SECOND GAME HERE IN DISTRICT BASEBALL

To-day (Wednesday) commencing at 4 p.m., the second game to be played at Timmins in the N.O.B.A. series will be played between Timmins and the Falls on the local athletic grounds. The game last Saturday at the Falls had to be postponed on account of wet grounds.

Next Wednesday, June 24th, Timmins plays at the Falls. The Falls plays here again on Saturday, July 4th.

HOME TIES KIRKLAND IN KING CUP GAME SATURDAY

Clean, Bright Soccer. Soft Ball Games Pleasing Ones.

Dome Mines, June 16th. Special to The Advance.

More "Dome Foam."

Last week saw two good clean games of soccer, the first a P.D.F.L. game between the Hollinger Recreation Club and a Dome team composed for the greater part of players who have not been playing on the regular line-up for past games; Butts and Reynolds being the only two who had played at the fiasco at Timmins the night before. The Holly Rec. played a gentlemanly game and the home team while not being as good in the aggregate as our regular line-up, they put up a hard sportsmanlike tussle, the Holly going home quite happy after being the winners three to two. The spectators were heard to remark that there was better football, as it should be played at this game than at the one the evening before.

The second game was between Kirkland Lake and the Dome, and this game also delighted the looker-on. From an unbiased point of view we are of the opinion that the Lake were value for a win, but our boys played like Trojans and a dandy wing shot by Fidoek evened up the score to one each, and that was the final score. Geordie Ritchie handled the whistle, and gave general satisfaction. Two of the Dome players in particular are worthy of mention for their good work, especially as they haven't had much practice this year. They are Hodgson and Fred Hitt, and with judicious coaching and more experience these two will be worth watching.

The Dome were lucky at the N.O.F.A. meeting in the draw for the Ontario Cup, they drawing a Bye in the first round, while Timmins plays the Lake at Kirkland. The final for this district is to be played at the Dome, the winners of the first round, playing the Dome at home.

The Soft Ball League (local) had only one game this week when the Mill beat the Miné 13 to 8.

In the District League, the Dome Athletics played a hum-dinger of a game with the Timmins A.S.D. Club, the Dome winning fourteen to thirteen; and on Monday evening the Tripods met the Schumacher boys and the fans were treated to high-class Soft Ball, the score at end of the 2nd half of the 5th innings being three to two, a concrete evidence that both teams were playing great ball. A home run by Geo. Mason in the 6th with the bases crowded kinder cinched the game for the Tripods and another
