**"THE HOTTENTOT" SHOULD PROVE VERY ATTRACTIVE**

Fashion Review by Living Art Models Special Feature of Event on 13th and 14th.

From present indications it's a safe bet to say that the Goldfields Theatre will be packed to capacity, Easter Monday, April 13th, and Tuesday the 14th, when the Barrett Producing Company presents "The Hottentot." The reputation of the producers is well enough known to assure the public that they will see a finished production when they see "The Hottentot." Rosalind Barrett, the directress of the company, puts her entire energy in the training and directing of the company and has chosen a cast of players whose past performances place them in the class of the semi-professional. The Choruses and novelty numbers, which are entirely new and original, will even surpass the musical numbers which were the talk of "That Girl Mickey." Then there is the Barrett Baby Duo, the petite juvenile entertainers, who will offer new songs and dances. And as an added attraction the Rinn Brothers, Ladies' exclusive ready-to-wear establishment, will present a Fashion Review of the latest Spring and Summer creations by living art models. This part of the program will start sharp at eight o'clock.  
 Last but not least is the benefit for which this production is given. No greater and more important cause could solicit your patronage than the Children's Shelter Fund under the auspices of the Cochrane District Children's Aid. Just fancy what a home would mean to the friendless and homeless children of this district and it will be built right here in Timmins and the proceeds of the entertainment will be used for that purpose.

**UNION CHURCH SERVICES TO BE HELD NEXT WEEK**

Four Churches in Timmins, Combining for Special Services, on April 6th to 9th.

The Anglican, Presbyterian and Baptist Churches and the Salvation Army are combining in the holding of special services next week. Services will be held in each of these four churches all the pastors and the S.A., Captain taking part in each of the services. Each of the four nights, April 6th to 9th, services will be held at a different church. On Monday evening April 6th, in the St. Matthew's Anglican church, there will be special services, with Capt. Cornthwaite being the special speaker for the occasion. On Tuesday, April 7th, the services will be at the Baptist church, with Rev. R. S. Cushing, as the special speaker. Wednesday evening, Rev. M. R. Hall, will be the special speaker at the Presbyterian church, and on Thursday evening, Rev. J. D. Parks will be the special speaker at the services at the Salvation Army. All these four services will commence at 7.30 p.m. They are designed as a special united evangelical effort and should prove interesting and helpful.

**THE ARMY NOTES THE GROWTH OF TIMMINS**

In this week's issue of The War Cry, the official newspaper of the Salvation Army, under the heading of "Maple Leaf Topicalities," there appears the following paragraph:—  
 "Timmins, Ont., boasts of the most rapid growth and the most cosmopolitan population of any town of similar size in Canada. At the close of 1924 its population was 15,288, representing an average increase of 1,000 a year or a total increase of 15,000 per cent. in the past fifteen years, 26 nationalities are represented in the town."

An Englehart correspondent of The Northern News says that there are a lot of men going around the town these days like lost sheep, the reason being that the curling season is over. Curling friends in Timmins extend very heartfelt sympathy in this severe affliction. It is a hard world—this North Land. There are just three seasons now in this country,—Curling, Golf, and the Sad Time in Between.

No matter what you say to a chemist he always has a retort.

**This Farmer Knows Where He Stands**

**HE** has a memorandum on the cheque stub of every account—and an entry in his bank book as well—a double check on his business. The incoming cheques or cash are also shown in his bank book. In a flash he can tell when he paid any particular account or when an account was paid to him. His bank book tells him.  
 He has no need to go to town to do his business if he is rushed. A cheque by mail pays an item or makes deposits almost as quickly as he could do it himself.  
 Today the safe, efficient, satisfactory method of business is through the Bank.
