Junior First—Valma Jarvela, Isabel Wilson, Vivienne Goulet, Annie Murinechuk, George Morgan.

OVER SIXTY DIFFERENT WAYS TO SERVE CHEESE.

That Canada will soon take its place with the nations that are the largest consumers of cheese seems assured considering the steady increase in its consumption in the past few years since the Kraft-MacLaren Cheese Company, of Montreal, introduced the five pound box. The Kraft Company were the originators of the popular foil-wrapped cheese without rind or waste, in the five pound wooden box, while the original product has had many imitators, none have been able to produce a cheese of the same uniform quality and flavour because the Kraft process is protected by patents. The Company does not make cheese, therefore, it is not competing with the cheese factories. But it purchases Canadian cheese in enormous quantities thus keeping the cheese factories busy and adding to their prosperity and that of the farmers. Kraft Cheese is simply a scientific blending of these cheeses by means of the patented Kraft process which absolutely controls the flavor.

The company has just issued a beautiful recipe book showing over 60 different ways in which cheese may be served. Many of the dishes are illustrated in natural colours. A copy may be obtained, free, on writing to the company in Montreal, mentioning this paper.

New Liskeard has set Sept. 10th, 11th and 12th as the dates for the New Liskeard Fall Fair this year.

VISITORS' NIGHT AT THE A.S.D. CLUB THIS EVENING

Last Wednesday Night of Month Will be Another Juvenile Party.

One of the best evenings of the season was spent by the members of the A.S.D. Club at their regular weekly meeting and dance held last Wednesday evening, in the I.O.O.F. Hall here. There was a large attendance of the members out for the event, and all voted the evening one of the best. Two specials were held, a Paul Jones under Mr. W. Mackie's direction, and an old fashioned Square Dance, Mr. J. K. Kennedy acting as director of ceremonies for this event. Music for the dancing was provided by Mr. Ted Whaley, violin, Miss Germaine Bissonette, piano, Mr. Gordon Torrance, drums, and Mr. Clair Pond, saxophone. Miss Rhoda Macleod looked after the refreshments in her usual capable manner.

The Club will hold a Visitor's Night this evening. Each member is allowed to ask some friend, a non-member, not eligible for membership in the Club, to visit the Club this evening. A committee consisting of Mr. A. E. Riddell, Misses Mary Boyd and Mary Grey, and Messrs. Robt. Hoggarth and E. L. Urquhart have charge of the programme for the evening. Next week it is the intention to hold the usual dance, and the last meeting of the month will be a Juvenile Party, the same committee looking after this Juvenile Party that looks after the meeting this evening.

Mr. A. W. Pickering, Secretary-Treasurer of the Club has received more orders for Club sweaters. Any of the members, not having those sweaters, and desiring one should give their name to Mr. Pickering as soon as possible.

ANNUAL MEETING LOCAL CHILDREN'S AID SOCIETY

To Be Held in Council Chamber,
March 17th at 8 p.m.

The annual meeting of the local Children's Aid Society will be held in the Council Chamber, Timmins, on Tuesday evening, March 17th, at 8 p.m. All members of the C.A.S. and all interested in the work for children are urged to be present. The meeting is open to the general public and all will be welcome. The business to be dealt with will include the election of officers for the ensuing year and other important business.

The work of the Children's Aid Society is probably the most important single effort made in this Province for the general betterment. Possibly, "Patriotic Work," is the best description that could be given of the C.A.S. movement. It builds better citizenship. It is a work of sympathy and kindness. In a word, its big idea is that every child should have a fair chance for happiness and all the truly good things of life. The C.A.S. strives to improve the homes, and see that neglected and dependent children receive a fair chance in the game of life. In this town and district the Children's Aid has done much good work. There is much more to do. The usefulness of the C.A.S. has hardly a limit. To make it fully successful the interest and effort of every good citizen is necessary. Let all, accordingly, do what may be done. One way is by attending the meeting on Tuesday next week, March 17th.

North Bay has organized a Lion Tamer's Club, Mr. W. B. Gorman being the first President.

You Must Be Sure— And You Can

Baby is too precious for food experiments. Nurse him if at all possible but if you cannot, put him on Eagle Brand at once and BE SURE his food is right. Highest medical authorities have endorsed Eagle Brand as the SAFE infant food when Nature's supply is not available. Hundreds of thousands of mothers have successfully reared their babies on it since 1857.

No matter how young baby is he will like Eagle Brand. It is absolutely pure, always the same in quality, and easily digested by the most delicate infant. Its preparation is simple and it keeps wholesome for a long time after opening the can if a glass is placed over same.

This Helpful Book Is Free
"Baby's Welfare"—containing answers to dozens of questions every mother asks about the care of her baby, particularly in regard to feeding.
