

IROQUOIS FALLS VIEW JUNIOR GAME THURSDAY

"One Penalty Cost Falls the Match," Says The Broke Hustler.

The following is The Broke Hustler's report of last Thursday's Junior Hockey match:—

If ever a game showed the absolute foolishness of rough play it was the Junior final on Thursday night when Iroquois Falls Juniors had the group championship cinched up to three minutes before the finish when McIntyre gave Boyd the butt end and was sent to the fence. Timmins scored in his absence making the group a tie for the second time. This necessitated a sudden death game on neutral ice to decide the group.

It was no great hockey, but was a good game for the spectators. The two officials on the ice were a bit lenient letting off sides and minor fouls pass unnoticed which spoiled it from a hockey point of view, but saved a lot of time and the game was over by ten o'clock.

McIntyre, Trotter and Duffy formed a good forward line but they have to be divided up owing to the subs not being in the same class. Mac's shooting, Trotter's stick-handling and Duffy's back checking were the features of the Falls game, adding Fred Mills good work in the goal. Little played a much better game than he did the other night strengthening the defence.

Timmins team have two good boys in Proulx and Whistle. They are very fast skaters and very aggressive, Proulx is a little bit too aggressive and would be of more value to his team if he would cut out the rough stuff.

The first goal should not have gone in. Proulx lifted the puck from the "No Smoking" sign, 30 feet out, and it slipped through Mills' legs. The Falls had been running around like lost souls but got down to business with the score against them. McIntyre went down the right boards for a quick pass into centre where Duffy was camped and Downey had no chance. It was a nice combination and score. McIntyre a few minutes later went the whole length of the ice getting right through to the goal but the puck slipped away from him so he didn't get a shot. Just as the period was closing Timmins managed to get off the defensive game and got in several shots which made Mills step. Whistle got clean through the defence for a shot two feet out which Mills handled splendidly.

Timmins opened the second period playing good combination and threatening to score any minute but failed to connect. Duffy went off for a cross check and Timmins had a great chance forcing play. One incident was especially dangerous. In a scrimmage in front of our goal Mills cleared to the side losing his stick. The puck was passed over to Lawrence in front of the goal and there was a wide open net with nobody in it, but he fozzled the shot.

This whole period was a continuous up and down play with the advantage to the Falls but it was not till time was three-quarters gone that we were able to find the twine. Proulx coming out of the corner with the puck was checked by Moreau, who poke checked the puck from him into the corner, then dashed in and passed the puck out in front of the nets where McIntyre slammed it in.

This made the score two to one and tied the teams in the league race.

The Falls almost ended the uncertainty on the face off when Moreau tapped the puck to McIntyre who took a long shot which Downey was lucky to get. A minute later the Falls net had a very narrow escape when the shot struck Mac's skate and glanced towards the corner of the net. Mills was all set for the shot the way it was headed and the glance put him off. It had only a half inch to spare.

The Falls rushed the play on the opening of the third period with two shots apiece by McIntyre and Duffy. Our forwards dashed in and the teams couldn't clear with the result there was a scrimmage in front of the Timmins goal which ended in a tally but who made the shot no one knows.

The crowd yelled themselves hoarse as this gave the Falls the lead, and the championship if they could hold the lead.

Timmins made frantic efforts to even up putting Whistle from the defence on the forward line and Proulx playing well up the ice whenever there was a chance. Charlebois got clean through the defence and shot from close in, Fred Mills got his stick down in time to slip it past a couple of inches from the post. He had another fast one to stop from a scrimmage. Fred was certainly playing a great game at this stage. Timmins attack petered out and play was transferred to the other end. Whistle was laid out against the boards but recovered when danger was over.

The puck turned aeroplane when McIntyre and Stirling dashed after

it, their sticks getting it at the same time. The puck went straight up to the roof and for a minute no one knew where it was. Whistle was sent off for sending McIntyre to the boards and shortly afterwards McIntyre joined him for cross checking Charlebois. There was only three minutes to go and the Falls one up when McIntyre drew his penalty. With McIntyre off, the Timmins team took heart and played a four man forward line. In a scrimmage in front of Falls goal Charlebois batted one in leaving only two and one-half minutes to play during which time there was no score. That cross check just cost the Falls the Championship.

COCHRANE WANTS T. & N. O. EXTENSION COMPLETED

The Cochrane Post recently said: "At the last regular meeting of the Cochrane Board of Trade, the main item of the James Bay Extension of the Temiskaming and Northern Ontario Railway at mileage 68, caused a lively discussion, and vehement regret was expressed for the failure of the Government to complete the road to its determined point at tidewater, on James Bay, incidentally impairing the chances of the establishment of a large newsprint mill at Smoky Falls, and delaying the exploitation of the clay deposits and other resources along the proposed route."

BAND CONCERT PROGRAMME DELIGHTS CROWDED HOUSE.

Sunday evening after the church services the Goldfields Theatre was filled to capacity for the concert under the auspices of the Timmins Citizens' Band. The programme was worthy of the big attendance, and all present were well pleased with all the various items on the programme. The singing of Master Willie Shewan was especially appreciated by the audience and the encores given this talented lad were insistent and decided. He sang in very fine voice and with most attractive interpretation a new popular song about a motherless boy who tried to reach his mother through the power of the present age's wonder—the radio. In the duet with Mr. E. R. Street, he was equally appreciated, and the pleasantly blending voices of Mr. Street and Master Shewan in this number roused the heartiest enthusiasm. The duet, "Follow the Swallow," was a very attractive number and met with the most enthusiastic approval. Mr. J. Geils pleased the music-lovers with a well-rendered solo. Another special number was the trombone solo, "The Death of Nelson," by Bandsman J. Carne. This was a very pleasing number, effectively rendered, the band timeliness of this pleasing number. The selections by the Band, under the leadership of Bandmaster F. J. Wolno, were all much appreciated. The band selections were effectively rendered and won merited approval. The selections by the Band included: "March," "Diamond Crown"; selection, "Les Cloches de Corneville"; Highland Patrol, "Wae MacGregor"; waltz, "Ocean Waves"; selection, "Fantasia of English Airs."

"THE GUILTY ONE" WILL BE AT OLD EMPIRE NEXT WEEK.

"The Guilty One," a noted Paramount mystery story picture, will be the special at the Old Empire Theatre Friday and Saturday of next week, Feb. 27th and 28th. In this picture, Miss Agnes Ayres takes the leading part, and has an able supporting cast. It is the story of a young wife who in endeavouring to assist her husband's professional ambitions finds herself brought into a bad light socially by the publication of an insinuating article about this innocent affair. The husband is furious at the other man. The latter is found murdered and suspicion is so strong against the husband that even the wife believes him guilty. There is a brilliant final scene elucidating the mystic touches in this picture.

TRAIL RANGERS SHOW MUCH HOCKEY PROMISE HERE.

The Schumacher Trail Rangers played the Timmins Rangers on the Central School ice here on Saturday, losing out with the score around 15 to 0. The Schumacher lads were greatly handicapped by the fact that it was the first time the boys had played together as a team and their luck was further out in the fact that their crack goaltender was not able to be here for the first two periods. He was in the nets for the third period, however, and showed outstanding skill. A third handicap of course was the fact that the Timmins Trail Rangers have a classy team that takes some team to successfully oppose them. It will be readily admitted by all seeing the game that Schumacher has much promising material and the team with some play-outs is going to show up well. Those watching Saturday's game were well pleased with the good work of the Timmins team and also saw much promise in the Schumacher boys.

ONE MAN SENTENCED TO TWO YEARS LESS ONE DAY.

At the police court last Thursday Magistrate Atkinson sentenced E. Camarra to two years, less one day, on the charge of living on the avails of prostitution. The woman in the case claimed that Camarra had held her in immoral living threatening her if she did not do as he asked. The couple had been living in the far end of Moneta. The woman who said she was only 19 years of age was allowed to return to her husband who was willing to look after her.

J. Engstrom, on the charge of keeping liquor for sale was fined \$1000.00 and costs, with the addition of a three months term. In case the \$1000.00 is not paid the term is to be nine months in jail. He went down last week to serve the term.

There were 13 drunks—unlucky number for the drunks—a dozen of them being fined \$10.00 and costs each and the other paying \$25.00 and costs. Chief Greer and his staff are out to stop the loitering of boys in poolrooms and similar places. Two poolroom keepers last week were fined \$10.00 and costs each for allowing minors in the poolrooms. There will be more fined, the Chief says, unless the poolrooms keep the boys out, as required by the law.

Magistrate Atkinson dismissed the case against Dennis Tierney who was charged with permitting immorality in connection with the use of his taxi. The Magistrate gave the accused a stern lecture, but said he was dismissing the case as the chief witness, a girl acknowledging immorality, was not corroborated by other evidence.

DOUBLE-BARRELLED WORDS

In part of India a form of conveyance, much used by British officers, is known by the native name of tum-tum.

A certain lieutenant proud of his vehicle, which he always kept in spick-and-span condition, took every opportunity of displaying it.

One evening he took in to dinner a young lady fresh from England, who was entirely ignorant of native phraseology, and gave her the shock of her life when he suddenly remarked: "Oh, after dinner I must show you my tum-tum, which I've just had painted in red and green strips."

LISKEARD MAY WIN THE GROUP CHAMPIONSHIP.

Liskeard has a good chance to win the Group Championship in the N.O. H.A. series. The series wound-up in the epidemic "tie" style, the Falls and the Farmer being "even Stephen." Then Home and Home games were announced to decide the tie. In the first of these deciding games last Friday at Liskeard, the Farmers won 4 to 2. With goals to count this gives them a nice lead. The other match is at the Falls tomorrow (Thursday) evening. The Falls have to win by three goals, but, of course, they can do it if they only get down to it and have the breaks, especially if Liskeard is a little off to help.

DEATH LAST WEEK OF MISS BRIDGET KILGORE.

Miss Bridget Kilgore died at the home of her brother, Mr. William Kilgore, on Thursday last, death being due to heart trouble following an attack of pneumonia. The late Miss Kilgore and her mother came here some time ago from their home in Charlton to spend the winter months with members of the family in Timmins. Miss Kilgore was taken ill, pneumonia developing and death resulting on Thursday, last despite the best of medical care and attention.

The late Miss Kilgore had many friends in Timmins, all of whom will deeply regret her death.

During the big fire at Charlton in 1922 Miss Kilgore was one of the serious sufferers, being badly burned about the feet.

The remains of the late Miss Kilgore were shipped to Charlton on Friday's train for interment, the body being accompanied to its last resting place by the late Mrs. Kilgore's mother, her brothers, John and William, of Timmins, and her sister, Mrs. T. Casey and Mrs. Pinnault of Timmins. The funeral took place on Saturday at Charlton to the R.C. church and cemetery.

LYIN' TYPE

"Gee! Did she jump on the typewriter?"
"Naw, but she gave him the deuce for cleaning it with her tooth brush."

RASPBERRIES

The wife and daughter of Lieutenant Berry of the Naval Training Station, approaching a gate to the station were halted by a sentry on duty there who had orders to allow no one to enter by that gate.

"Sorry but you'll have to go around to the main gate."
"O, but we are the Berrys."
"Lady I don't care if you're the cat's meow, you can't go through this gate."

"What kind of a husband do you advise me to get."
"You get a single man and let the husbands alone."

WEDDING AT ST. MATTHEW'S RECTORY ON THURSDAY.

At St. Matthew's Rectory on Thursday morning last, Rev. R. S. Cushing, Rector of the church, united in marriage Mr. S. Caldbiek, of Timmins and Miss Doris Jagger, of Toronto. The bride was attended by Mrs. W. O. Langdon, while the groom was supported by his brother, Mr. Jos. Caldbiek. Mr. and Mrs. Caldbiek left for a short wedding trip to the South after which they will take up residence in Timmins where Mr. Caldbiek has been engaged for some years past in the practice of his profession as a barrister and solicitor. Friends will extend sincere good wishes to the young couple.

There are said to be 64 radio licenses now in Sudbury town. Recently, there has been a big rush for radio licenses, following reports that a R.C. M.P. officer has been confiscating radio sets at Sault Ste. Marie in all cases where the owner did not have the proper license to operate.

IT WAS A DARK NIGHT

It was a dark night and the mortorist was lost. Presently he saw a sign on a post.

With great difficulty he climbed the post, struck a match, and read, "Wet paint."

IN REPLY

A young man with a pretty but notoriously flirtatious fiancée wrote to a supposed rival. "I've been told that you have been seen kissing my girl. Come to my office at 11 on Friday. I want to have this matter out." The rival answered, "I've received a copy of your circular letter and will be present at that meeting."

True to her word Britain has disposed of another of her battleships doomed according to the terms of the Washington Treaty, before February 1st. H.M.S. "Monarch," is now at the bottom of the Atlantic Ocean. She was towed from her berth at Plymouth to a point 300 miles off the Scilly Islands after she had been stripped of everything which could be salvaged. For the better part of a day she was used as a target for the Atlantic fleet in experimental tests made by the Admiralty. She was bombed from the air and from under the sea, and finally her battered hulk, under terrific fire from the heavy guns of other British battleships, went down to Davy Jones' locker at 10 o'clock at night. One of the inserts shows shells being unloaded from the "Monarch" in preparation for her destruction.
