### HOLLINGER RECREATION CLUB FORM TRACK MEET

Any Interested Should Get in Touch At Once With Mr. D. Brown.

At various times the formation of a Track Team in town has been advocated, but the matter has never been successfully handled up to the present, although large numbers of people have been interested in the matter. Now, however, the Hollinger Recreation Club is forming a Track Team for the coming summer, and the Recreation Club generally makes a success of anything undertaken, so it is only logical to expect that there will be a good Track Team here this year. Anyone interested in the matter should get in touch at once with Mr. D. Brown, of the Hollinger Stores. Mr. Brown may be reached by Phone 453. There is plenty of material here for a first-class Track Team and all that is necessary is for all interested to get together. The Hollinger Recreation Club in taking up the matter is offering a convenient way to establish a Track Team.
