SHOPS WIN FROM MASONS IN FAST BASKETBALL GAME.

In a fine game of Basketball, the Shops defeated the Masons last Thursday night at the Holinger Recreation Hall by 6 baskets, the final score being 36-20 points.

It was a hard fought game, both teams being about equally good. The Shops were better in getting baskets, their throws being accurate, while the Masons getting the ball to the basket only to see it bounce off the rim into play.

The Recreation Hall is too small for basketball, and there were about 50 spectators crowded in single file at the side of the hall, there being only 2 feet space for the side lines of the court.

The first period went to the Shops, who scored 5 baskets to the Masons' one. Lewis of the Shops got four of these while being unguarded under the basket. Tate getting the other by a nice throw from the side line, near the end. Boyd substituted and got the ball passed over and ran to the end getting the ball back made a nice basket. The score 10-3 for the shops.

The second period the Masons pressed and were forced back. Street checked, a foul being called. Tate took the free throw and scored, the ball going around the rim before finally falling through. Tate got possession and made a try. The ball missed and this time made sure by dropping it in. The Masons missed some fine chances by missing easy baskets, their luck being out. Lewis got going again after some quick

work, took a chance on a long throw and secured a basket. The Shops were now leading by 15 points to 2 points. The Masons got going with neat passes and gave the Shops' guards plenty to do to keep them out. Boyd got a nice pass but was fouled and scored on the throw. The Masons got possession again. Wolno scored from Boyd's nice pass. Wolno and Boyd went down again, Boyd scoring from the free throw lane, giving them 6 points in quick succession. Lewis was the next to score after some quick work. From the throw up, Frasen got three baskets straight off while at the side of the basket unguarded. Before the period ended both Lewis and Tate scored for the Shops, the score standing at this period 23-12.

The third period opened with the Masons on the offensive, Wolno scoring right off. Again they went down and got another basket. The Shops now had a turn and got three baskets, one off a foul throw in. The Masons went right after it again, Boyd getting two more baskets from nice passes. Lewis was given two free throws for a foul, but missed the basket, but gathered up the ball and put it through and finished the game by getting two more baskets while unguarded (the final score being 36-20).

The game was fast from beginning to end. Owing to the floor being so small the ball was out of bounds quite a lot.

"Owe my life to Carnol," says Mr. Sinclair

Following a railway accident, after other medicines failed, he got relief from two bottles of Carnol.

The following letter needs no comment from us. We leave Mr. Sinclair to tell you about his experience in his own words. "I was very much run down and nervous following a railway accident some years ago. Medicines failed to give me any real help, so I decided to try Carnol. I did not have any faith in patent medicines, but a friend of mine said Carnol was far superior to any other of the so-called patent medicines. 'Give it a trial,' he said, 'and let me know the results.' I am glad to say this wonderful medicine has done for me what no other medicine has done, and it therefore gives me great pleasure to give this evidence in favor of Carnol. I would advise all business men who feel, after the strenuous life of the world, that they need a building up tonic, to take Carnol. It is only by giving it a fair trial that they will know its splendid qualities.

After using the first bottle I noticed a marked improvement. My appetite improved and after the second bottle I could eat like a horse, even raw potatoes and onions would be as welcome as apples. I slept like a log and after a refreshing sleep, I was able to take up the strenuous work of the hustling insurance agent. This work calls for considerable nervous energy in closing business and I can say, with confidence, Carnol has no superior in the medicine line. I would suggest that your company give this letter a most conspicuous place, so that everyone may know what a great medicine is before the public as a restorative tonic and flesh builder. I say, with all confidence, I owe my life to Carnol. Nothing equals this medicine."—Gordon M. Sinclair, Chatham, N.B. 1-24
