TWO CHIMNEY FIRES ON SATURDAY OF LAST WEEK.

The Fire Brigade had two calls last Saturday. One was at half past ten in the morning, to the residence of Mrs. Grandhois, 68 Birch Street, South. This proved to be only a chimney fire, and one that did no damage. There was another similar chimney blaze at about 8.40 p.m., when the firemen were called to Mr. Scocco's, at the rear of Orlando's store, Pine street, Moneta. Despite the heavy storm in progress at the time the firemen made a very good run. This chimney fire, like the one in the morning was not dangerous, and no damage was done.

It may be interesting to note that since December 15th (the end of the Fire Dept's year) there have been no less than 16 calls answered. Of this number only two have been fires with losses. The total loss from the two fires referred to will be about \$2,850. One house was burned causing a loss of about \$2,700.00, and the fire at the Porcupine Garage incurred damage to the extent of \$140, or \$150.

Mr. and Mrs. J. Easterbrook left on Saturday their old home in England. They have made many friends in the Camp who will wish them a pleasant voyage and all happiness and success in the future. Mr. Easterbrook has been the drummer in the Timmins Citizens' Band and was very popular with all his fellow bandsmen.

SUNDAY NIGHT'S BAND CONCERT ONE OF BEST YET.

The Goldfields Theatre was filled to capacity Sunday evening for the first band concert to be given in this new theatre by the Timmins Citizens' Band. The comfort of the upholstered seats and the excellent acoustical properties of the new theatre added to the success of the event. The construction of the new theatre is such that voices carry easily, and the various numbers on the programme were heard as plainly at the back of the hall as at the front, and upstairs as well as down. The President of the Band occupied the chair and thanked the large audience for its attendance and the general support of the Band by the people of the town. The programme was a particularly good one and was much appreciated from beginning to end. The larger stage and the construction of the hall favoured the work of the Band, all the various selections being well-received. Bandmaster Wolno and his men did effective work and pleased the crowd with the well rendered selections given. The Band numbers included:—March, "Distant Greetings"; overture, "Morning, Noon and Night in Vienna"; selection, "Les Cloches de St. Malo"; and overture, "Norma".

Miss Rosalie Robertson, a gifted young lady with an unusually sweet voice, well-trained, made her first appearance before a Timmins audience, and her well-rendered solo made a decided hit. She was enthusiastically recalled, and her responding number was equally popular. Mrs. Parker played the accompaniments for these numbers.

A vocal solo by Mrs. T. Twaddle was another effective number, the fine voice and the attractive selection alike pleasing the audience. Mrs. Twaddle received very insistent encore, her well-rendered selection being much appreciated. Mr. Twaddle played the accompaniments on the piano.

Bandmen Pappone won hearty applause with a well-rendered clarinet solo, the Band playing the accompaniment for this attractive number.

Mr. Trollope, of Schumacher, until recently an active and valued member of the Timmins Citizens' Band, gave a pleasing rendition of "The Flight of Ages," a solo that was much appreciated by the audience. Mr. Trollope's fine voice being heard to advantage. He was given an insistent encore.

The other vocal numbers were a solo by Mr. Smith and a duet by Messrs Smith and Hale. Mr. Hale is a teacher of vocalism, and Mr. Smith is one of his pupils. Mr. Smith has a rich and mellow baritone voice of much range and showing the effects of capable training. His solo Sunday evening was an outstanding number on a specially good programme. He won very merited encore, the number in response being a catchy duet by Messrs Smith and Hale.

The next Band Concert will be in the Goldfields Theatre on Sunday evening, Feb. 15th, after the church services.

(Mrs. H. McCulloch returned last week from a few months' visit to her old home in Scotland. Mr. McCulloch went to Montreal last week to meet the boat on which Mrs. McCulloch was returning.)

PORCUPINE LOSES BY BIG SCORE TO NEW LISKEARD

At New Liskeard Last Week Senior Team Lost to Tune of 17 to 4.

In the schedule N.O.H.A. Senior game at New Liskeard last Wednesday Liskeard defeated the Porcupine team by the unusual score of 17 to 4. The game was a poor one, Liskeard not even considering it a good workout. It was not the regular Porcupine team that made the trip, but just a bunch of players secured to fill the engagement. The local boys did not have a chance on this account, as Liskeard with a team accustomed to playing together, and most of them experienced adepts at hockey, naturally had it over the improvised team from Porcupine. There were only a couple of the regular Porcupine team on the line-up, the pick-up team including a Junior player. Liskeard scored about at will, tallying five in the first period, five in the second and seven in the third. The Porcupine boys got the whole of their four goals in the last frame. Carmichael was the only Liskeard player who did not score, and those at the game say that he did not try. At the end of the second period the score was 10-0 in favour of Liskeard. In the general despatch sent out from New Liskeard the game is summed up in the following paragraph:—"Timmins went at the game half-hearted after the first period Levine being the only one who was really trying all the time. Burke the goaltender is a novice, and looked it, and the rest of the team with the possible exception of Boland being in the same category.

The Liskeard team had plenty of opportunities to get away with solo and team work, and could easily have scored double the number of goals they did get, while Timmins was not value for a counter at any stage of the game." Under all the circumstances and conditions, it may be said that the team going down from here did well, but were in no position to stack up against an expert and experienced aggregation like the Liskeard team.

The following were the teams:—Porcupine—Burke, goal; Boland and McGillivie, defence; Levine, Davidson and Desormeaux, forwards; Whissell and MacDonald, spares.

Liskeard—McCann, goal; Smith Carmichael, defence; Thompson, Hogg and Spence, forwards; Austin and Jones, spares.

Referee—Mr. C. Kilpatrick, Sudbury.

PORCUPINE SKI CLUB TOOK INITIAL HIKE ON MONDAY.

The Porcupine Ski Club made its initial bow on Monday evening when a number of the members and their friends assembled at the Post Office for a hike to the country. The course taken by the Club for Monday led past Dalton's race track to Sterling's farm, and quite a crowd gathered to see them depart, the sight of twenty or thirty people on skis travelling through the streets being a new one, even for Timmins. Everyone reported a very enjoyable time, despite the below zero weather. The Executive of the Porcupine Ski Club

extend a hearty invitation to all enthusiasts of Ski-ing to be on hand at 7.30 sharp on Monday evening next, at the Oddfellow's Hall, Timmins, when the Club will proceed on another short hike, returning to the Hall for refreshments and dancing.

BOYS ACTIVE IN SELLING ISSUE OF \$8,500 IN BONDS

Dividends Assured Buyers in Better Citizenship and Manhood.

During the past few days a number of boys have been energetic and able in selling "bonds" at \$1.00 each for the \$8,500 issue required to finance the Boys' Work Programme in the Province. The lads in town and district are taking the campaign seriously and it will be well if the public take it equally seriously, for it is, most important and valuable. It is a plan under the auspices of the Boys' Parliament to finance the Boys' Work Movement. The Boys' Parliament holds sessions in the parliament buildings of five Canadian provinces during the Christmas holidays. Ninety-six boys from 17 to 20 years are elected by the districts of Ontario to represent them in the Tuxis Older Boys' Parliament. Keith Sterling was the representative for Porcupine last Christmas. The scheme is known as the Canadian Standard Efficiency Training Programme, and has two divisions, the Trail Rangers for boys twelve to fifteen years, and the Tuxis for boys fifteen to twenty-six. The elected members of the Boys' Parliament carried on a campaign and won their election in the same way as Provincial Parliamentarians do. The bills and resolutions of the Boys' Parliament have to do with the furthering and developing of the programme for older boys in Ontario and Canada. The four-fold scheme of boys' work (physical, mental, social and devotional) is in the hands of these older boys and promises great things for the development of the best in the coming men.

BASKETBALL GAMES ARE VERY KEENLY CONTESTED.

The handful of spectators who were lucky enough to witness the Basketball game last night between the Masons and the Night School were given a rare treat. Although the final score was 29-23 in favour of the Masons, the game was a rip-snorter all the way through, with the Masons having a slight edge on the play all the way through. Messrs Wolno, Fraser and Boyd starred for the winners, with Messrs Street and Jarrett also in good form. Parker and Brown were outstanding and McCann and Haines were a stonewall at defence for the Night School. Mr. Pow refereed a good game.

There will be another exciting game on Friday night between the Night School and the Hollinger Shopmen who were the champs of the first half of the schedule. The game will be at the High School at 7.30 p.m. sharp. Everybody come and see a fast game. Admission free and everybody welcome and sure of lots of interest.

own garbage cans which should be kept clean and disinfected with a solution of lime. Chloride of lime is supplied free of charge and can be had by applying at the City Hall. Tin cans and other dry garbage may be put in covered barrels or boxes or bags. Special attention should be paid to your yard. Keep it clean, and so avoid sickness and disease. Outside toilets should be fly-proof, and should be disinfected quite often. By Order of the BOARD OF HEALTH
