**IMPORTANT CASES WERE  
REMANDED TO THIS WEEK**

There were a number of cases for last week's police court, but the more serious charges were remanded to this week. These more serious charges are connected with the rounding-up by the police of several women and girls on charges of vagrancy and disorderly conduct. At police court last week a couple of the young girls were allowed their liberty on their parents agreeing to take charge of them. One woman accused by two girls of procuring, or attempting to procure, was acquitted, the only evidence against her being that of the girls whose testimony did not seem to be very dependable. Another young woman is held on a vagrancy charge and will come up tomorrow (Thursday). Two taxi-drivers, whose homes are in South Porcupine, were arrested last week and are in jail here waiting trial on what are understood to be serious charges arising from alleged complicity in immoral traffic. Two girls are also in charge of the Children's Aid Superintendent, following disclosures said to be made in the police investigation. A man who has been living in Timmins for some time past was also placed under arrest in connection with the alleged illegal and immoral trafficking. This man may also face another charge of impersonating a police officer, it being alleged that he displayed badges and otherwise posed as a law officer. This man is at present out on bail. Another local man is in the cells, the charge against him arising from information given against him by two girls around thirteen years of age. Mrs. O. Jansen was sentenced to a three months term for disorderly conduct, the charge arising from her improper behaviour in a place having a standard hotel license.

Six Chinamen charged with gambling each paid \$10.00 and costs, the cases resulting from a raid made some days previously by the police. Three drunks paid the customary \$10 and costs. A breach of the Motor by-law brought a penalty of \$1.00 and costs.

In addition to the remanded cases, there is only one lone drunk to come before Magistrate Atkinson tomorrow. The remands, however, will likely make it a busy court. It may be noted that some unfounded stories are being circulated as to who is and

**Automobile Damaged By Fire  
at Schumacher on Monday**

**Formal Call Extended by Union Church, Schumacher, to Rev. C. Armstrong Sales, Minister in Charge for Past Year. Other Items of Interest from Correspondent at Schumacher.**

Schumacher, January 27. Special To The Advance.

Mr. A. Dorfman, of the Huronian Belt Co., Toronto, was in town last week. We are always pleased to have Mr. Dorfman pay us a visit.

Mr. and Mrs. Alfred Rippon, two of our well-known and highly esteemed citizens, left last Friday for Ottawa. Mr. Rippon has been suffering from ill health for some time and upon his arrival in Ottawa will enter a hospital for special treatment. Upon his recovery, he and Mrs. Rippon will reside permanently with their son, Mr. James Rippon of the Civil Service, Ottawa.

Many of our citizens attended the Burns Banquet held in Timmins last week and report the usual good time.

Mr. F. Y. Uttley, made a business trip to Haileybury on Wednesday.

We regret to report the illness of Mrs. James Shewan with a slight attack of la grippe.

Mrs. Mitchell, North Bay, is visiting her daughter, Mrs. Church, Third Avenue.

Mr. and Mrs. Plowman, who have been visiting for the past month with their daughter, Mrs. S. Tennyson, left last week for their home in Marmora.

Miss Susie McLean is ill with la grippe.

Our main street was the scene of considerable excitement on Monday evening about four o'clock, when a fine Studebaker car belonging to Mr. McDonald, was discovered on fire in the Schumacher Garage. Our efficient fire-brigade promptly responded to the alarm, and the fire, which might have developed into a serious conflagration, was soon extinguished. The automobile was damaged to the extent of three hundred dollars.

Our long-looked for eclipse was eclipsed by the clouds.

Mrs. Hughes, of Toronto, is visiting her mother, Mrs. Barnett.

Mrs. Calverley and daughter, Ivy, left on Monday for Toronto. Miss Ivy will undergo further treatment at the Hospital for Sick Children.

Mr. Alex Fulton, of Sault Ste. Marie, has moved his family to town and is residing in the Sterns Block.

Mrs. J. McPherson, of Gold Centre, went to Toronto on Monday to visit her husband who is ill in St. Michael's Hospital. We hope for his speedy recovery and their early return to the Camp.

Miss Roberts, Principal of Smooth Rock Falls school was the guest of Miss Ida V. Cole last week.

Rev. J. A. MacInnis, B.A., B.D., of New Liskeard, Moderator of the Presbytery of Temiskaming, conducted the services in the Union church on Sunday, while Rev. C. A. Sales occupied the pulpit of the Presbyterian church at Liskeard. The people of Schumacher, appreciated very highly the eloquent, and impressive sermons of the visiting pastor, and hope to have the privilege of hearing him many times in the near future.

At a special meeting of the congregation held at the close of the evening service and presided over by Rev. J. A. MacInnis, it was decided to extend a formal call to Rev. C. Armstrong Sales, the minister in charge of Union Church during the past year. The induction will probably take place during the second week in February.

We regret to report that Mr. Chas. Juetsch, our popular fire-chief, and member of the staff of McIntyre Mercantile Co., has gone to Toronto, to receive special treatment at the General Hospital. His return, and restoration to good health will be good news for his host of friends.

Miss Mary Downey, of Timmins, spent a few days with her friend,

who is not connected with the charges arising from the alleged immorality cases. Some names are being used without justification or excuse by people who appear to be very careless, to say the least. It might be added that the situation as it appears seems to be bad enough without making it worse by false stories and unwarranted assertions.

**PROSPECTOR'S COMPETITION.**

The Ontario Mining Association is offering a prize of \$125.00 to prospectors, for the best report on a mining property, under the following conditions:—

The competition is open only to bona fide Ontario prospectors, holding an Ontario Miner's license, who have staked claims in Ontario, and is not open to engineers.

The report must refer to some particular location in order that the judges may properly estimate the value of the information given respecting location, transportation facilities, etc., but the information regarding veins, assays and work done need not be accurate for any particular claim.

The report may be accompanied by maps, and must be in the hands of the Secretary of the Ontario Mining Association, 302 Bay Street, Toronto, not later than April 30th, 1925.

The judges will be:—Dr. J. Macintosh Bell, Mr. R. A. Bryce, Mr. M. W. Summerhayes.

The idea of the competition is to try and help prospectors to present their facts in a clear and convincing way so that possible purchasers of claims may be given all the essential information. From the reports submitted it is hoped to evolve a skeleton form on which all necessary information regarding any ordinary property could be given, under different headings.
