The one coming nearest will get the Watch.

HUYLER'S CHOCOLATES FRESH EVERY WEEK

THE GOLDFIELD DRUG COMPANY, LIMITED

OPPOSITE TAYLOR'S HARDWARE The Little Drug Store Around the Corner. OPPOSITE TAYLOR'S HARDWARE

Old-time friends of Mr. and Mrs. B. T. Durach, formerly resident in Timmins, will extend sympathy to them in the death on Tuesday of last week of their infant son, Gordon Richard, aged two years. The little lad died from diabetes from which he had suffered for some months. Interment was made at Osceola, Ont.

ANOTHER PRODUCER MAY DEVELOP IN TISDALE

References have been made in Toronto papers recently to the prospects of another producing mine in Tisdale Township. The Mail & Empire last week had the following:—
"Transactions which may result in another producer for Porcupine have just taken place in connection with two groups in the Northern part of the Township of Tisdale. A short time ago L. G. Harris and Co., of Toronto, purchased from the Goldale five mining claims adjoining the Beaumont Gold Mines. The latter company has been very successful in its development work. Excellent values have been obtained adjoining the claims just purchased. The Beaumont has also a complete mining plant, a shaft to a depth of 320 feet, and 5,000 feet of diamond drilling. It is now proposed to take over the Goldale group. The combined properties will form a compact block containing 320 acres. The Goldale claims were originally acquired by Noah T. Timmins, president of the Hollinger Consolidated. At a later date they were sold to the British mining house of Bewick Moreing and Co., and finally to the Goldale as part of a total area of 2,000 acres. L. G. Harris and Co., have been carrying on a large amount of exploratory work in this district. They are also the largest shareholders in the Beaumont Gold Mines."

An association to be known as the New Ontario Bread and Cake Bakers' Association was formed last week at North Bay, to include in its membership all bakers from Sudbury to North Bay, south as far as Huntsville, and north to Cochrane. Mr. D. St. Pierre was elected president pro tem, and G. T. Carruthers, secretary-treasurer.

Young, Arnold McGinn, Tom Webb, Mary Shumilak, Catherine McPhail, Elsie Armstrong.

"Owe my life to Carnol," says Mr. Sinclair

Following a railway accident, after other medicines failed, he got relief from two bottles of Carnol.

The following letter needs no comment from us. We leave Mr. Sinclair to tell you about his experience in his own words—"I was very much run down and nervous following a railway accident some years ago. Medicines failed to give me any real help, so I decided to try Carnol. I did not have any faith in patent medicines, but a friend of mine said Carnol was far superior to any other of the so-called patent medicines. 'Give it a trial,' he said, 'and let me know the results.' I am glad to say this wonderful medicine has done for me what no other medicine has done, and it therefore gives me great pleasure to give this evidence in favor of Carnol. I would advise all business men who feel, after the strenuous life of the world, that they need a building up tonic, to take Carnol. It is only by giving it a fair trial that they will know its splendid qualities.

After using the first bottle I noticed a marked improvement. My appetite improved and after the second bottle I could eat like a horse. Even raw potatoes and onions would be as welcome as apples. I slept like a log and after a refreshing sleep, I was able to take up the strenuous work of the hustling insurance agent. This work calls for considerable nervous energy in closing business and I can say, with confidence, Carnol has no superior in the medicine line. I would suggest that your company give this letter a most conspicuous place, so that everyone may know what a great medicine is before the public as a restorative tonic and flesh builder. I say, with all confidence, I owe my life to Carnol. Nothing equals this medicine."—Gordon M. Sinclair, Chatham, N.B. * 1-24
