CHARGED WITH HUGE SWINDLE

Leo Koretz, alias "Lou Keytes," was arrested in a hotel in Halifax, N.S., and is wanted in the United States in connection with a gigantic land swindle, involving \$2,000,000. He cut a wide swath in Nova Scotia society and is said to be one of the smoothest and most resourceful confidence men in the United States. A reward of \$10,000 was offered for his apprehension. This photo was taken immediately after his arrest. The beard is a disguise.

VIOLIN PARENTS READ THIS!

CONSERVATORIUM OF MUSIC.
HENRI VERBRUGGHEN, DIRECTOR.

Sydney, Australia, 5, 8, 1920.

I have much pleasure in recommending Mr. Bell as a Violinist and Teacher. He has had a long course of work with myself, besides which he has had experience both as a teacher and orchestral player as above. He can play good solos and will be an acquisition to the social life of Inverell.

A few of this World-Known Solo Violinist's Comments.

There are a thousand violin systems by our greatest masters, but only ONE METHOD. The systems are merely interpretations of the one correct method. That one correct method can only be taught by the thoroughly trained teacher. The Piano stands up, the Violin and Bow must be held. The importance alone of holding the Violin and Bow correctly at the beginning (and later in higher positions) is so great that to allow untrained "teachers" to interpretate the many technical difficulties of this instrument is an outrage to the public. Their pupils may APPARENTLY "play well," but their difficulties would be greatly reduced if they had been trained correctly and their playing quite 200 per cent. better.

CYRIL MONK.

NOTE

I can prove in one minute that your children are not being taught correctly. I will astound you. I have pupils transferring weekly. Their Parents are indignant. Don't hesitate to call. I will open your eyes.

Terms—\$1.00 per lesson.

PRIZE DOGS FROM TIMMINS BIG WINNERS AT WINTER FAIR

Brief reference was made last week to the success won at the Royal Winter Fair at Toronto by thoroughbred dogs owned by Messrs. J. N. Levine and J. Massie, of Timmings. The brief reference scarcely did justice to the success achieved.

Mr. Levine's fine collie won five firsts and a special for the best collie in the show, beating an imported dog from England among other fine canines at the show. The judge referred to Mr. Levine's dog as one of the very best collies he had seen in years.

The judge also was particularly

pleased and impressed with Mr. Massie's "Northern Bluebell," the fine little cocker spaniel that won a first and three second places in competition with a big array of fine dogs. "Northern Bluebell" was also Reserve Winner and winner of two specials. The National Kennel Club cup for the best cocker spaniel in the show, owned by a member of the Club, went to Northern Bluebell.

The Haileyburian last week says:—"Barney Cullen shot a large timber wolf last week-end about 20 miles west of town near the Montreal River. This is the first wolf that has ever been heard of in the vicinity for a number of years."
