

**ANNUAL MEETING OF THE COUNTY ORANGE LODGE**

The annual meeting of the County Orange Lodge, No. CIII, will be held at Timmins on Feb. 16th, commencing at 10 a.m., when it is expected that every Orange Lodge in the Porcupine and Cochrane Districts will be well represented.

The customs officer eyed the bottle suspiciously. "It's only ammonia," stammered the returning passenger. "Oh, is it?" said the customs officer, taking a long swallow. It was.

**FIRE CALLS WITH SMALL DAMAGE DURING WEEK-END.**

The Fire Brigade had a couple of calls during the week-end. The Brigade in each case made very speedy response, and perhaps as a consequence of this it may be said that neither blaze proved dangerous or serious.

On Saturday evening at about eleven o'clock there was a call to F. Feldman's at Moneta. It was a chimney fire and there was no harm done and no damage resulting.

At 8.40 on Monday morning the call was to A. Brazeau & Sons, 10 Cedar street. There was a little blaze started from a heated pipe, perhaps, in the partition in one of the rooms. The blaze was quickly extinguished by the use of the chemical tanks. The damage done was slight, the loss being covered by insurance.

**A.S.D. SLEIGH RIDE AND THEATRE PARTY NEXT WEEK**

Usual Dance this Week. Annual Ball on Friday. Skating Party Last Week.

The annual skating party of the A. S. D. Club held last Wednesday evening was a very enjoyable event. Several of the members met at the clubrooms in the I.O.O.F. Hall here and went from there to the Timmins Rink, others joining at the Rink later. Wednesday evening being regular night for the Timmins Citizen's Band at the Rink, this made the Skating Party put on by the Club doubly attractive. After ten o'clock the members returned to the Clubrooms where a short dance was held, followed by the usual enjoyable lunch. The meeting this evening will be the usual weekly dance, the Annual Dance being held on Friday evening in the Masonic Hall here, invitations having been sent for this event. Next week the Annual Sleigh Drive of the Club will be held, after which the Club will be guests of Mr. S. Shankman to a theatre party in the Maple Leaf Theatre, at Schumacher.

**PETITION re WAWAITIN ROAD TO BE CONSIDERED.**

Mr. C. H. Fullerton, of the Northern Ontario Development Branch has acknowledged the receipt of the petition of the settlers who recently wrote the Government asking for a summer road from Timmins to Wawaitin. Mr. Fullerton says that the matter will be gone into when considering the programme for next season's work.

This is fine, so far as it goes. However, it may not be amiss to hope that the consideration of next season's work will be taken up and dealt with as early as possible so that all of the work for the season may be taken up as early as possible and completed as early as possible. In the past both time and effort seem to have been lost in many cases through work being left until too late in the season.

**NOT A CASE OF CONTAGIOUS DISEASE IN TIMMINS NOW.**

Sanitary Inspector I Dunn last week made mention of the fact that there were only two places in town under quarantine, so that the Town could be considered as very free from anything in the line of epidemics. This week he has even better news. Now, there is not a single case of quarantine for contagious disease in the Town of Timmins. The two cases referred to last week have had the quarantine lifted, and the Town is now in the enviable position of being absolutely free from contagious diseases of any kind. Timmins has always had a good record in this matter and it is pleasing to see the record maintained. However, it is well to note that good records like this are not a matter of luck. In the past it has been the carefulness and interest of the Board of Health and its officials that has made the good record possible. People in general have assisted, though there have been a few cases where carelessness or worse on the part of quarantined citizens threatened general danger. With the Board of Health continuing its previous policy, and with the co-operation of the people in general Timmins may safely expect to continue its good luck in the matter of epidemics and diseases.
