SERVICE that wins

It would be impossible to find more satisfied traders than those we call our customers. It is service that wins. In service we plan to please you at any cost to ourselves. Bring your trade to us and we will certainly send you away satisfied to come again.

The Safest Way to be Safe

You never can tell when injury will overtake you or the children.

Even the slightest pin-prick may cause infection.

Always have on hand a good antiseptic, plenty of powder, plasters and Johnson & Johnson's Red Cross Absorbent Cotton. This is very important.

Your Doctor

He doesn't shout his own praises—he does not boast of what he does—but there hangs a diploma in his office that cost him years of hard work, and since he hung the diploma there, he has put in other years of still harder work, and when he writes out a prescription for medicine for you or anyone else, we, as druggists, feel that it is due to him, as well as to you, to make that medicine thoroughly worthy of him.

That is why we put into every prescription that is sent to us by your doctor :

1. The very best of drugs.
2. The most exacting, conscientious attention.
3. The most painstaking accuracy in writing out directions so that you will have no difficulty in understanding the doctor's instructions about taking.

Timmins and District Notes

Mr. Steve Monk left this week for a visit to Nova Scotia.

Messrs P. Dougall, James Ral and Harry Austin were visitors North Bay last week.

Mrs. Geo. Dalgarno and little girl, now of Toronto, are spending a week or two the guests of friends in Timmins.

Mrs. Geo. Lake was a week-end guest of Mrs. R. E. Sullivan, Kirkland Lake.

The next regular meeting of the Town Council is scheduled for Monday afternoon, January 26th, commencing at 4 p.m.

Mr. J. E. Cooper, of the Carson Barber Shop staff, was called to his home in Nova Scotia this week owing to the illness of his father.

In referring last week to the T. & N.O. Railway schedule for the winter, it might perhaps have been as well if The Advance had added that the Sunday train leaves here at 12.30 p.m.

Announcement is made by the Hollinger Consolidated Gold Mines, Limited, of Dividend No. 132, payable on Jan. 28th, to shareholders of record Jan. 12th.

Mr. O. C. Frood, formerly manager of the Timmins store of the Geo. Taylor Hardware Co., and now with the head office of that company is one of the new Town Councillors elected last week at New Liskeard.

The many friends of Mr. L. R. Scott, of the Post Office staff, will be pleased to learn that he is now recovered from his illness of the past two weeks.

The annual Burns Banquet, under the auspices of the Caledonian Society of Timmins, will be held in the Hollinger Recreation Hall, on Friday evening, Jan. 23rd. The catering for the event has been placed in the hands of the Ladies' Aid of the Presbyterian church, so there is absolute assurance that the supper will be specially good. The programme being prepared for the occasion will be up to the same high standard. Tickets are now on general sale for the event.

A lady called up The Advance last week and said: "Will you please take out that advt. for a girl. I had a girl the day after the first paper came out. Your advts. bring good results and bring them quickly."

The last issue of The Pas (Manitoba) Herald to hand says: "Mr. and Mrs. W. Russell leave on Friday's train for Timmins, Ont., where they will reside in future—until they make up their minds to return to the Pas. We will miss Bill's radio, but we will not again be called out of bed at 1 a.m. to listen on the phone to a concert in Los Angeles."

The Northern Lights Chapter, Royal Arch Masons are holding a dance in the Masonic Hall this evening, open to members of the R.A.M. and A.F. & A.M. Invitations have been issued for this event.

At 7 minutes past nine on the morning of January 24th comes the first total eclipse of the sun to occur in Ontario in 500 years. A Cobalt man is the only old-timer claiming to see the last one. The eclipse on the 24th will last for one minute, during which, the astronomy sharks say, there will be complete darkness. The light will very soon begin to return, however, and by 10.20 or so the whole affair will be completely over. The event, so the astronomy sharks say, begins at 7.50 a.m. and gradually works up to the minute of total darkness. One Irish astronomer says the minute of darkness will be seen in the North.

Mr. A. W. Pickering is a Toronto visitor this week where he is attending the Provincial Convention of Underwriters. While in the south Mr. Pickering will visit at his home at Zephyr, Ont., returning to North Bay for the District Convention of Life Underwriters.

Mr. and Mrs. J. Hall, left this week for their old home in Scotland. Mr. Hall for the past couple of years has been a draughtsman at the Hollinger office, and during their stay in town, he and Mrs. Hall made many friends. They were presented with honorary membership in the Caledonian Society last week and best wishes extended to them for their happiness and success.

A number of the Past Masters of the district are going to attend the installation of officers at Abitibi Lodge, A.F. & A.M., Iroquois Falls on Friday evening of this week. Other members of the Order will also visit the Falls for the occasion, the event being of general interest and all members of the Craft finding a ready welcome and the regular Iroquois Falls hospitality and good fellowship.

The Cost of Good Glasses

is not very much greater than that of inferior glasses. It is, in fact, a small consideration when compared with the vast amount of eye comfort which one enjoys from wearing one's own exact prescription, accurately ground and correctly fitted.

We prescribe and make glasses that are absolutely correct in every particular.
