## Ray O'Neill Chosen as the Conservative Candidate

**Largest Convention and Most Enthusiastic in History of Party in this Part of the North Held on Friday at Porquis Junction. Only one Ballot Necessary, and Choice Then Made Unanimous.**

The largest and perhaps the most enthusiastic convention ever held in this part of the North Land was that of the Conservatives held in Porquis Junction on Friday last. There was a full quota of delegates from all along the Porcupine Branch, all, with the exception of the Mountjoy delegation being strong for J. R. O'Neill. Timmins was represented by the full 160 delegates allotted. Schumacher had a strong representation, and South Porcupine and the Dome had about 60 delegates. From Hoyle to the Junction the delegates kept adding to the crowd for Porquis. Iroquois and Ansonville were fully represented. Matheson and other points south were also represented in force, while there was a large delegation from Cochrane and the West. With the Cochrane and Transcontinental delegates Mr. Blake Ryan, of Cochrane, seemed to be favoured as a candidate, and he also had much backing from the Porcupine Branch and from Iroquois Falls. Mr. R. Douglas was also favoured in many quarters throughout the riding. As soon as the delegates began to gather at Porquis Junction, however, it was easy to see that there was a very strong sentiment among the majority present for Ray O'Neill.

A special car was put on the 11.00 o'clock train here, but proved inadequate for the occasion, scores having to stand up throughout the journey to the Junction. The trip was made more pleasant by the attractive and snappy music furnished by an orchestra going down from Timmins. This orchestra included Mr. Anthony, with his famous accordion, Mr. C. E. Macdonald on the side drum and Mr. E. S. Eades on the big drum. They lightened the way down by the continuous lively music. The newscast, had been a drummer at one time, got the fever, and had to have a turn at the side drum.

Arriving at Porquis the delegates registered at the Orange Hall, changing their credentials for cards to admit them to the large Agricultural Hall at the Junction. The meeting proper opened in the Agricultural Hall after the arrival of the Continental Limited from the West. The day had turned cold with a fall of snow and a bitter wind. The Agricultural Hall being of loose construction gave little protection from the weather and even the 500 men, with a dozen or so of ladies, were not enough to make the place warm. The crowded hall, however, showed a rare disregard for the cold, and maintained the best of order and good nature throughout. Much credit is due to the District President, Mr. Jas. Kingston, and the District Secretary, Mr. F. K. Ebbitt, for the capable and efficient conduct of the big gathering.

Then the nomination of candidates was taken up and the following were those nominated:—J. R. O'Neill, moved by Col. S. B. Seobell, of Timmins, seconded by J. D. Bastien, of Ramore; Blake Ryan, of Cochrane, moved by J. A. Hough, of Matheson, seconded by A. Boucher; G. A. Macdonald, of Timmins, moved by A. C. White, of Hoyle, seconded by F. M. Wallingford, of Timmins; R. Douglas, of Cochrane, moved by A. McMeekin, Hearst. Mr. Bastien, of Ramore, was nominated but withdrew in favour of Mr. O'Neill.

Addresses followed the formal nominations of candidates, the movers being allowed five minutes each and the candidates ten minutes each.

After the movers and candidates had each spoken, a vote was taken resulting on the first ballot as follows: J. R. O'Neill, 293; Blake Ryan, 115; R. Douglas, 28; G. A. Macdonald, 23. This gave the convention to Ray O'Neill, as he had a majority of 127 over all the others combined. The nomination was made unanimous by the other candidates. A hearty vote of thanks was passed to President, Jas. Kingston and the other District Officers for the splendid way in which the meeting had been conducted throughout.
