#### BACHELORS' NIGHT AT THE LANCASHIRE CLUB

The Lancashire Club again broke another record for attendance on Saturday last at the Hollinger Recreation Hall, when a large crowd enjoyed a full musical and dancing programme, and "Bachelors' Night' will long be remembered by those who were present to enejoy such a good

After a few dance numbers, Mr. by a good rendering of a popular item; amongst other items a Monologue to his pipe was well rendered by Mr. Downey of the Caledonian Society who was a visitor for the evening. Mr. Downey is a first class elocutionist and held the interest of the audience throughout, receiving round of well merited applause. The really outstanding event in a good musical programme was the Trio for Clarionettes and Spanish Guitar, played by the Pappone Brothers, who were also the guests of the club, the very fine selection they played was insistently encored and both the initial number and resultant encore, were treat to listen to. The Lancashire Club seem particularly lucky in choosing their artists, and on Social evenings seem to get exceptionally good talent.

The dancing part of the programme was thoroughly enjoyed, a Balloon Dance, and a Spot Waltz being extremely popular both for which prizes were awarded to the lucky winners. Mr. Cunliffe's Orchestra improves with age, like good Scotch whiskey and his playing kept the dancers in the best of humour. Mr. Uttley, the President of the Club, reminding his members that next Saturday is the Election of Officers and Committee the business may be over as soon as for the coming year, requests a full attendance of Members early, so that possible, when the rest of the evening can be given up to the social side. Next Saturday at 8.00 o'clock all Lancashire people and their friends will be welcome.

#### VERY PLEASING ANNUAL STATEMENT OF MUTUAL LIFE

The fifty-fifth annual statement of the Mutual Life Assurance Company of Canada should prove a source of deep satisfaction to the policyholders. The second was a humdinger. Falls evened things a few minutes from the start. Timmins got down to combination and scored, this was the cause of much dispute. Scully, the large crowd, the big new theatre bejudge of play, was standing by the goal and saw it go in and over-ruled the goal umpire but the referee would not listen and after some delay the referee and judge of play settled matters with the umpire and the goal was allowed. This was followed by the same play at the other end and caused another dispute, as nearly everyone in the ring could see that they were clear goals. The fault lies with the iron bar supports on the goal net and the rebounding into play. The second spasm ended 5-2 for Tim-

The third period was combination through out and the boys kept up the hot pace. Downey was called on to make two more spectacular saves when the Falls came through with a three-man combination and only Downey to beat, but the little fellow was there and stopped them both, making it the third time for the evening. The Falls evened up by a long shot. Downey stopped it but in dropping the puck let it roll between his legs. Proulx put Timmins ahead again with a nice shot. The Falls came back with a nice shot from the boards and scored. The game was nearing the end when Boyd and Proulx went down in combination and scored. Final Score Timmins 7. Falls 6.

## WITH SCHROEDER CONCERT

The concert given in the Goldfields Theatre on Sunday evening after the church services proved a complete and pleasing success. There was a ing completely filled, every seat being taken, and a number having to be turned away for lack of further room The concert as presented by the Schroeder Orchestras and the Schroeder pupils fully deserved the large attendance. Mr. F. J. Wolno, Leader LADY BARBER WANTS POSIof the Timmins Citizens' Band, very capably occupied the chair for the evening. Mr. Wolno, in introducing the programme, referred to the good TWO GIRLS WANT POSITIONS work being done at 'the Schroeder studios and the value of such musical training as was given there. The refenences to the talent and training was fully justified by the excellence of every number on the programme.
