

Meeting Called for Friday Evening To Start Baseball

All Interested in Baseball Should Gather at the Town Hall on Friday Evening of This Week for the Meeting to Organize for Baseball for the Approaching Season. Batter-up! Batter-up!

Baseball weather will soon be here again, and in the meantime it is necessary to organize for the season. President R. Carmichael, of last year's Baseball Club, has called a meeting of all Baseball enthusiasts to be held in the Town Hall, Timmins, on Friday evening of this week, April 3rd, at 8 p.m., for the purpose of electing officers for the year, organizing for the season and getting Baseball away to a good start in town.

Everybody interested in Baseball should be at this meeting with the idea of helping. During any season there are always enough around who have lots of criticism and advice as to how things ought to run. Friday evening at the meeting in the Town Hall is the time for all to be around with any helpful hints or suggestions. Baseball should be a big sport in this Town and district. It will be, if everybody lends a hand to make it so. Let all Baseball fans get together and make 1925 a great Baseball season. There is lots of Baseball talent here, and lots of chance for good sport. All attend the organization meeting in the Town Hall, Timmins, on Friday evening, April 3rd, at 8.00 p.m. Batter-up! Batter-up!

PETER FRENCH ACQUITTED AT COCHRANE LAST WEEK

Freed of Charge of Negligence in Connection With Death of John Shinuk

Peter French, the Connaught settler, who was charged with criminal negligence in connection with the death of John Shinuk, was found not guilty when the case was heard at the District Court in Cochrane last week, with Judge Caron presiding. In acquitting the accused, Judge Caron pointed out that French had apparently only acted in self-defence to protect his wife and family. The case arose from the death of Shinuk some months ago at the home of French. Shinuk, who was a Finlander, came to French's home one evening, wearied, hungry and not well clad. French fed him, gave him the shelter of his home and hunted up further clothing for him. When the evening began to grow late he endeavoured to have Shinuk leave, but Shinuk did not go. Even threats failed to induce Shinuk to leave, and eventually French secured a gun to make his orders more impressive. Shinuk still refused to leave the house and stepping toward French, the gun was discharged. Two shots entered Shinuk's body, death following. French notified the police and was placed under arrest. After the evidence at the inquest he was allowed out on bail until his trial last week. At last week's trial Crown Attorney J. M. Green of Cochrane, conducted the case for the Crown, and Mr. W. A. Gordon, of Haileybury, was counsel for the accused.

Protest has been made to the Ontario Fire Marshal regarding the action of two insurance companies in cancelling the insurance of tenants in the Hunter Block, at Cobalt. After an investigation the Fire Marshal's office ordered the removal of certain fire menace in connection with the building. The changes were not made and so the policies were cancelled. The protest is that the cancellation of the policies only affects the tenants who are in no way to blame, and that it is the owner of the property that should be gone after in the matter.
