Mr. W. H. Tuke principal of the Haileybury High School, was elected President of the High School Principals' section of the Ontario Educational Association, at the annual meeting of that body in Toronto.

Last week the Haileyburian entered on its twenty-first year of publication, and every other newspaper in the North and every friend of the North will wish The Haileyburian all possible success and as much as a million more years of usefulness. The Haileyburian is bright and newsy and never misses a chance to boost Haileybury. Its boosting of Haileybury is helpful not only to that town, but to the North in general.

Mr. E. H. Bridger, manager of the Toronto office of Homer L. Gibson & Co., was a visitor to Timmins last week, and received the very heartiest of welcomes from his hosts of old friends in this district. Mr. Bridger was one of the most popular citizens of this part of the North Land in the early days. He has not visited Timmins for a couple of years and noted innumerable signs of growth and progress in this young city of the North.

Mrs. A. Laronde, of Sudbury, is visiting her sister, Mrs. T. J. Lawton.

Mr. and Mrs. Thos. Donley, of Ottawa, were week-end visitors to town.

The problem of perpetual motion, the existence of a fourth dimension, and the possibility of getting something for nothing are problems which have engaged the attention of many minds in all ages, but which have, as yet, defied solution.

It is obvious that the least expensive service, optometric or otherwise, is hardly likely to be quite the best service.

We are rendering daily an optometric service which is unequalled in Northern Ontario.
