GENERAL ELECTRIC STN. TO BROADCAST SPARKS CIRCUS

The entire performance of Sparks Circus including interesting incidents, concert by the 50 piece band, music from the side-show, popular songs by Vera Earle Prima-Donna and Carl Mosher Concert tenor assisted by the Sparks Circus Chonus, the sweet music of the calliope, growls, and snarls, from the wild animals in the menagerie, as well as other sounds from the circus grounds, will be broadcasted from the above station (W.G.Y.) starting promptly at 7.30 p.m. Eastern Standard Daylight Saving Time and continuing until the circus is over ! about 10.30 p.m. night of Monday June 3

Several new inventions in boadcasting will be used for the first time by W.G.Y. and they promise to carry the broadcasting of the Sparks Circus \$ distinctly, to the most distant section | 3 of the Western Hemisphere.

To the first ten people either telegraphing-telephoning-or writing to Radio Station W.G.Y. Schenectady N. Y. that this programme was heard, will receive through the courtesy of \$ W.G.Y a free ticket to the circus when 3 it exhibits in Timmins on Saturday 1 June 20th. This will undoubtedly be 4 one of the most interesting radio programmes ever put on the air by any broadcasting station and W.G.Y. will be very much interested in knowing how the radio fans like to attend a circus broad-east by Radio.
