Schumacher Looks Forward to Great Growth Next Year

New Model Townsite to be Added to Present Town. Schumacher Greatly Increased in Size and Importance Recently. Choral Society Making Fine Progress. Personal and Other Items from Schumacher

Schumacher, Nov. 25th. Special to The Advance.

Mr. Adams, lately employed by the McIntyre Co., in the dry goods department, has returned to his home in Elora.

The Dinner served in the Recreation Hall on Wednesday evening, under the auspices of the Ladies' Auxiliary of the Union Church was a great success. Many friends from our neighbouring towns of Timmins and South Porcupine were present. An orchestra of young people from Timmins and Schumacher furnished the musical entertainment which was very much appreciated. The ladies have once more demonstrated their ability to provide an excellent repast and deserve much credit.

Mr. Frank Uttley has opened a first class real estate and insurance office on First Ave.

Mr. Gordon Black, Dominion Life

representative of Timmins, was in town last week.

Mrs. Harry Leng, returned on Tuesday from St. George. Mrs. Leng is slowly recuperating from her recent severe illness.

We regret to report the illness of Mr. McPherson of Gold Centre.

The Choral Society which was recently organized is progressing very favourably. Mr. Geils of Timmins is Conductor and Mrs. Frank Thompson is secretary. All music lovers are invited to attend the meetings which are held in the Recreation Hall on Monday evenings.

Mrs. James McCadden, returned on Wednesday last, from Toronto, where she has been receiving medical treatment. The health of Mrs. McCadden is much improved.

Mrs. Leighton has returned after an extended visit to friends and relatives in Eastern Ontario.

We are pleased to report the convalescence of Mr. Richard Skelly after his recent illness.

Mrs. Ritchie, who has been conducting a boarding and rooming business in Timmins during the past year, has returned to town and will enter a similar business here.

Miss Gwendolyn King left last week to attend school in North Bay.

Mrs. Preston of Orillia is visiting her daughter, Mrs. Hawkins.

Mr. W. C. Arnott returned on Sunday from Bracebridge where he had been attending the funeral of his mother-in-law, Mrs. McDonald.

The skating on Pearl Lake is excellent. People of all ages are taking advantage of this exhilarating exercise before the snow falls. Everybody is welcome on our great natural rink.

Mr. Andre Fournier and family of Windsor, have moved into town. Mr. Fournier is engaged at the McIntyre Mine.

The many friends of Mr. A. Dorfman, Huron and Belt Co., Toronto, were pleased to see him in their midst for a short visit.

Mr. H. F. Dainton of Timmins, has moved his family into town. Mr. Dainton is employed at the Newray Mine.

Our citizens are looking forward to great expansion and development during the next year. It is reported on good authority that a model town of two hundred dwellings of architectural beauty will be built to the east of the present town-site. The homes will have every convenience and will be surrounded by spacious lawns and flower garden. Beautiful parks of shrubs, ornamental trees, and fountains, traversed by graceful winding paths, will be an additional charm of this residential City of the Northland.

The Fire Brigade had a run to the new Goldfields Theatre on Thursday morning about 11 o'clock. A gas-line torch on the roof had exploded and caused danger of fire. The danger, however, was promptly eliminated, and it was not necessary to turn on the water onto the fine new building.

S.A. CHRISTMAS TREE AND DISTRIBUTION OF PRIZES

The annual Salvation Army Christmas Tree and Distribution of Prizes will be held this year in the S.A. Hall, Timmins, on Tuesday evening, Dec. 23rd. The event will commence at 7.30 p.m., and as usual will prove an interesting and pleasing time, especially to the young folks.

PARTICULARLY FINE FARM FOR SALE BY AUCTION

An auction sale of patented farm land is announced for Wednesday next, Dec. 3rd, at 1.30 prompt, on the land on north side of the Skating Rink, Timmins. The land to be sold is particularly desirable, being all on this side of the river and accessible by good motor road, open summer and winter. There are good buildings on the property, including a comfortable dwelling house. Mr. T. O'Meara is the proprietor. Terms: half cash, with balance on yearly payment by mortgage. Mr. H. W. Warren, auctioneer, will conduct the sale.

SPECIAL FEATURE FOR SUNDAY'S BAND CONCERT

A special feature at the Band Concert in the New Empire Theatre on Sunday evening, after the church services, will be the singing of the Schumacher Choral Society. This musical organization is one of outstanding talent and will no doubt be particularly appreciated. The Schumacher Choral Society will open the new theatre at Schumacher early next month with a high-class entertainment and the preliminary appearance in Timmins of this musical group will be of special interest. In addition, Sunday evening's programme will include selections by a gifted tenor vocalist, as well as a number of selections by the Timmins Citizens' Band. There will be the usual motion picture films shown.

Use "Eplett's Dairy Products"

PASTEURIZED MILK

Use Eplett's Pasteurized Milk if you want healthy robust children. It's clean and properly handled. Do not have your children at home with measles, scarlet fever, mumps, sore throat, etc., etc. We naturally protect your health and your pocket book. What is more sickening than to have a card tacked on your door? This keeps the children from school and greatly inconveniences the parents.

Milk is nature's way to health, it is the most wonderful medicine and health restorer that doctors can recommend, but be careful of unclean milk. It carries disease more freely than any other liquid known. When the milk is pasteurized it kills bacteria of all kinds, even the dreaded tuberculosis which is transferred to the milk through the cow.

One of the worst enemies of milk is an unclean bottle. Eplett's bottles are all washed with electric power and sterilized with live steam, whereas the average dairy in small towns uses a basin of water and a brush and do not sterilize, and it is next to impossible to wash bottles thoroughly and have them clean. This amounts to other peoples' dirt carried to your door. Eplett's milk sells for 15½ cents per quart—The Cleanest and Cheapest Food known.

VELVET BUTTER

Have you ever heard your grandmother say "give that child a piece of good bread and "butter" as there is nothing better." It is often the case where children are given cake and cookies, that they cry and give trouble. A healthy child should be given plenty of bread and butter with milk. Scores of children will not eat bread and butter because at some time or other they have been given some bad butter on their bread.

Have you tried Eplett's Velvet Butter? With your next order of groceries try a pound and notice the fresh taste also note that it is not greasy but that you can taste the salt, and when you cut into it small particles of moisture will gather. If you like the butter demand it when ordering again.

ICE CREAM

Do you use enough Ice Cream? Do the children in your home have it occasionally as a "surprise" for their supper? And did you ever realize what a real dessert it is. Nearly all the Ice Cream Parlours have it in the winter months, because they have people who serve it several times a week.

Eplett's Ice Cream is delicious when served with cake at the afternoon teas, and what makes a more pleasing dessert for the house party; it is so easy to serve and the best of it is, that every one is pleased when it is served simply because it is so palatable and refreshing. Have you tried our small gallon cans, they are packed in ice and delivered to your door and will keep hard for three or more hours.

Did you know that one of the very first things that a real sick persons can have when recovering is Ice Cream. Doctors will tell you that it is nourishing and is a body-builder. Ice Cream is nothing more than sweet cream-sugar-and the pure extract of oil. It is then scientifically frozen and kept under strict sanitary conditions. Could you name any other food which you could serve to your children with as much nourishment.

BRICKS and BARS

We have started making "Polar Bars." Have you ever tried one? Polar Bars are a real winter delight and once that you eat one you will ask for more. "Polar Bars" are made by dipping a small piece of Ice Cream into a pot of hot chocolate then placing into the cold storage to harden. They are then wrapped and are ready to be eaten. Try one—you will like them.

Eplett's Bricks can be purchased from any of the leading Ice Cream Parlours. Take one home for the children and see how they will enjoy it. On December 1st, every brick will have a coupon attached. The coupon is worth five cents and on the back of same you will find a list of articles that you can get by returning same to our factory in town. The Silverware is the "Rodger's No. 1" and the latest pattern. If you are not satisfied with the silverware return it and we will pay you cash for the coupons. Watch for Cabinet of Silverware in Windows.
