On Saturday afternoon, June 13th, the Girl's Own Club will hold an Afternoon Tea from 3 to 6, at the home of Mrs. J. R. Todd, Schumacher.

A very pleasant and successful Afternoon Tea and Home Cooking Sale was held at the home of Mrs. M. B. Scott, on Saturday last by the Ladies' Aid of the Presbyterian Church.

Monday evening this week the Goldfields Drug Store was entered by thieves and a number of fountain pens, tie pins, cigarettes and other articles taken. Chief Greer and staff are hot on the trail of the petty burglars and intend to lock them up at any early date.

LIGHTS WENT OFF DURING BAND CONCERT SUNDAY.

The intense heat during the day and the threatening storm at night interfered very materially with the attendance at the band concert in the Goldfields Theatre on Sunday evening. The attendance, indeed, was the smallest at any band concert in the past four or five years. The audience however, was an appreciative one and the programme was much enjoyed by all present. The order was the best at any recent gathering.

Just as the concert was ready to commence the lights went out all over town. The wires back of the transformer house were struck by the lightning, and it took about an hour for the necessary repairs to be made and the light service to be resumed. During this time the audience sat quietly in the darkened theatre, the only means of illumination available being an occasional candle. Without the lights the Band could not go on with the programme and the audience had to make the best of the delay. When the lights came on again the programme was proceeded with and proved to be one of the very best yet. The Timmins Citizen's Band was out in force and in exceptionally good form, the work of the Band winning very general approval and praise. The selections by the Band included: March, "Diamond Crown"; overture, "Le Diadem"; overture, "Norma"; selection, "Songs of the Old Folks." The Band under the leadership of Bandmaster F. J. Wolno played each selection in very effective and pleasing way. Bandsman Lloyd made a decided hit with his finely rendered cornet solo, "The Lost Chord." He was very enthusiastically encored, and his responding number "The Rosary," was equally pleasing and delighted all. A special feature of the programme was the vocal solo "Killarney," by Bandsman J. B. Pare, with band accompaniment. Mr. Pare's fine tenor voice and his expressive rendition of this attractive number delighted the music lovers present, while there were also compliments for the talented band accompaniment. Mr. Jas Geils in a spirited and sympathetic rendition of the "March of the Cameron Men," was at his best, which is something specially good. The audience expressed its hearty approval of the fine rendition of a fine song by insistent encore. The programme throughout was a very creditable one and found very general favour.

Commissioner Chas. Sowton, Territorial Commander of the S. A. Canada East, assisted by Lieut.-Col. Adby, the noted singer and concertina player, will conduct the services in the S. A. Hall on Wednesday evening, June 17th. His Worship Mayor Dr. J. A. McInnis, will take the chair for the occasion. The Commissioner and Lieut.-Col. Adby were here about a year ago and so have many friends here who will specially welcome this second visit.

On account of lack of room for the members attending at their former hall, the Ukrainian Labour Temple the S.V. & E. Club are changing their dance hall. Future semi-monthly dances will be held in King's Hall. These dances will be conducted under the supervision and management of the S.V. & E. Club every second Thursday, finest of music being furnished by the Club. Preparations are under way for a pleasant and enjoyable evening to-morrow (Thursday) night. The S.V. & E. Club is also giving a picnic on Sunday, June 13th, at Golden City.

Every Lens is its Own Prescription.

Many people are under the impression that when they break a lens they must produce a written prescription to have it duplicated, or else send to a far-away city where their original prescription is kept on file. The importance of having broken lenses accurately duplicated cannot be over-estimated, but it is only necessary to bring us the broken pieces; we can replace your lens in a few hours.
