TIMMINS, ONTARIO, WEDNESDAY, OCTOBER 22ND, 1924.

PRICE FIVE CENTS

Oshawa Here Saturday in Ontario Cup Semi-Final

Visiting Team Well Known for Good Football, But Timmins Will Give Them a Run for Their Money. Everybody Should Turn Out for This Match. Winner to Play Brantford at Toronto. Game at 3.15 p.m. Band will be Out at 2.30 at Station.

In the semi-finals of the Ontario Football Cup series Oshawa plays Timmins at Timmins on Saturday of this week, Oct. 25th the game starting at 3.15 p.m. The match will be a particularly good one. The Oshawa team has proven its worth this year by its success, and Timmins has surprised the Toronto fans with the brand of football played. Another reason for the fullest possible support is the fact that by attendance at Saturday's game the crowd will show appreciation for what has already been accomplished by the Timmins team this season in the line of sport and good advertising for this town. The Timmins Football Club has kept the admission fee for the game down to 50 cents. The usual custom of allowing ladies free entry, however, will not be followed. It will be half a dollar each for everybody, and

there should be a whale of a big gate. Anybody not able to go should buy a bunch of tickets just to help the boys along. The boys look for a particularly big gate to defray expenses for the final game in Toronto, when they win Saturday's match, as they hope to do, and intend to work to do.

There is no doubt but that Saturday's match will be great football. Everybody out! The Timmins Citizen's Band has volunteered its services for the match. The Band will meet at the Station at 2.30 and parade to the athletic grounds for the match.

The winner of Saturday's match will play Brantford at Toronto in the final match for the Ontario Cup. This latter match decides the football championship of Ontario, and will likely be played on Saturday, November 1st.

NEW SCHOOL AT PORQUIS NEARING COMPLETION

Much Work on Roads in District. News Items from Porquis Junction.

Porquis Junction, Oct. 21st, special to The Advance.

The work done on the roads in the past four months has been a great factor in linking up the various towns and villages of our part of the Northland. The motorist, who, in the early part of June managed to drive from Porquis to Connaught, spoke of it with the air of one who had achieved the impossible. Now it but an afternoon's drive for the people of Timmins to visit their friends in Porquis Junction or Iroquois Falls. Next summer we may drive to Cochrane. Who knows?

The new school is nearing completion and every effort is being made to have it ready for use in the near future. This new structure will fill a long felt need in the community.

Among the visitors to Porquis over the week-end were Mrs. L. Monohan of Iroquois Falls, Mr. Swayne and Mr. P. V. Thornley of Connaught and Mr. C. Rowe of Iroquois Falls.

Ralph Rowlandson, who is attending the Monteith Academy, spent the week-end with his parents.

LOSES FINGER THROUGH ACCIDENT LAST WEEK

While at work at the machine shop last week at the Hollinger, Mr. A. E. Prout, one of the foremen in the shop, had the misfortune to lose one finger and to have another finger very badly crushed. The injury resulted from the breaking of a piece of cable, allowing a piece of steel to fall. Mr. Prout's hand was crushed beneath the steel. The one finger was crushed so badly as to make amputation necessary. Another finger is also painfully injured. Mr. Prout will be laid up for some days with the injury, which, though very painful, is fortunately not as serious as it might have been. His innumerable friends will wish Mr. Prout very early and complete recovery.

The Oshawa Football team is expected to arrive here on Friday evening for the Ontario Cup match here. The visitors will be taken through the Hollinger Mine that evening.

MRS. CHAS. PEARCE PASSED AWAY SUNDAY MORNING

One of the First Ladies to Take Up Residence in Timmins. Highly Regarded by All.

Although Mrs. Chas. Pearce had been ill for some time past, the news of her death came as a decided shock to large circles of friends and acquaintances in the town and district. The late Mrs. Pearce, who was the wife of the pioneer merchant of Timmins, Mr. Chas. Pearce, passed away Sunday morning at 3 a.m., after a lingering illness, death being due to diabetes. No doubt the recent loss of her two sons, Ray and Harry, tended to the anxiety and worry that hastened her death.

The late Mrs. Chas. Pearce was one of the first ladies to come to Timmins, arriving here before the railroad was built to this townsite. Among the old-timers of the district she will always be remembered for her kindness and esteemed for her high character.

Mr. and Mrs. Chas. Pearce were married in 1884, first taking up residence on their farm near Lachute, Quebec. Later, they moved to Montreal where they resided for some years. At the opening of the Timmins Townsite they moved here where they have remained among the worthy citizens of the district. Mrs. Pearce won innumerable friends here, her kind and gentle nature endearing her to all who came in personal contact with her. She is sincerely mourned by a host of friends and relatives. In addition to the bereaved husband two sons, two daughters and three grandchildren, are among the near relatives surviving. All of these are resident in Timmins. The surviving sons are:—Isaac Kremore and David; and the daughters, Mrs. Brovender and Miss Mayne.

The funeral took place from the family residence, Timmins, to the T. & N.O. station, and thence the body was conveyed to Montreal for interment in the family plot at Mount Royal Cemetery. The remains were accompanied to Montreal by Mr. Chas. Pearce, Miss Pearce and Messrs. I. K. and David Pearce.

The Oriental Order is a branch of the Oddfellows, instituted specially for social purposes and jolly good fellowship. The Orientals have been strikingly successful here and in view of the enterprise and interest shown by the Rebekahs in their Order it is practically assured that the Lady Orientals will prove a pleasing and successful addition to the lodges of the town.

It is the intention of Messrs. Wolno and Schroeder who are looking after the Boys' Band to give preliminary music instruction, chiefly blackboard work, to the boys. From the big list of pupils now appearing as desirous of joining the Boys' Band, it will be possible to get 30 or more of the more promising lads to continue in training and Timmins will likely be able to boast of a creditable boys' band in the near future. As soon as the preliminaries are arranged, steps will be taken to secure instruments for all the boys in the new Boys' Band.

AGRICULTURAL ENQUIRY COMMITTEE AT TIMMINS

Parliamentary Committee Visits Here on Tour of North Reviewing Agricultural Situation.

Last week Timmins was favoured with a visit from some of the members of the Agricultural Enquiry Committee touring the North Land to enquire into the agricultural conditions and possibilities. Mr. Mac Lang, M.P.P., for this riding, accompanied the party here. The members of the Enquiry Committee include:—Hon. Dr. Jamieson, Chairman; Mr. M. McBride, M.P.P., of Brantford; J. G. Also, unfortunately, through lack of notice of the visit here, it was not possible to put the visitors in touch with all in this immediate district who might have been able to give them desired information. However, they were informed of the outstanding needs for agricultural development, and also the great possibilities in this immediate district. The Committee was on a tour of the North with a view to learning the exact conditions of agriculture and the general prospects. They visited Cochrane, Iroquois Falls, Monteith, Matheson and other points in this part of the North, and no doubt gathered much valuable information. They were very greatly impressed with the general progress of this district. They reached here on Wednesday, leaving again the following day.

Timmins Wins From Mimico In Ontario Football Series

Football Team Continues to Bring Honour on Itself and the Town. Wins Good Game at Toronto last Saturday. Boys Had Good Time in City. Big Welcome Here on Their Return. Band at Station and Big Crowd.

Timmins Football Club defeated the crack Mimico team at Toronto on Saturday in the Ontario Cup series, the score being 2 to 1. Throughout the match Timmins showed itself a classy soccer team and held its own, and in a spurt at the end of the match the game was won. Mr. E. H. Bridger wired here Saturday, "It was a great game and the boys were in the best of condition." Toronto newspapers (with the exception of The Star) give Timmins all sorts of credit. "Visitors showed more than passing knowledge of football," says The Mail and Empire. The Telegram and The Globe gave excellent reports of the match. The Toronto Sunday World's report is given in full elsewhere in this issue. Those who saw the match say this report gives a first-class description of the match.

The Timmins team was accompanied to Toronto by Secretary W. A. Field and Mr. P. Larmer, a member of the club executive. At Toronto the boys were splendidly used. The Mimico Club took them sight-seeing and they were the guests of the Mimico boys at Shea's Theatre, Friday evening. Old-timers of the North, especially Messrs E. H. Bridger and Mr. Twaddle were especially kind. Mr. Bridger, who was one of the real founders of football in this part of the North, made a great hit with the present team. "He's a prince," they say. Mr. Twaddle was on hand to help rub down the boys

and give all other sorts of help and encouragement. His innumerable friends here will be delighted to learn that Mr. Twaddle is immeasurably improved in health and appears to be well on the way to his old-time strength and vigor.

In defeating Mimico, Timmins added a feather to its football cap all right. Mimico had just played a straight run of 19 matches without a single defeat until Timmins did the trick Saturday. The Toronto football enthusiasts got a surprise in the brand of soccer displayed by the Northern champions. All the Toronto newspapers (with the exception of The Star) are generous in admitting this.

When the boys were leaving Toronto they lined up at the station platform and gave three rousing cheers for "Ernie Bridger and our Toronto friends."

The news of the victory reached here by wire Saturday evening and brought general pleasure to all sports lovers. There was a big crowd to meet the boys on their return here Sunday. Timmins Citizens' Band was at the station and played as the victorious team came in. The boys were cheered and praised by the big crowd at the station.

Now, for this Saturday's game in the Cup Matches! The Football team may be expected to fully do its part. It is up to the public to show by complete support that all are right with them.
