PROGRAMME BY THE MALE CHORUS UNUSUALLY GOOD

Large Crowd of Music Lovers Well Pleased With Evary Number.

Brief reference was made last week to the Sunday evening concert given in the Goldfields Theatre after the church services on Sunday, April 19th, by the Timmins Male Chorus. The event was a specially good one, every number on the programme being much enjoyed by the large crowd present. Mr. J. K. Moore capably presided for the occasion.

The Male Chorus, under the leadership of Mr. R. R. Johnston, rendered a number of selections in very effective way. The blending of voices, the time, and harmony and expression, were all very pleasing, and the work of the Chorus was much appreciated, leader and chorus alike being highly complimented by members of the audience. Among the selections given by the Chorus were: "Drink to Me Only With Thine Eyes," "The Long Day Closes," "The Lost Chord," "Mother O' Mine," "I'm a-Longing for You," "Sweet and Low," "Bells of St. Mary's," and "Border Ballad." The Border Ballad was given with a swing and vim that made it especially effective. "Sweet and Low," and "Drink to Me Only With Thine Eyes," were two other specially well-rendered numbers. It is only fair to say, however, that every number was effectively presented and all much appreciated.

Mr. J. T. Bridges was warmly encouraged for a well-rendered cornet solo given in very talented way. His number in response was equally appreciated.

One of the outstanding numbers of the programme was the solo, "There's a Land," by Mrs. H. Barrett. A beautiful voice and a sympathetic rendition of an attractive selection brought very decided recall for this number, and Mrs. Barrett's responding selection was equally appreciated.

Mr. W. Lainsbury's reading, giving a railroads man's story, was a capable piece of elocutionary work, and won very hearty encore. Mr. Lainsbury's responding number, a Habitant selection, was cleverly done and was much applauded.

Another fine number on the programme was the male quartette—Messrs. J. Geils, W. Forrester, W. R. Dodge and J. T. Heffernan—who gave a very pleasing and effective rendition of "The Winter Song."

Last, but by no means least, may be mentioned the solo, "Nirvana," by Mr. H. Unsworth. Mr. Unsworth is always popular as a soloist, and his selection Sunday evening won general approval.

HAILEYBURY CURLERS INVITED TO SCOTLAND

The following from the last issue of The Haileyburian will be read with general interest here among the curling fraternity:—

"The Secretary of the curling club has received a letter from G. B. Nicholson, President of the N.O.C.A. asking the club to send in the names of two members to go to Scotland next year on the invitation of the Royal Caledonian Curling Association. Any members who are prepared to make the trip are requested to leave their names with the Secretary not later than Tuesday next."

TRAPPER MURDERED BY VISITOR SOUTH OF HEARST

The story of the murder of a trapper along the Algoma Central Railway, south of Hearst, is told in the last issue of The Cochrane Post. The Post says:—

"Another murder was committed along the Algoma Central, south of Hearst where two trappers occupied a shack during the winter. Early in the evening a man came to the door and asked permission to stop over night with the two trappers. He carried a gun and had evidently been out hunting as he had a pair of dogs with him. During the night one of the trappers awoke and saw the stranger up with his gun in his hand, and on being asked what he thought he was doing the stranger replied that he was going out shooting rabbits. Then he suddenly levelled his gun and deliberately shot the other trapper in his bunk. He was at once set upon by the second trapper who wrestled with him and managed to take the gun away and tie him up. The next morning he delivered the murderer to the Police.

The Sudbury Star last week says: "Miss Alice Ryan, of Timmins, Ont., who was a visitor in Sudbury for the Easter vacation when she was the guest of Judge and Mrs. Kehoe left this week for Detroit where she will visit friends."

NEXT ANNUAL MEETING OF DISTRICT K. OF C. HERE

Invitation Extended by Timmins K. of C., at North Bay Meeting Last Week.

The following from the last issue of The North Bay Nugget will be read with general interest:—

Delegates from Ottawa, Pembroke, Haileybury, Cobalt, Timmins, Cochrane, Sturgeon Falls, Sudbury, Espanola, Chapleau and North Bay were in attendance at the first annual district convention of the Knights of Columbus of District No. 11, held in North Bay on Tuesday. State Deputy Dr. Claude Brown, of London, Ont., District Deputy Philip Phelan, of Ottawa, and District Deputy P. J. O'Gorman, of Sudbury, were among the visitors.

The day opened with attendance of the officers and delegates at mass in St. Mary's Cathedral, the celebrant being Rev. J. J. O'Leary.

At 10 a.m. the delegates convened at the K. of C. hall for the morning business session and heard an address of welcome to North Bay by Mayor J. H. McDonald, who, during the course of his remarks, expressed the hope that the visitors would enjoy their stay in the city and that their meeting would prove to be successful in every regard.

Business sessions continued all day with a short interval for lunch and another at 3 o'clock when they had an hour's drive about the town as guests of P. J. Doyle.

Addresses were given by State Deputy Dr. Brown, D.D., Philip Phelan, D.D. P. J. O'Gorman, Rev. Fathers O'Leary and Bunyan, and a number of the delegates. The meetings were presided over by District Deputy J. A. Sheedy and District Warden C. D. St. Germain. Mr. D. W. Moran, of Cochrane acted as secretary.

At 7.30 in the evening the officers and delegates were guests of the local council at a dinner in the Continental Hotel and which was attended by a large number of the local members and their lady friends.

Following the dinner the visitors were entertained at an "At Home" in the K. of C. hall. About 110 couples enjoyed an exceptionally fine program provided by Lecturer Dr. McIntyre and his committee.

An invitation was presented from Timmins Council to hold the 1926 convention in that town. It is quite probable the invitation will be accepted by the district officers.

FORESTRY BRANCH DO GOOD WORK AT FREDERICKHOUSE

The Cochrane Northland Post last week says:—

"Thanks to the prompt service of the Fire Protection pumps, a serious fire was averted at the Beaver Wood Fibre Co.'s premises at Frederickhouse, when a fire, which had been burning in the heap of bark and cuttings, was fanned into a serious blaze on Sunday by the strong winds. Appeals to the Ontario Forestry Branch brought quick response and two pumps were despatched which worked all night and most of the following day and finally succeeded in eliminating further danger to the remaining buildings which escaped the disastrous fire last year."

NEW SHOPS TO BE BUILT AT ENGLEHART THIS YEAR.

Interesting information was given out last week by Mr. Geo. W. Lee, Chairman of the T. & N. O. Railway, in an interview given at North Bay. Mr. Lee refused to discuss the projected extension of the People's Railway into Rouyn. The chairman made several important announcements, however. He stated that \$100,000 had been set aside in this year's appropriations for the construction of additional shops. The move has been contemplated for some time, but this is the first definite announcement and tenders are to be called for at once.

The new plant will include a large heating system which will be suitable for the shops when they are enlarged in future years. Mr. Lee stated that the shops are to be built at Englehart this year when the main line for 25 miles north of Englehart is to be replaced by heavy steel. Three new engines which were ordered some time ago are slated for delivery on June 1, and will cost \$70,000 each.

One of the latest nature fake yarns to be associated with the North was the story of a big white wolf marauding in the Port Arthur district. The "big white wolf" turns out now to be a Russian wolfhound that had strayed away from its town home. Some of The Toronto Star's savage wolves are likely rabbits or wild geese.
