NOVELTY NIGHT TO BE AT A.S.D. CLUB ON DEC. 17th

Pleasant Meeting Last Wednesday. No Meetings for Last Two Wednesdays This Year.

Another pleasant evening was enjoyed by all attending the weekly meeting and dance of the A.S.D. Club held in the club rooms in the I.O.O.F. Hall here. There was a fair attendance of members present and though there were no special dances it was nearly one o'clock when the dancing stopped. A Paul Jones, under the direction of Mr. Robt. Hoggarth, was the feature of the evening. A ladies' tag fox trot and a gentlemen's tag fox trot were also much enjoyed. The music for the dancing was furnished by Mr. "Ted" Whaley, violin; Mr. Gordon Torrance, drums and Mr. Walter Devine, piano. Refreshments under Miss Rhoda Macleod's direction were as usual an enjoyable part of the evening's programme.

Mr. A. E. Riddell, the President of the club, in a few words welcomed the new members to the club, and emphasised for their benefit some of the more important of the club rulings, which the older members are already familiar with. He also announced that Whaley's Orchestra would provide the music for the At Home at the Masonic Hall this Friday evening, and that invitations had been sent by the Committee in charge to all the friends of members whose names had been handed in.

The meeting this evening will be in the form of a Bridge Party, a short dance will follow the bridge. Miss Mary Gray and Messrs. H. Austin and C. G. Pirie are in charge of the evening's programme.

At a meeting of the Executive Committee of the club held on Sunday afternoon it was decided that for December 10th the club would hold their usual weekly dance, and on the 17th hold a Novelty Night. There will be no dances the last two weeks in December; due to the holiday season and the absence from town of large numbers of the members it was deemed advisable not to hold the usual dances these two weeks. The question of club colours was again brought up, and a club crest. These matters were left over until later in the season. The Revised By-laws and Constitution of the club, which were drawn up by the officers of the executive were submitted. These will be read at the meeting this evening, and in the near future it is the intention to have these printed and handed out to each member on joining the club.

The list for lady members of the club is now filled, and though there are yet a few vacancies on the gentlemen's list, it is expected that this will be completed in the near future, when all applications for membership will be placed on a waiting list, until vacancies occur in the club membership, when admissions will be made according to priority.

RIPE BLUEBERRIES IN NORTH LAND ON NOV. 26th.

Recently The Advance has had repeated references to the shifting of the "Fruit Belt" to this North Land. "Yes, We have No Bananas! But We Have Blueberries Growing Outdoors on November 26th." Just read this from the last issue of The Haileyburian:—"Ripe blueberries on November 26th is the latest sign of the changes which are taking place in the climate of the North Country. Mrs. Jack Childs brought to The Haileyburian office yesterday a small box filled with the fruit, which was only slightly touched by the frost but was perfectly ripened. They were picked by Mrs. Child's at Fleming's Corner's yesterday morning, November 26th. The fact that wild fruit has ripened at this time of year is proof of the mildness of the season, and will raise hopes that the winter is not going to be a severe one."

Mr. Wm. Short, of Haileybury, has been appointed sub-collector of Customs at Cobalt to fill the vacancy caused by the retirement of Mr. Myles Bourke, which was recently announced. Mr. Short has spent years in the Civil Service and he has won his promotion on merit.

Her Friends Gave Her Up "I was badly run down after having 'flu, pneumonia and pleurisy," writes Mrs. Baxter

To have 'flu alone is surely bad enough, but to have 'flu with pneumonia and pleurisy is in most cases fatal. Even 'flu itself after it has run its course leaves the system in a weakened, depressed, nervous, run-down condition, but few are able to fight 'flu, pneumonia and pleurisy, and live to tell the tale. No wonder Mrs. Baxter was given up when she had 'flu, pneumonia and pleurisy. No wonder after having had these dreadful afflictions she was terribly run down. The mystery is how she ever survived. But we will let Mrs. Baxter tell you her story in her own way.—"I want to tell you what Carnol has done for me and mine. I was badly run down after having 'flu, pneumonia and pleurisy. My sister advised me to try Carnol. She used it both for herself and her daughter and both were completely relieved. I have now taken five bottles of Carnol and can say I never enjoyed better health. My daughter is also taking it for a spring tonic. I advised a neighbour to give it to her little girl who has had bronchitis from birth and she is getting well. We all praise your wonderful medicine and only hope it will do as much for others as it has done for me and mine. A long life to Carnol!"—Mrs. E. E. Baxter, R.R. No. 2, St. John County, New Brunswick.

Carnol is a wonderful tonic and gives marvellous results in all weakened and run down conditions, because its ingredients are the finest tissue, nerve and blood builders, and are known to every doctor in the medical profession, full particulars of which will be found in every circular accompanying a bottle of Carnol. 6-24

Every Month

A Cheque For a Definite Amount Every Month.

One Hundred Dollars Guaranteed Every Month of Her Life By The Confederation Life Association

FOUR years ago, an Ontario business man, being well, strong and insurable, took out a Monthly Income Policy in the Confederation Life Association. Two and a half years afterwards, he died. For the past eighteen months his widow has been receiving, regularly each month a cheque for \$100.00.

This income is guaranteed to her for life. If she should die before she has received 240 monthly instalments, that is, before 20 years are up, the remainder of the 240 instalments will be paid to her heirs. This monthly income is not an isolated example. Many others are receiving monthly cheques—some for more—some for less.

If you would like to provide an income such as this for your wife, mother, or other beneficiary, or if you would provide such an income FOR YOURSELF for life after a term of years, write for particulars and find out for how small a yearly deposit you can receive this and many other benefits.
