club

Twenty Bandsmen Now on the List, With More to Follow. Curling Club at South Porcupine Promises to be Big Success. Work on Highway Improved. Bus Fares to Dome Still a Live Topic. Other Interesting Items from South Porcupine.

South Porcupine, Oct. 6th.—Special to the Advance.

There was a special meeting in the Council Chambers on Sunday afternoon, October 5th, in connection with forming the Band for South Porcupine. The purpose of the meeting was to get a line on all the musicians in the Camp and also to find out how many had their own instruments. James Brown was elected chairman for the meeting and the following is a list of the Band members to date:— J. Loos, Trombone; J. Costain, Bass Trombone; W. W. Wilson, Trombone and Saxophone; R. McWilliams, Cornet; John Moroz, Cornet; Gene Colombo, Cornet and Alto; Mr. Fonzie, Cornet; Ed. Bylka, Cornet; A. Bostrom, Trombone; Morris Bucovetsky, Alto; Mr. Dennis, Clarinet; Allen Pearce, Clarinet; J. Doig, Clarinet; Mr. Biliskie, Clarinet; James Boisnois, Saxophone; James Brown, Saxophone; Bill Hutcheson, Saxophone; Harry Hogg, Saxophone; Mr. Shakespeare, Euphonium; Mr. Nichols, Bass; M. Vallo, Bass; James Fera, Bass Drum; L. Truelove, Traps; George Rowe, Flute; and others to hear from. The question of Bandmaster was taken up and set aside until next meeting which will take place on Thursday, Oct. 9th, at 8 p.m. In view of the fact that many of the business men are co-operating towards getting the band started, South Porcupine is assured of a Band that will in a short time rival some of the other Bands in the North. A full account of Thursday's meeting will be published in the next issue.

Apparently someone has been talking to the men at work on the Government Road through South Porcupine. At any rate during the course of last week much has been done and many loads of rock have been placed and graded. It is beginning to look as though it will be a permanent highway and much credit is due the parties who have looked into the matter which was so important and got things started. It is to be hoped that the good work will continue.

The Baseball Dance in the New School Hall last week was a decided success. Pipers Syncoaters furnished a good programme of music. A large crowd was present and all had a good time.

Activities are well under way for the forming of the Curling Club for South Porcupine. Many interested parties have subscribed generously towards making the new sport a success and no doubt there will be keen competition among the players when the new game has been introduced.

It is rumored from official circles that the Water Works and Sewage System for South Porcupine will soon be installed. There have been many inquiries from outsiders regarding the Bonds and it looks as though there will be no difficulty whatsoever in disposing of same, which should insure the installation. A more complete and authentic report will be given as soon as the facts are learned.

Mr. James Fera left South Porcupine on Sunday for a business trip to Toronto and other points. He is expected back in about two weeks.

Mrs. Lester Joy, an old resident of South Porcupine, returned to her home in Englehart last week after spending a few weeks with friends at Connaught.

The Combined Orchestra, "Gene Colombo and Ted Emery," returned on Saturday after a most successful trip to Elk Lake on Thursday and Englehart on Friday. The Music Lovers of Elk Lake were so impressed with the good music rendered by this combination that about twenty-five

people from Elk Lake made the trip to Englehart in autos to attend the dance there which took place in the Masonic Hall. The Dance in Elk Lake was a Masonic At Home and the members enjoyed an unusually pleasant evening.

Mr. Ted Emery returned to Elk Lake on Sunday to direct the play which he is putting on in that town on Monday evening.

Born—To Mr. and Mrs. J. B. St. Paul, on Oct. 2nd, a daughter.

Mr. Gladden, Chief Electrician of the Davidson Mines, left on Sunday for a trip to Montreal and other points.

There has been considerable comment on the question of reduced fares from the Dome to South Porcupine, since the account was published last week in The Advance and it seems the parties who have been working hard on the matter can get no results, although they have done everything in their power. Some of the residents and tax-payers claim that the Township has permission from the Government to dictate to the Taxi Drivers and Bus Operators and claim that the aforementioned body have the right to lawfully set a price standard on all trips, etc., in this township, and they are at a loss to understand why, under those simple conditions, there has not been anything done to remedy the situation. Perhaps the coming election will have something to do with it. It is to be hoped that who ever is responsible for these conditions will get busy and help to satisfy the people from South Porcupine and the Dome as well.

It is reported from numerous reliable sources that ore averaging \$13,000.00 to the ton is being bagged by Segsworth and Jowsey on their group of claims in the Township of McNeill. The vein is from eight to ten feet wide, running east and west. This discovery is bidding strongly to boost the Croesus Gold Mines as the highest grade gold ore in Northern Ontario. The owners have cut the road out to the transmission line and will be installing machinery and shipping as soon as sleighing permits.

Mrs. Edward William Smith of North Bay announces the engagement of her youngest daughter, Mary Constance, to Mr. Bertrand John Connolly of Connaught, eldest son of Mr. and Mrs. John Connolly of North Bay, the wedding to take place the latter part of October.

#### PLEASE ATTEND AT ONCE TO YOUR SUBSCRIPTION

During the past few days several hundred subscription notices have been sent out by The Advance. The Advance follows very closely the rule that all subscriptions must be paid in advance. Unless subscriptions are so paid promptly we take it for granted that the particular subscriber neglecting to renew his subscription does not desire to have his copy of the paper continued. Under the system in use in The Advance office for ten years past this is the only view we can take. Accordingly, all subscribers are asked to note their subscriptions and if date of expiry has been reached to send prompt renewal. To assist the memory of the subscribers bills are sent out every two or three months to those whose subscriptions are expiring. Some of these bills have been going out during the past few days. Kindly take the hint and remit promptly. This will assure you receiving each copy of the paper. Otherwise, The Advance has no recourse under the rules except to take the name off the list. The Advance carries no delinquent subscribers. The Advance wishes only the only right kind of subscribers—the kind that wish to have the paper. Following for years the modern newspaper plan of continuing only such names on the list as desire the paper, The Advance asks all subscribers to assist in the continued success of this plan by prompt renewal. If your subscription has expired, send renewal at once. Many thanks!

#### REVISING OFFICER HERE ON SATURDAY, THE 11TH

Is your name on the Voters' List for the vote on the Plebiscite on Oct. 23rd? The 1923 lists are being used for this vote, and opportunity is given for the adding of names not on those lists. The Revising Officer will be at Timmins on Saturday of this week when applications can be made for the adding of names. The sittings open at 10 a.m. at the Town Hall. Judge Caron is the Revising Officer and Mr. H. E. Montgomery, the Clerk.

The Northern News last week had the following items in its Cobalt "Personal" column:—Mr. C. C. Kenney of Timmins has joined his wife and daughter, who are visiting at the home of her parents, Mr. and Mrs. R. B. Holmes. "Mr. and Mrs. D. W. McLeod spent the weekend in Timmins." Mr. and Mrs. E. Chase left Cobalt on Thursday for Schumacher, was in town this week visiting her mother."

**ELECTRIC WASHER MFRS. CELEBRATE JUBILEE**

Beatty Bros., the old-established firm of manufacturers of electric washers, are this year celebrating their fiftieth anniversary in business and are observing the noteworthy event by a special sale with special premiums and special terms. The local dealers, the Time-Saving Electric Shop, 26 Second Avenue, Timmins, this week announce the Jubilee Sale. The sale offers electric washers in remarkable values. A complete washing outfit, including washer, bench, two galvanized tubs, ironing board and washing machine drainer, all for the price of the washer. The big bargain may be secured for only a dollar down and a year to pay the balance. The premiums offered are specially attractive.
