TOWN B. MADE NICE WIN FROM RECREATION CLUB

Last week the score in the Tuesday evening P.D.F.L. match between the Town B. and the Hollinger Recreation Club was given. As this was the first time these teams were out this season perhaps further reference to the match may not be out of place. At the match the Hollinger Recreation Club team made its debut in the football league. The Town B. team has practically the same players as last year. The teams lined up as follows:—

Holly Recreation—Ebrick, goal; Stodden and H. Johnston, backs; Thompson, A. Robertson, W. Johnson, H. Boyd, Walsh and G. Robertson, forwards.
Town B.—Brown, goal; Hackett and Berry, backs; Hamilton, Young and W. Roberts, half backs; McKay, Dunsmore, McTaggart, Horsburgh and McHugh, forwards.

The match was played with the Recreation Club playing with only nine men, but Ebrick in goal made up for these two missing men, his sensational saves being a feature of the match. Time and again the Town B. team rushed in combination, but were unable to get the leather by Ebrick. At half time the Town B. team led with the score 1 to nothing.

The second half was better football. The Recreation men let out a bit, but were unable to carry the attack very far, being handicapped by the missing players. The Town B. had most of the play, but their shooting was off in front of the goal. Both teams got a goal each in this half. The Town B. scored while Ebrick was out of his goal, and the Recreation got theirs from a pass from centre to left wing. The final score was 2 to 1.

Mr. Teasdale, of Schumacher, was the referee.

The third visit to Timmins of the Sparks Circus will be on June 20th this year. On the two previous occasions all were well pleased with this well-conducted circus. As the event is to be on Saturday, it will be of special pleasure to the youngsters, though for some of them the event will not be what it might be, as they will not need to play hockey to attend.

CORNISH ONE-AND-ALL DEFEAT SCHUMACHER 3-1.

The Cornish One-and-All took another two points by defeating the Schumacher eleven on Saturday evening last by a 3-1 margin.

The weather man put on his best behaviour and sent some real summer weather for the occasion and the Cousin Jacks were out in force to cheer their own club on. The grounds were in good condition.

The teams were as follows:—
Schumacher:—Wills, goal; Cantrell and Johnson, backs; McGowan, Cooper and Webber, half-backs; Halliwell, McDougall, Robson, Barron and Wallace, forwards.

Cornish:—Higgins, goal; Richardson and West, backs; Higman, Youton and Rice, half-backs; Tonkin, Harris, Trethewey, Toms and Taylor, forwards.

Schumacher kicked off and swung the ball out to the wing. Rice intercepted, but Cooper robbed and drove the leather past Higgins for a counter in the first two minutes of the match. The Cornish now pressed but Cantrell and Johnson kept the coast clear. The ball was transferred from end to end. Richardson and West came in for a lot of work, for the Schumacher halves fed their forwards well with short passes, while the Cousin Jacks used the long-passing tactics. Both goalies were threatened repeatedly as the pace was fast, Wills coming in for the most work as both the Maes' backs were crippled in last Wednesday's match against the Lanes and the strain was telling on their sore spots, leaving a lot for Wills to do and he showed his skill as a goalkeeper, for he pulled off some wonderful saves and had hard luck near the end of the first half when Trethewey shot in a low drive. Wills came down prone to clear and had the misfortune of hitting the ball on the inside of the upright, in getting it around to clear. First half 1-1.

The Cousin Jacks started to press from the kick-off and in two minutes, Higman got the ball past Wills for a lead. The Maes. set the pace and kept the ball in close and were about to shoot when they were fouled in the penalty area. Robson took the spot kick and shot the leather straight at Higgins who had no difficulty in saving and sent his forwards away again. There was a lively tussle in the Maes' penalty area for possession. Trethewey pounced on the ball and drove in a hot grounder by Wills, who was unsighted by Johnson standing in front of him. The Jacks tried again to increase their lead but Wills kept them out with his fine saves and once he was in danger of being put out of the game, when he fell on the ball to save with three players on his back and was kicked by a Jack who endeavoured to send the leather in. The final whistle went with the score standing, Cornish 3, Schumacher 1.

The Schumacher team is a very light team and have lot of pep and kept their heavy opponents going every minute of the match which was a fast one from beginning to end, and they will give every team a run for the leadership.

The match was handled by Referee Lamble.

The Wabewawa correspondent of The Englehart Times last week says: "I haven't got any news this week except to say that the roads are very muddy. But that don't keep the cars from going out and getting stuck. No car should be allowed to go out until the roads dry up. The mud is about 20 feet deep in most places, and about 5 feet deep where it's dry."
