Miss Kelly left on Monday for New York carrying with her the sincerest good wishes of hosts of friends.

DANCING RECITAL FRIDAY AND SATURDAY EVENINGS

The Dancing and Children's Ball by the pupils of Mrs. R. B. Simmins, to be given in the Masonic Hall on Friday and Saturday evening's of this week, will be an event of unusual interest. The programme as published in The Advance two weeks ago is a very attractive one, and tickets have been finding very ready sale at Todd's Drug Stores. The event will start sharp at 6.45 p.m., as there are a number of smaller children taking part and the programme is a lengthy one.

Cross - Eyed Children

are starting in life with a very serious handicap. In many cases the conditions which cause this disfigurement can be corrected, and the Eyes can be trained to function normally. It is very important that this work should be done as early as possible, as the squint usually becomes permanent after the child's sixth year.
