

**EGG FROM WHITE LEGHORN HAS SIZE AND QUALITY**

Measures 7 1/4 inches in Circumference. Can You Beat It?

Mr. F. Charbonneau, Secretary of the Porcupine Poultry and Pet Stock Association, sets a good example in the way of encouraging and advertising good poultry. This week he brought The Advance an egg that looked like a record-maker. The egg was about perfect in shape and colour and measured 7 1/4 inches around and was 7 1/4 inches in circumference the other way. It was laid by one of Mr. Charbonneau's White Leghorn hens, and it is not only remarkable for its size but for its quality. It is a good big egg and a big good egg. Can any other regular working hen beat this 7 1/4 White Leghorn egg? Poultry fanciers might make a note of this egg, and see if their hens can produce eggs to equal it. Start a big egg contest, as it were. Bring the big eggs to The Advance office, by the dozen, preferred. All eggs will be retained, not necessarily for publication but as an evidence of good faith. The first egg received that proves too strong inside for the outside will automatically stop interest in the contest.

**NOTICE**

Any persons having left goods for Hem-stitching, etc., at Mrs. V. Clermonts may secure their work finished, by calling at Ivan Stadelman's Book and Stationery Store, Pine St., Timmins.

Any further orders for Hem-stitching will be assured of the best service and attention if left at Stadelman's Store.

-18 t.f. Mrs. V. Clermont.

**PORCUPINE AGRICULTURAL SOCIETY**

Tenders will be received by the undersigned up to 6 p.m., on May 20, 1925, for the erection of two buildings, on Fair Grounds, South Porcupine, as per plans and specifications. Buildings to be finished by July 31st, 1925. Plans and specifications can be seen at Secretary-Treasurer's office. The lowest or any tender not necessarily accepted.

J. M. Nicolson, Secy-Treasurer, Porcupine Ont. -18-19.

**NOTICE TO CREDITORS**

Notice is hereby given that all persons having claims against the estate of ANTONIO CECCHETTO, late of the Town of Schumacher, who died on or about the 1st day of October, 1924, are required to forward their claims, duly proven, to the undersigned, on or before the 31st day of May, 1925.

And notice is further given that after the said date, the Public Trustee will proceed to distribute the estate, having regard only to such claims of which he shall then have had notice.

Dated at Toronto, this 23rd day of April, 1925.

K. W. Wright, Public Trustee, -18-19 Osgoode Hall, Toronto.

**NAVIGABLE WATERS PROTECTION ACT.**

R.S.C., Chapter 115.

DOUBLE DIAMOND LUMBER COMPANY, LIMITED, whose Head Office is at the Town of Timmins, in the District of Cochrane, hereby gives notice that it has under Section 7 of the said Act deposited with the Minister of Public Works at Ottawa and in the Office of Land Titles for the District of Cochrane at Haileybury a description of the site and the plans of a log pond or log ponds proposed to be located in the Mattagami River in front of the following lands:—

1. Lot Number Seven (7) in the First Concession of the Township of Mountjoy.
2. Lot Number Eight (8) in the First Concession of the Township of Mountjoy.
3. Lot Number Nine (9) in the First Concession of the Township of Mountjoy.
4. The timber limits of the Double Diamond Lumber Company, Limited in the Township of Ogden.

AND TAKE NOTICE that after the expiration of one month from the date of the first publication of this notice Double Diamond Lumber Company, Limited, will under section 7 of the said Act apply to the Minister of Public Works at his office in the City of Ottawa for approval of the said site and plans and for leave to construct the said log pond or log ponds. DATED at Timmins, Ontario, this 28th day of April 1925.

Double Diamond Lumber Co., Ltd. by D. W. O'Sullivan, Their Solicitor. -17-20.

About all you can say about grade crossings is that they eliminate slow thinkers.

**Fire at South Porcupine Causes \$2000.00 of Damage**

**Big Find in Timmins and Bartlett Townships. Ore running \$600 to \$700 per Ton. Interesting Meeting of Home and School Association. Tenders Coming in for Sewers and Waterworks Installation.**

South Porcupine, May 5th. Special to The Advance.

All traffic has been closed off from the main road to Timmins, while the work of construction of the highway is under way. Rapid progress is being made at the work, and it is hoped that the road will be open again in a couple of months.

A remarkable find is reported from Timmins and Bartlett townships, about 20 miles south of South End. The ore is said to run from \$600.00 to \$700.00 per ton in gold, and there is apparently lots of this kind of ore in the vicinity. It is believed that this ore is a continuation of the belt in McArthur Township, where gangs of men have been busy all winter with noteworthy results. It is now very confidently expected that this section of the country is going to prove a humdinger.

A large crowd attended the Euchre and Dance given by the Home and School Association in the New High School, last Tuesday evening. Cards were enjoyed until 11.00 p.m. after which a lovely luncheon was served followed by two hours of dancing. Colombo's orchestra furnished the music for the occasion. All present reported having a most pleasant evening.

The residents were awakened from their sleep early last Wednesday morning at 1.00 a.m., when a most serious fire of unknown origin broke out at the rear of Cunningham's livery stable. In spite of the good start the fire had before the alarm was turned in, the firemen were successful in keeping the fire intact avoiding any damage to the main building. The wind was blowing in a favorable direction otherwise the outcome might have been doubly serious. Several hundred dollars worth of robes and equipment were stored in the building that was on fire, but these came through practically untouched, due to the special efforts of the efficient brigade in protecting same. The damage done is estimated at \$2000.00 and was not covered by insurance.

The new auto truck recently purchased by Fairhart's Bakery marks the beginning of commercializing the auto truck among the business men in town. The design is of the latest type and a credit to its proud owner.

Two new restaurants have been opened up in town lately. Looks like the people of South End will have lots of good things to eat.

Dr. McLaren left last week to attend his sister, who is ill in Ottawa.

Miss Smith, of Iroquois Falls, and Miss Catherine Polock, of Cochrane, were visiting Miss Dempsay at South Porcupine. Miss Dempsay is the new clerk at the Post Office and hails from Cochrane, which has been her home for the past few years.

The patrons of the Majestic Theatre received a real treat this week when the super-production, "The Sea Hawk," was screened, and are promised still another surprise on Monday and Tuesday of next week, when "Searaouche," Rafael Sabatini's best work, will be exhibited.

Tenders are now being received for the installation of waterworks and sewers at South End. There are some local contractors among these tendering.

Band Concert in Majestic Theatre Sunday evening, May 10th, by Goldfields Band.

At the regular meeting of the Home and School Club, Dr. Russell gave a much-appreciated talk to the large number of parents present. He dealt with the large number of contagious diseases to which children are exposed, such as Tuberculosis, Diphtheria, Scarlet Fever, Whooping Cough, etc., and explained lucidly, causes and preventive measures, as well as curative processes. Those who listened to this instructive talk have been profuse in their appreciative remarks about the information received and the only regret is that every parent in the district was not present. Mrs. H. M. Wilson very efficiently presided and after the usual social chat and refreshments all dispersed well-pleased with the evening.

**Porcupine Soft Ball League To Be Organized on Friday**

**Meeting of Fans of the District Called at the Dome for Evening of May 8th. Timmins and Schumacher Invited. Other News of Dome Mines from Advance Correspondent.**

Dome Mines, May 5th, 1925. Special to The Advance.

There will be a meeting of fans who follow Soft Ball on Friday evening, May 8th, at 6.30 p.m. in the lounge room at No. 1 Club, at the Dome. This meeting is called to organize a Porcupine Soft Ball League and delegates are expected and invited from Timmins and Schumacher. Soft Ball has gained a big hold in sport in this camp and the time has come when representative teams from each of the sections of the Porcupine district can compete with each other and thus arouse a healthy rivalry which will still further boost the game. The hour of 6.30 p.m. has been arranged so that visitors from Timmins and Schumacher can get back home in good time for the evening's relaxation.

We see that the car belonging to one of the popular young bachelors of the camp has been outfitted with a complete new set of shoes. This will no doubt enable him to be on time with his many social and business appointments. No, he didn't buy them at a Timmins hardware store.

Mr. Alf Rogers, who is in the steel business, was slightly indisposed last week, but he was able to carry on with his arduous duties, and is now completely restored to health.

Miss Mary Walker, niece of Mr. and Mrs. J. Fell, is returning home on

Friday to Motherwell, Scotland.

A certain eligible bachelor, noted for his interest in soccer, has been so busy choosing a diamond ring as a permanent gift for a popular young lady, that he has been missed by his co-workers in sport, but we hope to have him at all our meetings soon.

The Dome has become quite a busy section since the contractor re-started work on the Timmins road. It is hoped that autoists will take a peek at the sign over the roadway, which bids caution in regard to speed.

This May 1st snow has "sorter" knocked sport this last week. The Hollinger were to have played the Dome on Saturday but as the boys had put their skies and snowshoes away they didn't feel like turning out.

The Dome 'Mines League' of Soft Ball are going to open the season with a bang—a double header, in other words,—next week-end, when the Engineers play the Mechs-O-Bee, at 1.30 p.m. and the Mill play the Mine at 4.30. With the experience gained last year the executive are in a position to promise a better class of Soft Ball this season and it is hoped that the fans will turn out in crowds to help the game along.

The many friends of Mr. and Mrs. "Bill" Kellow will be glad to hear that their young daughter, Louisa, is rapidly recovering from a long illness.

**CORNISH ONE-AND-ALL WIN THEIR OPENING MATCH**

Show Good Football Class and Redeem Last Year's Opening Match.

The Cornish-One-and-All took sweet revenge for their defeat by the Lancashires in the opening game last year by defeating the Lancashires last Thursday in the second fixture of the Porcupine Football League. The Cousins Jacks have strengthened their team this year and will be a

hard lot to beat. Their combination is an outstanding feature.

In the first half the Cornishmen had the advantage of a strong wind, and they made good use of it. Trethway led his men into the attack and was soon testing the Lancashires backs. The Cornish were unable to break through. The Roses took a turn on the attack but were unable to go far. After seven minutes of play, Tonkin went up and passed over to his other four forwards. After each man had touched the ball Trethway got a clear chance at goal and shot. Jackson saved, but was unable to clear before the ball was kicked in the net. The

Roses pressed, but their individual play was intercepted before they got into danger.

The Cousins Jacks made another nice forward movement but N. Huddleston fouled in the penalty area. Trethway took the spot kick and made it two goals. The Lancashires struggled hard to score and got in some dangerous plays, but were turned aside by the formidable backs and good clearances by Higgins. The first half, which was only 30 minutes, ended with the Cornishmen 2 up.

The second half showed more combination play on the part of the Lancashires side and gave Higgins a few anxious moments, while K. Jackson, showed his skill as a goalkeeper, for time and time again the Cornishmen got in close only to have their shots turned aside by him. The Roses had a couple of fine chances to score but lacked the final punch in front of the goal, and also failing to swing the ball more to their wing men. But they have the makings of a good team when they get together more. N. Huddleston came under the referee's ire for his tackling. It was a hard thing for him being a rugby player to settle right down to soccer, but he will be a hard man to beat once he forfeits the pushing and tripping. The rest of the team seems well-balanced.

The Cornish One-and-All are a well-balanced lot and play very good football. Their combination is accur-

ate and will give every team in the League a good run. The final score was 2-0. The following was the lineup:—

Lancashires—F. K. Jackson, goal; Wilkinson and F. Jackson, backs; Foy, Phizackby and N. Huddleston, half-backs; Carroll, Stevenson, Rigby, S. Huddleston, and Wright, forwards.

Cornish One-and-All, Higgins, goal; West and Richardson, backs; Rice, Youlton, Higman, half-backs; Taylor, Toms, Trethway, Harris and Tonkin, forwards.

Referee—E. Tomlinson.

There is no such thing as luck. It's just a fancy name for being ON THE JOB.

**RELIEVES RHEUMATISM**  
Mrs. R. Meid, Sr., after years of suffering found that Egyptian Liniment gave her speedy relief from rheumatism. The most torturing pains of man and beast depart under treatment with Egyptian Liniment, which is also the best household remedy known for Cuts, Scalds, Frost Bites, Chaf-blains, Neuralgia, etc.
