**One Bottle of Carnol relieved his weakness**  
Three bottles of Carnol restored him to perfect health  
Don't let yourself get run down. When you do, your system is weakened and you are likely to take anything that is going. If you feel tired, depressed, weak, nervous, watch yourself. These are the warnings to you that something serious may follow. It's at a time like this that you need a tonic, something which will tone up your system, purify your blood, quiet your nerves, give you strength. This is the way Mr. Collins felt before he took Carnol. He says:—"I was in a run down condition. For six months, I was very weak and suffered from loss of appetite. I tried all kinds of drugs I thought might possibly bring relief, but without success. Then I met a friend. After stating to him my condition of health I referred to different drugs I had taken without benefit. Then he advised me to try Carnol immediately. He told me not to spend another cent for useless drugs that would not even bring temporary relief. Then I purchased one bottle of Carnol which relieved me of my weakness. After taking three bottles the blessings of health, which I formerly enjoyed, were again restored to me. As a builder and uplifter when weakening conditions exist, there is nothing equal to Carnol. I can boast of my health now. I cannot express or find words to praise Carnol for all the good it has done for me. I have proof of what it can do and advise all suffering under such conditions to give Carnol the first trial. A trial will convince you and if continued will bring permanent relief. It will bring back to you the best health you once enjoyed."—Mr. R. G. Collins, 130 Richmond Street, Sydney, N.S. 2-24

**Many Generous Bequests In Will of Late Mr. Dunlop**

Trustees of Church at Timmins to Receive \$2,000.00 for Church. Toronto University, General Hospital, Missionary Society, and Haileybury Church Also Remembered. Widow and Son Receive Annuities.

During his lifetime, the late Mr. D. A. Dunlap, for many years a director of the Hollinger Consolidated Gold Mines, was noted for his generosity to worthy causes. A Timmins citizen who knew him well remarked some weeks ago on the thoughtful generosity always shown by Mr. Dunlap. "Any worthy cause had a ready and generous friend in D. A. Dunlap," said this citizen, who supported his suggestion by quoting long lists of donations and benefactions by Mr. Dunlap. Mr. Dunlap's thoughtful generosity is further shown by his will recently entered for probate at Toronto. Last week the Toronto newspaper made reference to the probate of the will, application for the probate being made by the executors, Mrs. Jessie D. Dunlap and Mr. John B. Holden.

One newspaper gives details of the will in full. The will, which bears date the 12th—January, 1924, deals with an estate valued at approximately \$5,800,000, consisting of household goods and chattels and personal effects \$20,000; life insurance \$20,000; accounts receivable \$10,000; real estate \$100,000; victory bonds \$225,000; and bank stocks and other stocks \$5,150,000, besides a number of smaller items, making up the total. The real estate consists of the family residence, 93 Highlands avenue, Toronto. Under the item banks stocks and other stocks is included the interest of the testator in the Hollinger Consolidated Gold Mine.

Mrs. Dunlap and the testator's son, David Moffat, each receive an annuity Mrs. Dunlap is also given the family residence at 93 Highlands avenue, Toronto, the summer residence in Pontiac county, Quebec, and Don Alda Lodge and farm in York township, together with the contents of each house for her own use absolutely. Bequests are then made to relatives and friends of the deceased, and to members of the household staff in his employment at the time of the testator's death, on the 30th day of October last.

These bequests are followed by gifts to various charitable, educational, and religious institutions, amounting in all to about \$1,250,000, made up as follows:

Toronto Young Men's Christian Association, \$50,000, as a capital or endowment fund.

Board of regents, Victoria University, \$250,000, to be added to and form part of the general endowment fund.

Trustees, Toronto General Hospital \$250,000, to be added to and form part of the general endowment fund. University of Toronto, for medical research work, \$100,000.

The Missionary Society of the Methodist Church of Canada, \$250,000, as a capital or endowment fund, one-half of the income from which is to be devoted to home missions and the other half to foreign missions.

The Methodist Union of Toronto, \$75,000, as a capital or endowment fund.

The Protestant General hospital, Pembroke, Ontario, \$25,000, as part of the general endowment fund. The board of trustees, Sherbourne street, Methodist Church, \$12,500. The trustees of the Union Church at Haileybury, \$5,000. The trustees of the Union Church at Mattawa, \$2,000. The trustees of the Union Church at Timmins, \$2,000.

The testator defines 'union church' as "the church officially constituted to represent the Methodist, Congregational and Presbyterian denominations after the union of these churches now under discussion has been consummated, or which may be formed by the action of the trustee boards of said respective churches in said places respectively."

The executors and trustees of the will are also authorized to expend a sum not exceeding \$25,000 to advance the cause of temperance, a sum not exceeding \$10,000 to advance the cause of mental hygiene, represented by the Canadian National Committee for Mental Hygiene, a further sum not exceeding \$10,000 to advance the cause of social hygiene, and to complete the payment of any subscriptions or promises towards educational, charitable or religious purposes, objects which may be income at the time of the testator's death.

Under the will the trustees of St. Andrew's College were given \$50,000 as an endowment or towards the building fund, but this bequest was revoked by a codicil in consequence of a contribution of \$150,000 made by the testator a few months before his death towards the cost of the administration or central building of

the new St. Andrew's College at Aurora.

The will expressly authorizes and empowers the executors to postpone the payment of any legacy, bequest or annuity to an individual until such time as the condition of the estate in their discretion warrants them paying same. Legacies to individuals may in the discretion of the executors be paid before those to or for any religious, educational or charitable purpose or object, and the executors and trustees may in their discretion determine the order of payment of the various legacies and bequests to either individuals or for educational, religious or charitable purposes.

After payment of the debts and funeral and testamentary expenses and Succession Duty and the legacies, bequests and annuities contained in the will, the residue of the estate is to be divided into three equal parts or shares, two of which are given to the wife and the other to the son.

Mrs. Jessie Donald Dunlap, Mr. John Bell Holden, barrister, and the testator's son David Moffat Dunlap, if and when he attains the age of twenty-five years, are appointed executors and trustees of the will. Provision is also made in certain contingencies for the appointment in such capacity of Mr. James Y. Murdoch, of Toronto, barrister, and the Toronto General Trusts Corporation.

**STANDING INVITATION TO TIMMINS CURLERS.**

The New Liskeard Speaker last week says:—"Judging by the curling comments in last week's Porcupine Advance, the curlers of that town are a live bunch. The magnificent rink now available at the golden city, together with the many conveniences enjoyed by the members of the northern curling club, tends to make the organization one of the most popular in the north country. The many members are to be congratulated on "getting in on the ground floor," and the waiting list is sure to grow. A standing invitation is extended to the Timmins curlers to come down and take a fall out of the New Liskeard boys at any old time. The same invitation stands for the newly organized club at Englehart, as well as any other curlers in the north."

**COMPLIMENTS TRAVEL FAR FOR CHRISTMAS EDITION.**

The Advance has received innumerable compliments on the issue of this paper for Dec. 24th, 1924. Perhaps, the best compliment has been the number of requests from far and near for extra copies of the issue. The words written and spoken, however, have been very gratifying, and among the many tributes by other newspapers none have been more generous than the extended reference by The St. Mary's Journal Argus. In a lengthy editorial The Journal-Argus refers to the annual review of the Town of Timmins as given by The Advance. "The Town of Timmins, the Bright Star of the North," is The Journal-Argus heading for its editorial. The St. Mary's paper gives a comprehensive review of the Town of Timmins, summarized from the article in The Advance of Dec. 24th. The St. Mary's Journal-Argus is published and edited by Mr. John W. Eedy, who spent some time in Timmins last year as the guest of his daughter, Mrs. Arch. Gillies. He has taken particular care and interest in enlightening his wide circle of readers on the wonderful prospects and possibilities of Timmins and the North. The editorial in question concludes with the following flattering reference:

"There is possibly no institution in the town in which citizens take greater pride than in their home paper, the Porcupine Advance, which is one of the best edited newspapers in Northern Ontario, and has a plant which will favorably compare with that of any town in the Province. The publisher, Mr. Geo. Lake, and the editor, Mr. G. A. Macdonald, are both wide-awake business men who keep a finger day and night on the pulse of the municipal, political, mercantile and social life of the community."

After that, why should anyone care a snap about what The Toronto Wolf Star may say?

Miss Mary Downey returned last week from a visit to friends at North Bay, Haileybury and other points.
