**Mr. Chas. Jucksch, President of Temiskaming Firemen**

**Successful Annual Meeting of Association at Ansonville Last Week. Many Important Questions Dealt With. Good Attendance, and Many Evidences of the Hearty Interest of the Fire-fighters in the Welfare and Protection of the North Land.**

The annual meeting of the Temiskaming Volunteer Firemen's Association was held on Thursday last at Ansonville. There was a large attendance of delegates from all the fire brigades in this part of the North Land, every brigade being represented excepting Timmins, and some of the towns also being represented by their Reeves or Mayors and the Chairmen of the Fire and Light Committees. Schumacher had three representatives present, and so did South Porcupine. Among the well-known old-time fire-fighters present were:—Chief Caswell, Mayor Drinkwater, Councillor Ivy, Mr. Sorgat, Cochrane; Chief T. H. Wilkes, Iroquois Falls; Chief Mongeon, Ansonville; Chief H. Wilson, Max Smith, W. Skinner, South Porcupine; C. Arnott, J. Muskett, Schumacher; Chief Merkley and Mr. McArthur,

Haileybury; Chief Matheson and W. Warren, Cobalt; J. Evans, Kirkland Lake; F. E. Thompson, New Liskeard and many others.

The Association dealt with a large number of important topics when it opened under the chairmanship of President Merkley, of Haileybury. The opening prayer by Rev. Mr. Price was a feature that impressed all the Firemen present by its earnestness and eloquence. President Merkley conducted the proceedings with signal tact and ability, some of the questions being rather contentious. Among the matters touched upon were:—Chimney sweeping, Cellar Refuse, Shingle Roofs, Tar Paper walls, Gas pumps for forest fires, the Forest Menace, and the Cochrane Protest regarding the awarding of prizes at the last Tournament.

The Cochrane Protest looked for a time as if it might develop heated words, but all concerned, fortunately, were so friendly and so sincerely desirous of the best interests of the Association that the discussion eventually resulted in the matter being settled with the agreement of all parties. As Chief Merkley was representing Haileybury and Haileybury was concerned in the protest, Mr. Max Smith was asked to preside for this part of the proceedings, which he did tactfully and effectively. The matter was decided by Haileybury being confirmed in the possession of the Banner for last year, while Cochrane was awarded the Shield for points, the Fire Chief's Race not being included as it was put on by the Local Sports Committee. Cochrane based its protest regarding the banner on the fact that the timers' watches did not agree, the one watch being admittedly out of order and the other two not synchronizing. The constitution, however, put the decision of the judges as final, so the matter naturally had to rest as it was. After a lengthy discussion, all were pleased with the settlement amicably arrived at.

The following officers for the Association were elected for the ensuing year:—President—C. Jucksch, Schumacher. Vice-Pres.—H. Wilson, South Porcupine. Secretary—F. E. Thompson, Liskeard. Executive—Chief Mongeon, Ansonville; Chief Matheson, Cobalt; Mr. McArthur, Haileybury; Chas. Arnott, Schumacher; Max Smith, South Porcupine; Chief Borland, Timmins; Jenkins Evans, Kirkland Lake; Mr. Ivy, Cochrane.

A hearty vote of thanks was tendered the officers for the past year for the splendid service given. Mr. F. E. Thompson, New Liskeard, who has been the capable and untiring secretary since the organization of the Association, was given particular complimentary reference, and on motion, passed unanimously, was elected a Life Member of the Association.

It was decided to hold the annual Firemen's Tournament this year at South Porcupine. The Tournament last year was to be at South End, but was eventually switched to Cobalt on account of the big Old Boys'

**BUCKLEY'S BRONCHITIS MIXTURE**

RESULTS GUARANTEED  
FIRST DOSE  
BRINGS RELIEF

Re-union there. This year South Porcupine will have the Tournament and no doubt with the usual South Porcupine energy and effort will make it a big success in every way.

There was some discussion of the use of motor trucks in place of teams for the Wagon Race at the Tournament. This developed in view of the motorization of fire equipment becoming so general. It was decided that motor trucks may be used, on sixty days' notice to departments to this effect. Special regulations were made regarding drivers in such cases.

The Home team using a motor truck are to use their own regular driver, the same driver to be used by all the competing teams, as it would not be expected that a valuable motor truck would be given over to any other drivers.

There was some discussion in regard to the Sutherland Memorial, many present pointing out that the original intention had been to have the memorial as a permanent testimonial of the Association to their deceased brother. At present the building was on a lot not owned by the Association, and the Association had no definite title. The question will be further gone into by the officers for the year.

Bush Fire Hazard came in for much attention and discussion. Last year the Government had promised to send Inspectors to investigate bush hazards reported by any of the Fire Chiefs. Last year the Inspector had visited towns on the main line of the T. & N.O., and Iroquois Falls. The Association thought these visits should be repeated this year and that the Porcupine Branch towns also be visited with a view of looking over their bush hazards.

A large party of South-Enders had a sleigh-ride party to Timmins last week and attended the entertainment and social evening given by the Orientals of that town. Two of the lucky ones in the group brought back prizes. All had a good time.

Don't forget the Big Dance on

Thursday night of this week, Feb.

12th, given by the Curling Club in the

New School Hall, South Porcupine.

Tickets have been on sale and everyone should make an effort to procure

one, because there will be a good

time on that night. Colombo's five-

piece orchestra will furnish the music

and promise the latest in Curling

Dance Music. Be on deck at 9:00

p.m., Thursday night of this week.

Last week we said something about

Cupid having a camp in the bush close

by. We haven't been able to locate

him as yet, but judging from what we

see around the town, the little fellow

is well equipped with arrows and

seems to be shooting them quite freely.

Some of the old-timers are anxious

to know what solution Cupid is

using to dip his arrows into. What

ever it is, it seems to be deadly. Our

Cub reporter promises us a clue to

the situation in the near future.

The Ladies of the English Church

will hold their Dance in the New

School Hall on Thursday evening,

Feb. 19th, Colombo's orchestra will

furnish the music.

The Knights of Columbus are con-

templating staging the Play "The

Truth and Nothing But the Truth"

in the Majestic Theatre in the near

future. Announcement of date will

be made later.

Mr. and Mrs. Thomas were busy

moving their furniture, etc., to the

Triplex Mines, on Monday, where

they intend to make their home.

Their many friends are sorry to see

them leaving town, and hope they will

come out often and visit.

The Fire Department answered a

call to a fire on Monday at 4:30 p.m.

**CALEDONIAN BOX SOCIAL FRIDAY EVENING THIS WEEK.****Carload of Beer Seized at South Porcupine Last Week**

**Many Thirsty Souls Regret the Seizure. Porcupine Gold-fields Band to Give Concert on Sunday, Feb. 22nd, at Majestic Theatre, after Church Services. Other Items of News from South Porcupine Correspondent.**

South Porcupine, Feb. 9th Special to The Advance.

A mysterious looking car arrived at South Porcupine last week in fact it was so mysterious that the Provincial Police had it marked "seized" about an hour after it landed. Upon investigation it was learned that the sleuths had bagged a whole carload of real good beer—Um! Good, but not so good for the dry throats that were all set for the interior decorating. The car contained 62 boxes of beer, 2900 bottles in all. The Provincials shipped it back to Toronto for confiscation. Some of the residents believe that it would have been much better to confiscate it here, as it cost the Province \$211.82 freight to have it shipped back to Dry Toronto. Another sad page in the history of John Barleycorn.

The Porcupine Goldfields Band will give a Concert in the Majestic Theatre on Sunday evening, Feb. 22nd, after the church services. This is the first public Concert to be given by this organization and a large turnout will be expected. Several Soloists, etc., have promised to assist in making the Concert one of the best yet held in South Porcupine. The entire programme will be published in the next week's issue of the Advance.

The Porcupine Goldfields Band held their weekly rehearsal at the Dome Mines last Sunday. A large crowd of spectators were present and enjoyed about two hours of good music.

A large party of South-Enders had

a sleigh-ride party to Timmins last

week and attended the entertainment and social evening given by the Orientals of that town. Two of the lucky ones in the group brought back prizes. All had a good time.

A party of Financiers from Detroit

will visit the camp about the first

week of April. It is their intention to inspect several of the promising properties in the Camp with a view to purchasing several claims.

The new Fire Truck certainly looked good and fast no time in getting on the scene. Very little damage was done, including some clothes and personal belongings to Mr. Mansfield.

The Council Meeting took place on Monday. Many interesting items were brought up and discussed.

Mr. Jules J. St. Paul left South

Porcupine last week for a hurried trip to New York in connection with business matters of the United Explorers' Corporation. Several New York Financiers have been interested in the latter company's properties and the prospects of same for the future and it is expected that a deal will be closed before Mr. St. Paul's return.

We are sorry to hear that Dr. McDonald had the misfortune of breaking two ribs last week. His many friends join us in wishing him a complete and speedy recovery.

Who is the young man that the girls had to coax to go to Church last Sunday? He went, and we believe he was saved but he will never be the same.

A party of Financiers from Detroit will visit the camp about the first week of April. It is their intention to inspect several of the promising properties in the Camp with a view to purchasing several claims.

**THRILLING NEW SERIAL STARTING AT OLD EMPIRE.**

A serial full of interest and thrills is commencing at the Old Empire on Monday and Tuesday of next week, Feb. 16th and 17th. It is the Pathé special serial, "Leatherstocking," said to be one of the best serials on the screen to-day. It features Edna Murphy and Harold Miller, and is an adaption of James Fenimore Cooper's famous frontier and pioneer stories.

**TOWNSHIP OF TISDALE**

Notice is hereby given that a By-law was passed by the Council of the Municipal Corporation of the Township of Tisdale on the 8th day of December, 1924, providing for the issue of debentures to the amount of \$42,000.00 for the completion of the Continuation School, its furnishings and equipment, of School Section No. 1, and that such By-law was registered in the registry office at Haileybury, in the District of Temiskaming on the 20th day of January, 1925.

Any motion to quash or set aside the same or any part thereof must be made within three months after the first publication of this notice, and cannot be made thereafter.

Dated at South Porcupine, in the District of Cochrane, this 7th day of February, 1925.

F. C. EVANS,  
6-8 Clerk of the Municipality.

**Mrs. Leeman says:**

"Carnol saved my life—many thanks to Carnol!"

But read her letter. It tells her story better than we can—"I feel it my duty to write you about your wonderful medicine Carnol. In January I had an operation for appendicitis. The pain I suffered before the operation and the loss of blood afterwards left me so weakened and run down that I wasn't able to go about on my feet. I just had to lie around all the time. The doctor said I was to take iron for my blood for it was so thin. I had anaemia and folks said I had only a short time to live. Carnol saved my life—many thanks to Carnol. I have gained about ten pounds in three months. After every meal I used to have indigestion and heartburn so bad that the pain was intense. A dose of Carnol would give me immediate relief. Now I am absolutely cured of both. I had severe headaches and pains across my back and they have also disappeared."

"This is how I started using Carnol. I asked a friend about Carnol. She said it was awfully good. Her doctor had recommended it to take after she had been in bed for months and she was completely cured. I called up our druggist and asked him about Carnol. He recommended it but said he was just out of it and wanted me to take a bottle of beef, iron and wine, but I said, 'No, I want Carnol.' So he said he would send and get me some. Just as soon as it came I commenced to take it and it has renewed my blood and given me a wonderful appetite. I never have to take a laxative with this medicine. I cannot recommend your medicine highly enough. It is just exactly what the system needs."—Mrs. Wilson H. Leeman, Ivanhoe, Ont.
