## Organizing Northern Ontario League at South Porcupine

Meeting at Majestic Theatre. South Porcupine Social and Literary Club Meetings. Personal and Other Items from South Porcupine. Option Reported as Granted Group of Claims About Three Miles South of South Porcupine.

South Porcupine, Nov. 11—Special to The Advance.

The South Porcupine Social and Literary Club held a Social evening at the United Church on Tuesday, and a nice sociable crowd was present. The next event of this organization will be held on November 18th, in the United Church. Subjects:—Hymn Study: "Lead Kindly Light"; literary: Wordsworth. Community Singing and Recreation.

The Dance in the Oddfellows Hall last Thursday night was well attended. The Goldfields Orchestra furnished their usual program of up-to-date music and every one had a good time.

James Norrie, Engineer, arrived back in South Porcupine after spending about four weeks in Nova Scotia, Toronto, Brantford and other points. Mr. Norrie is contemplating locating here for some time.

Mr. Shakespeare arrived back in town after a short visit with his children in Toronto. Mr. Shakespeare will be playing the Euphonium in the Porcupine Goldfields Band.

Mr. Fraser, of Schumacher, left for an extended trip to Thessalon. It is his intention to spend some time on a hunting trip while he is away.

Born—To Mr. and Mrs. Percy Clark, of Toronto, a daughter. The proud grandfather, James Boyle, has been having an awful time answering the questions of the inquisitive ladies in town. Apparently Jim don't mind a little kidding, although some women want to know too much.

A large number of residents enjoyed Saturday and Sunday skating on the lake. A few of them fell through the ice, but fortunately no serious mishaps occurred.

The Mechanics of the Dome Mines are giving a Dance in the New School Hall on November 28th. Colombo's Orchestra of 7 pieces will furnish the music for the occasion.

The Instruments for the Porcupine Goldfields Band are expected to arrive here this week. Word was received that they had been shipped

from Toronto on the 7th of November.

The South Porcupine Social Club are putting on their popular play "Safety First," at the Majestic Theatre on Thursday, November 13th. A large number of tickets have been sold and a good turn out is expected.

There will be a Special Meeting in the Majestic Theatre tonight (Wednesday) for the purpose of organizing the Northern Ontario League. The object of the Northern Ontario League is to place the needs of the people before the government and get justice for the North. All should make a special effort to attend this meeting. The special production, "To the Ladies," featuring Theodore Roberts, will be shown before the meeting.

Dr. Day and James Reed, of Connaught, drove to South Porcupine last week and reported the roads in very good condition.

Mr. James Fera, left on Sunday for a short trip to Welland, Toronto, and other points.

Miss Genevieve McJanet spent the week end with friends at Connaught.

Mr. Joe Clemens, of Connaught, was a visitor in town last week. Mr. Clemens returned recently from a trip into Rouyn, and reports that with the exception of two or three good finds in that country, much work must be done before anyone can comment on it generally.

The patrons of the Majestic Theatre will have an unusual treat on Friday and Saturday when the third dimension Movie "Plastigrams," will be on exhibition. The management will furnish special glasses which must be worn to see this picture. Watch for the fun.

Joe Lee, Ltd., of London, England, and Glasgow, made an open bet of even money before the election that the Conservatives would obtain a majority over all parties in that country. We must admit at this time, that Joe Lee Ltd., had it figured out pretty good.

The Conservative Government of the Old Country are considering speculation of about 5,000,000 pounds towards mining in Canada.

Gene Colombo has moved into his new residence opposite the Canadian General Electric Co., and the citizens are anxiously awaiting the announcement of his intentions. The little home is being remodelled and should be very appetizing to the lucky young lady. The question is: Who is the lucky young lady? Come on, Gene,

tell us about it.

It is reported that an option has been granted to a large Syndicate on a group of claims about three miles South of South Porcupine. Up to the time of going to press we have not been able to find out if this news is authentic. If it proves official, it will be welcomed by South Porcupine.

Apparently the Fire Bug is a Vermilion or species of Ground-Hog. Last week some waste saturated with coal oil was found alongside of Wilson-Raynor's Garage and set on fire, but the wind must have blown this fire out and the Fire-Bug undoubtedly was afraid to go back and re-set it, as the material was found in the condition as stated above.

Mrs. L. S. Patterson, of Massey, has been visiting in South Porcupine for the past six weeks. During her stay she was the guest of Mr. and Mrs. J. B. St. Paul, who have recently moved to their new residence, which was built by Tom Ryan. Mrs. Patterson left for Massey on Sunday.

There has been considerable comment in town about the New School Hall and what the basement of this place would be used for. Many are in favour of installing a Gym. and many are against it. It is to be hoped that we can publish an account at an early date on this question, so that all interested parties will be satisfied.

There was little difficulty in disposing of all the articles at the Auction Sale of Saunders' Restaurant last week. Many very useful articles were sold at very low prices.

### NOTED MUSICAL COMEDY PLAYERS HERE NOV. 24-27.

"London's Great 8," Musical Comedy-Variety Players, are booked for four days at the New Empire Theatre beginning Monday, Nov. 24th. This company of players has won a big reputation and their visit should be generally welcomed as a pleasing variation from motion pictures.

### ARRANGE SCHEDULE OF MEETINGS FOR A.S.D. CLUB.

On Thursday evening the newly elected Executive Committee of the A.S.D. Club held a meeting in the offices of Arthur E. Moysey & Co., with all members present. At this meeting a schedule of meetings for the month of November was drawn up, and arrangements made to hold an At Home in the Masonic Hall at the end of the month. It was found impossible to rent the Hall for the last Friday in November, so accordingly arrangements were made for the first Friday in December. Invitations are being prepared for the event, and all members are requested to turn in the names of any to whom they wish invitations to be sent. The meeting this evening will be a novelty dance, a committee consisting of Miss Rhoda Macleod and Miss Bella Gowan, and Messrs J. K. Kennedy, E. L. Urquhart and J.
