Her Friends Gave Her Up
"I was badly run down after having 'flu, pneumonia and pleurisy," writes Mrs. Baxter

To have 'flu alone is surely bad enough, but to have 'flu with pneumonia and pleurisy is in most cases fatal. Even 'flu itself after it has run its course leaves the system in a weakened, depressed, nervous, run-down condition, but few are able to fight 'flu, pneumonia and pleurisy, and live to tell the tale. No wonder Mrs. Baxter was given up when she had 'flu, pneumonia and pleurisy. No wonder after having had these dreadful afflictions she was terribly run down. The mystery is how she ever survived. But we will let Mrs. Baxter tell you her story in her own way. "I want to tell you what Carnol has done for me and mine. I was badly run down after having 'flu, pneumonia and pleurisy. My sister advised me to try Carnol. She used it both for herself and her daughter and both were completely relieved. I have now taken five bottles of Carnol and can say I never enjoyed better health. My daughter is also taking it for a spring tonic. I advised a neighbour to give it to her little girl who has had bronchitis from birth and she is getting well. We all praise your wonderful medicine and only hope it will do as much for others as it has done for me and mine. A long life to Carnol!"—Mrs. E. E. Baxter, R.R. No. 2, St. John County, New Brunswick.

Carnol is a wonderful tonic and gives marvellous results in all weakened and run down conditions, because its ingredients are the finest tissue, nerve and blood builders, and are known to every doctor in the medical profession, full particulars of which will be found in every circular accompanying a bottle of Carnol. 6-24

Attention! Householders!

Re Garbage

All table garbage should be wrapped in paper and placed in a covered garbage can. Garbage does not include ashes and chips and these must not be put in with garbage.

See that all lids are kept on your cans and that all doors of your toilets are kept closed.

Householders must supply their own garbage cans which should be kept clean and disinfected with chloride of lime.

Chloride of lime is supplied free of charge and can be had by applying at the City Hall.

Tin cans and other dry garbage may be put in covered barrels or boxes or bags.

Special attention should be paid to your yard. Keep it clean, and so avoid sickness and disease.

Outside toilets should be fly-proof, and should be disinfected quite often.

By Order of the BOARD OF HEALTH

Report and Honour Roll of Timmins Public Schools

Standing of Pupils in the Various Classes at the Central, Moneta, Vimy and Mattagami Public Schools for the Month of January. Total Enrolment for the Month, 1013.

 R. M. Smith, Dist. Manager, 52 Main St., W., North Bay.

Its creamy richness gives every dish an added flavor. And it is such a dependable milk, always available when you want it, and always the same pure country milk from selected dairy herds. Use it daily for every milk need and have a few tins in reserve—it keeps indefinitely without ice in the unopened tin.

Tall size—makes a quart—on sale today—all grocers.

The Borden Co. Limited MONTREAL

Send for free illustrated recipe book.
