**ACROSS CANADA AND BACK**

The wonder trip of the coming Summer will be conducted by Dean Laird, of MacDonald College, to Victoria B.C., and back.

Inspired by the success of the trip to Victoria last year on the occasion of the Teachers' Federation meeting at that point, and filled with patriotic motives for everyone to see their own country, the Dean has arranged for a special train of standard sleeping cars to leave Toronto on July 20, visiting Port Arthur, Fort William, Winnipeg, Regina, Moose Jaw, Calgary, Banff, Lake Louise, Vancouver, thence Steamer to Victoria.

Returning, the trip will be via the Okanagan Valley, Nelson, the Kootenay Lakes, Windermere Bungalow Camp, from which place the party will be motored to Banff, 104 miles over the newly completed Banff-Windermere Highway, the most charming and awe-inspiring trip it is possible to conceive, with stops at Radium Hot Springs, Vermilion River, and Storm Mountain Bungalow Camps—another day at Banff, then Edmonton, Saskatoon, Devil's Cap Bungalow Camp, near Kenora on the Lake of the Woods, steamer from Fort William to Port McNicoll, thence rail to Toronto, where the trip will terminate on August 10.

Everything is included at the price of \$325.00 from Toronto; transportation, sleeping cars, accommodation in hotels and bungalow camps, meals in diners, hotels and on steamers, sightseeing tours at points visited and all gratuities.

While appealing primarily to teachers, the tour is open to everyone desiring to go.

All welcome.

Fares from other points than Toronto will be named and descriptive illustrated booklet sent on application to Dean Laird, MacDonald College P.O., Que.

**MR. PRESTON MAKES REPLY TO MR. WILSON'S LETTER**

Also Promises to Give Still Further Information About Early Days.

Last week The Advance received a note from Mr. H. A. Preston, dated from Elk Lake, saying that he is about thirty miles south-east of Timmins and may find another Dome there. "I will tell you the news around here. Wilson would not do that for you," says Mr. Preston.

Mr. Preston had heard about the reply made to him by Mr. J. S. Wilson as published in The Advance a couple of weeks ago. Mr. Preston at the time he wrote had not yet read Mr. Wilson's letter, but he intends to make full reply and also tell how he lost his money. Here is the way Mr. Preston puts the matter:—

"I understand that Mr. J. S. Wilson has given your paper a story disputing what I wrote you lately. I would like to ask Mr. Wilson, if he is such an expert on minerals and formation, why did he take his party away from Porcupine for the purpose of going to Massey to prospect, after the Dome property had been discovered? And may I ask also why did Mr. Wilson, my own self and the rest of the party sell Mr. W. S. Edwards one half our interest in Dome Mines for the small sum of \$1,000.00 and what might have been the result if we had refused to do so? I would ask the readers of The Advance to ask Geo. Bannerman or any of the old-timers whose story they believe in. Ask Geo. Bannerman why he told Preston he had found gold before he told anyone else. I will have another slice of news to tell your readers in the near future, and there will be no lies or false statements in it.

(signed) Harry A. Preston."
