**VAUDEVILLE SHOW HERE  
ATTRACTED BIG CROWDS.**

Big crowds were attracted to the Goldfields Theatre Monday and Tuesday this week, the feature being a vaudeville show that appealed especially to the youngsters. A feature of the show was an unusually clever performing bear. There were also the usual clever handuff and chain stunts and other features of magic and entertainment. The company had several parades of the performing bear, accompanied by a motor-driven organ, the music from which could be heard for a long distance. These parades attracted swarms of youngsters who were delighted with the big bear and his tricks.

**ANOTHER GOOD EVENING  
BY PORCUPINE SKI CLUB.**

On Monday evening the Porcupine Ski Club held another enjoyable evening, with a large attendance of members present, testifying to the popularity of the Club. The members met at the Queen's Hotel at seven thirty p.m. and an enjoyable run was held to the Hayden, after which a lunch was served at the Queen's Hotel, followed by dancing until midnight.

The best of music for the latter part of the evening's entertainment was provided by an orchestra headed by Mr. Ted Emery at the piano.

The next run and regular meeting of the Club will be held from the Queen's Hotel, on Thursday evening, February 26th. All the members are requested to be present.

**TIMMINS S. V. & E. CLUB  
OPENED WITH NICE EVENT.**

The formal opening of the Timmins Sportive, Vigor and Educational Club was held some evenings ago at the club quarters, 93 Third Avenue, with a large attendance of members and friends. Mr. Sol. Shankman, formally opened the fine new quarters, turning over the latter conduct of the meeting to President R. Pagliari. The opening night gave the Club a very auspicious and pleasing commencement. Splendid music was furnished by Mr. and Mrs. Wilkins, also by Mr. Starling on the guitar, Mr. L. Blais on the 'cleed. There were pleasing solos by Mr. S. Slack and Mrs. Hugh Warren. Everyone considered the evening a delightful one and felt that the Club was making a very fine start. The club quarters are handsomely furnished and equipped and the Club started off with every chance for usefulness and popularity.

**POLICE COURT CASES COME  
FROM WINE WOMEN AND SONG.**

There will be a big bunch of cases at police court here to-morrow (Thursday), most of them originating along the lines of the famous phrase, "Wine, Women and Song." There are several "wine" or liquor cases to be heard by Magistrate Atkinson. One of them also includes women. The police last week raided a Moneta boarding house, and as a consequence there are charges of selling liquor against the woman owning the place and a man assisting in running it. Two young women were taken in charge at this place, one of them being one of the girls in the recent series of immorality cases at court here. In the "song" line there is a charge of making untimely disturbances in a local restaurant, the young man concerned being accused of "screaming" among other things.

Another case concerns the entry of a house in Rochester during the absence of the owner, the young people using the place being accused of destroying property and taking property away after a "wine women and song" party. The Police Department is very evidently making a determined effort to clean up the town and keep it clean and moral. Good citizens will support this. The number of cases this week indicates the activity of the police in the work of keeping the town orderly and respectable.

A woman will spend half her life trying to marry the man she wants and the other half in bitter disappointment at her success.

**TUXIS ENGAGE IN KEEN  
HOCKEY CONTEST SATURDAY**

Timmins and South Porcupine T.I.S. is had a keenly-contested hockey match at South Porcupine on Saturday. The match was even right to the final ten minutes overtime. In that extra ten minutes South Porcupine lads won out by scoring the extra goal. At the end of the first period the score stood 1-1; at the end of the second, it was 2-2; and at the end of the third, it was 3-3. In the extra ten minutes to decide the game South Porcupine made it 4-3 for the final.

It was a dandy game and the spectators had a lot of good sport to watch. There were only a couple of penalties in the whole match. The game was clean and swift, something doing all the time. Ellies went the whole 70 minutes at centre without the use of a spare, and he was full of pep up to the last minute. Ruppert, who is decidedly a comen, scored the three for Timmins. For South Porcupine Levinson scored 1, Sullivan 1, and Bostrum 2. Each player on both teams played nice hockey. Each and every one deserve credit. They were all good. "A dandy game to watch" was the general verdict. Mr. Wilfrid Deacon refereed the game in good style. The line-up was as follows:—

South Porcupine—Burns, goal; Spadafore and Bostrum, defence; Levinson, Sullivan, Huot, forwards; Mahoney, Donaldson, spares.

Timmins—Cuthbertson, goal; Cox and Martin, defence; Ellies, Donaldson, Ruppert, forwards; Robertson, Wadsworth, spares.
