**WHAT ABOUT HOCKEY FOR  
THE COMING SEASON?**

Some time ago The Advance suggested that organization for Hockey for the coming winter should be taken up and preparations made for the winter's sport. Nothing has been done, however, and many interested in hockey are wondering why. If there is no desire to have good hockey of any kind this year, it is all right. Lack of preparation is one way to assure poor sport in any line. On the other hand, if it is intended to have hockey, arrangements should be gotten under way.

The better the preparations and the earlier and greater the interest, the better chances there will be for good sport. Timmins is a Hockey town, and there are literally hundreds here specially interested in this sport. With the required interest and attention there does not seem to be any reason why there should not be a lot of good amateur hockey in the town and district this coming season.

**THE TORONTO STAR SHOOT  
A WONDERFUL TEN LINES**

There has been considerable comment in town in regard to the attitude of The Toronto Star towards Timmins and the North Land in regard to last Saturday's match in the Ontario Cup series. All the other Toronto newspapers gave extended reports of the match, which was rightly considered as an important sporting event, having direct bearing on the football championship of Ontario for the year. The Toronto Sunday World's report is given elsewhere in this issue, and speaks for itself. The Telegram gave an equally extended and interesting account of the match. The Toronto Mail and Empire and The Toronto Globe each gave accurate and extended reference to the match. And The Toronto Star gave just ten lines!

In discussing the reports of the other newspapers, reference might well be made to their fair and friendly tone. The Globe, The Telegram and The Mail and Empire are generous in their attitude towards the team from the North Land. "The Northerners were good value for the win and gave an excellent exhibition of cup tie football," says The Mail and Empire. The Globe and The Telegram agree that the best team won on merit. All the other newspapers speak well of the visiting team. And The Toronto Star's chief sentence is the sad expression, "Toronto said good-bye to the Ontario Cup when a team from Timmins defeated Mimico by 2 goals to 1."

Ten lines for Timmins, and tears for Toronto seems to be the attitude in fall of The Toronto Star.

It is an odd attitude in view of the support given The Star in this North Land. But it does not seem to be unusual for The Star.

The people of the North Land, however, have the comforting knowledge that if there is anything derogatory to the North Land all may be assured that it will receive front-page prominence and fullest space in The Toronto Star.

There may not be a reason. But there's a remedy!

**MR. JAMES MEEHAN MEETS  
UNFORTUNATE ACCIDENT**

Last week Mr. James Meehan, who was working with a firm of electrical contractors in town, met with an unfortunate accident that resulted in the loss of an eye. A piece of wire striking him in the eye destroyed the sight of that eye, and to save the other eye it was necessary to remove the injured optic. The operation was successfully carried out at St. Mary's Hospital, and the young man is making the very best of recovery. Mr. Meehan's home is in Sudbury. He has many friends in town who will sincerely regret the unfortunate accident and wish him the speediest possible return to restored health.

"Heard that you were engaged."  
"Yeah—two weeks."  
"Kissed her yet?"  
"No, but I think I could."

**KIWANIS CLUB MEMBERS  
VISIT THE NORTH LAND**

(Continued from Page 1)  
were Mr. Blake Halladay, District Governor-Elect for Ontario and Quebec Kiwanis, Mayor W. W. Hiltz, of Toronto, Mr. Geo. W. Lee, Chairman of the T. & N.O., and others. Interesting and effective addresses were delivered by these visitors. The usual custom of each member giving his name, calling, address, etc., was followed. Rev. T. Terryberry, of Toronto, had been jollied considerably in regard to his position and saw his opportunity to score in return. He announced himself thus:—"My name is Terryberry. I represent one of the greatest and noblest organizations in Ontario—the Lord's Day Alliance." Mr. Geo. A. D. Murray sat alongside Rev. Mr. Terryberry and immediately rose for his part. He said:—"My name is Murray and I represent one of the greatest and noblest organizations in Ontario—the Moderation League." The combination proved so pat as to arouse the greatest amusement. The whole programme for the Banquet proved most enjoyable.

On Saturday morning the visitors saw the motion picture of the mining industry and then were taken through the Hollinger Mine. They also visited South Porcupine and the Dome where they viewed mining operations. All the visitors were enthusiastic in expressing their appreciation of the country and hospitality shown them on every hand. Trips around the town and district and on the Mattagami River were also enjoyed. The visitors also combined business with pleasure, calling on local business places with a view to adding new business or cementing various connections.

Saturday evening the visitors attended the show at the New Empire Theatre, Kiwanis songs being sung and members entering the theatre being specially greeted. Mayor Hiltz came in for special attention as did also Dr. McInnis. "How d'ye do, Doc, McInnis," sang the Kiwanis, following this up with the vocalized statement, "They say Doc, McInnis ain't got any style, but he smiles all the while, all the while."

After the show the various dances were attended and a general good time enjoyed by the visitors.

The party left on Sunday morning to visit Iroquois Falls.

The Town was decorated generally for the visit. Announcement has not yet been made of the winner of the \$25.00 prize offered for the best-decorated building.

**GOOD PROGRAMME AND BIG  
CROWD AT BAND CONCERT**

There was a full house for the second of the season's band concerts in the New Empire Theatre after the church services on Sunday evening. Shortly after 8.30 the doors had to be closed, there being no further room. The big audience followed the programme with the closest attention and interest and appreciation of the various numbers was shown generously.

The vocalists for the evening were Mr. Thos. Huntly, of Porcupine, and Mr. Frank Bates, of Timmins. Mr. Huntly was well received and very heartily cheered. His selections were, "Aileen Alichanah," and "There's a Pretty Spot in Ireland." On this, his first appearance before a Timmins theatre audience, Mr. Frank Bates delighted music lovers with his fine voice and talented rendition of "Down the Vale." He will be heartily welcomed in the future by Timmins audiences.

Master Carl Johns gave a well-rendered cornet solo, "A Perfect Day," and won very hearty and merited applause. He is the youngest member of the Timmins Citizens' Band, playing regularly with the Band.

A pianoforte solo by Mr. Walter Devine was another specially appreciated feature of the programme.

An outstanding number was the cornet duet by Bandsmen Bridges and Burgess, with band accompaniment. This well-rendered number was particularly well received.

The selections by the Band included:—"March, 'Left, Right!';" selection, "Pirates of Penzance"; waltz, "Enchantress"; selection, "The Mikado." There was a large turnout of the Band and Bandmaster Wolno and his men did themselves credit by their capable and pleasing rendition of the various selections.

The usual motion picture was shown at the opening of the event. The next band concert, Sunday evening, Nov. 2nd, after the church services, will be a special "Band" concert, all the vocal and instrumental numbers to be given by members of the Band.

Wife (in back seat)—"Henry dear, You mustn't drive so fast!"  
Husband—"Why not?"  
"The motor policeman who has been following us won't like it."
