The current issue of The War Cry contains a picture of a group on the station platform at Cochrane some months ago when General Booth, S.A., visited this district. The group shows the General, Bishop Anderson, Rev. Mr. Baker, the Captain at Cochrane, and Capt. Cornthwaite of Timmins.

Chief of Police Mr. Greer was a visitor to Toronto last week in connection with the execution of a warrant issued under the complaint of a local business man who had dealings some weeks ago with a Toronto man and accuses the latter of theft of goods. The Toronto man is at present in the West and so the warrant was not served personally but the Chief took the necessary steps to insure its execution on the Toronto man's return to the city.

Through the kindness of the Hollinger, the Hookey Club was able to run a special to Iroquois Falls for the Junior match on Monday. The boys appreciate the kindness shown all through the season by the Hollinger. To those who think about such matters, however, the thought is sure to present itself, that the Hollinger has always shown the fullest support to clean sport or anything else that was good that benefitted or pleased the people of Timmins.

(Mr. D. Mackie is in Toronto this week on business.)

Mr. T. E. Armstrong, of Cobalt, was a visitor to Timmins last week.

Next Regular meeting of Town Council scheduled for Monday afternoon, Feb. 23rd, commencing at 4.00 p.m.

A travelling show company last week threatened legal proceedings against a Cobalt liveryman in a rather peculiar case. Their claim was that a horse of his had kicked a bear of theirs and as a result Bruin had so sore a jaw that he could not give his usual performance. The police advised the show people that if they had a case at all, it was a civil case not a matter for police court.

Following a snowshoe trip from Gowganda to a mining property in which he was interested, Mr. J. C. Hirsch, of Ottawa, a gentleman of between 60 and 70 years of age, took ill and passed away, death being due to heart trouble. A son left by special train as soon as word was received of his father's illness, but reached Gowganda too late to see his father alive. The funeral took place at Ottawa last week. Mr. E. H. Orser, of Kirkland Lake, who accompanied Mr. Hirsch on the trip, is also reported as seriously ill from the effects of the strenuous journey, but is recovering slowly.
