

Bankrupt Stock Sale

The Canadian Bankrupt Stock Sales Co., has been Instructed by N. L. Martin, Trustee, Toronto, to sell the N. Stern stock at Schumacher and raise the money to pay the creditors at any price. This will no doubt come to you as a great surprise as you all know that Stern just started in business in December, with a very high-class stock of Men's, Ladies' and Children's Wear, but has taken seriously ill, thereby losing the business.—We must dispose of the stock at any price and just have 10 days to raise the money. We are therefore placing \$20,000.00 worth of the highest merchandise at your disposal, as we must sell the entire stock. Now is your opportunity, which only comes once in a lifetime to get your supplies at less than half of Manufacturers' cost.

We will endeavour to outline a few of the bargains you will get at this Bankrupt Sale. The stock will be sold at a very low rate on the Dollar. It will pay any merchant to invest a little money and get some of the stock.
