## WATER POWER DEVELOPMENT IN NORTH COUNTRY

In the annual report of the Lands and Forests Department of the Legislature for 1924, special mention is made of the water development in Northern Ontario during the year. The Hollinger development is noted and also the plans of the Spruce Falls Company at Smokey Falls. In the latter district the pulp companies are working to capacity and will require the power to be developed. These reports state that there is a continuous settlement of the clay belt along the transcontinental railway and that a good type of settler is going in. Mention is also made of the increasing tourist traffic from the United States into the government park areas.

## YOUNG LADY DROWNED WHEN ICE GIVES WAY.

Reports of a sad accident come from Temagami, where a young lady lost her life some days ago while crossing the ice on Lake Temagami near Temagami Station. In reference to the fatality The Haileyburian last week says:—"Miss Mary Turner, daughter of a well known family of Bear Island, was drowned on Friday last while travelling on the ice on Lake Temagami from the Island to Temagami Station. With her brother and an Indian guide, she started from home for the station with the mail, which was hauled by dog team. The team went through the ice and the party were thrown into the icy water. The two men managed to climb out on the ice, but the girl, who, it is said, was riding on the sled, could not be rescued and was drowned. The body was recovered few hours later."

## WANT MR. W. A. GORDON ON T. & N. O. RY. COMMISSION

Resolution Passed by Liberal-Conservative Meeting Urging appointment of Northern Man.

Last week reference was made in The Advance to the meeting of the Liberal-Conservative Executive Meeting held recently at Iroquois Falls. A more extended report was given last week in The Broke Hustler. Iroquois Falls' own newspaper, and this report touches on several points of special interest and so is reproduced below. The Broke Hustler says:—

An executive meeting of the District of Cochrane Liberal Conservative Association was held in Iroquois Falls Wednesday, April 8th. It was both largely attended and very enthusiastic.

The chief object of calling the meeting was to decide on a date and place to hold a convention to choose a candidate for the next Federal election. The meeting will be held in Porquus Junction on May 1st. Local Associations are entitled to one delegate for every 25 names on the voters' list of their territory. Where there are no local Association the delegates must be vouched for by the nearest Liberal-Conservative Association.

Letters from the Hon. Arthur Meighen and Hon. Howard Ferguson were read and heartily applauded.

George Morgan of Porquus Junction reported progress on the revision of the by-laws.

Four resolutions were then passed on.

One urged the completion of the trunk road between Swastika and Ramore. The second urging the appointment of a northern man on the T. & N.O. commission and submitted the name of W. A. Gordon of Haileybury. The third was that owing to the great resources and rapid development of the Cochrane district more road work be done in the district, and finally that all T. & N.O. houses be subject to local taxes.

Following this was a discussion regarding representation, the feeling of

the meeting being that another riding ought to be carved out in the North country and a telegram was sent to the Hon. Howard Ferguson expressing the views of the meeting.

T. E. Simpson, M.P., West Algoma, gave a vigorous and inspiring address for which he was moved a hearty vote of thanks.

A vote of confidence in Hon. Arthur Meighen was moved by J. A. Hough, seconded by F. C. Richardson and carried amidst applause.

Following this was a meeting of the Executive Committee, when it was decided to hold another meeting of the Committee on April 27th at Porquus Junction.

Refreshments were served at the close of the meeting. Among those present were:—

J. D. Kingston, President, Iroquois Falls; Frank K. Ebbitt, Secretary, Iroquois Falls; T. E. Simpson, M. P., West Algoma; J. R. O'Neill, North Bay; Dave Chenier, Cochrane; D. W. Bell, Ansonville; G. A. D. Murray, Timmins; F. M. Wallingford, Timmins; J. K. Moore, Timmins; R. P. Thompson, Swastika; George V. Ful-
