

Temiskaming Firemen's Day At South End to be Big Event

Hydroplane Flights Rousing Special Interest. Goldfields Band Gives Outdoor Concert. Finlanders Hold Enjoyable Picnic. Change in Provincial Officers. Other South Porcupine News.

South Porcupine, June 16th. Special to The Advance.

Approximately five hundred Finlanders from different parts of the camp enjoyed the big sports day held in their honour on Sunday last at the Baseball grounds. The weather was ideal. The relay races caused considerable excitement and were keenly contested. Other items on the programme were also enjoyed, after which the crowd dispersed to the Finlander Hall and partook of lunch. The entire programme was handled very cleverly and everybody had a good time.

The South End High School trimmed the Timmins High School in a double header at Timmins last week. The first game (Soft Ball) finished 22 to 4, in favour of South End. The second game (Baseball) or (Hardball) finished with exactly the same score 22 to 4, in favour of South End. It looks like Timmins has seen so much of the # lately, they can't get away from it. At any rate the South End Fans are quite confident that their team can trim Timmins any time they like, which is some boast, and will help to make the next game even more interesting. It's up to Timmins to make good, now.

One of the South End girls seems rather worried over the recent press reports, concerning the lady with dark hair. If it will put her mind at ease, we will promise not to say anything until after it is all over. We know of four or five young men who will take the official announcement pretty hard. Who is the lucky fellow?

The new water main is going in pretty fast on the Connaught Hill in spite of the rain which has been trying to hold up this work. It will not be long until the steam shovel will turn its nose toward the downtown section, and the pipe which has already been placed set into its resting place at the bottom of the trenches.

Although the men working on the new main to the Dome have had to work under disadvantages, they have made considerable good progress to date. The main has now been laid to a point past Railroad street, and through what is believed to be the worst part of the entire stretch. With swamp ground and an extra abundance of the unmerciful rain to comply with, the men on this work have done exceptionally well. We hope they will not encounter any more difficulties with the balance of the work.

If you doubt your husband, take a night off and see the picture at the Majestic Theatre on Friday and Saturday of this week. The title is: "Don't Doubt your Husband." It may teach you how to save yourself unnecessary worry, and help to bring peace and harmony to your home.

The Ladies' Softball team defeated the visiting ladies from Timmins, on Wednesday last. The game was a good one and interesting for both sides until the finish. The final score was 8 to 7 in favour of South End. It looks like South End is taking all the honours lately.

The Porcupine Goldfields Band gave an outdoor concert on the lot adjoining the Fire Hall on Sunday eve. All the members of the Band were present and many fine selections were rendered. About five hundred people lined the sidewalks and street and enjoyed this unusual treat. It is hoped the Band will have further outdoor concerts.

Work on the Supply Main from the town to the Springs is expected to be started this week. About five thousand feet of pipe has already been laid along the line on surface awaiting the arrival of men to start the trenching.

Alf Grenier, of Golden City is moving his residence to the site opposite the Porcupine Railway Station. The new site will afford more accommodation for space, etc.

The many friends of Provincial J. A. Kenny, will be sorry to learn that he has been transferred to Cornwall, Ont. Provincial Kenny received notice of his promotion a few days ago, and will leave here on July 4th to take up his duties at Cornwall. Kenny, as he was socially known has been in the camp for the past five years, and has gained the confidence and respect of everyone who knew him, and while they are pleased to hear of his promotion, they sincerely regret the loss of one who has always been known to do his duty, without taking advantage of the authority vested in him, a very good record indeed for a man of the uniform. While his many friends join us in wishing him success in his new surroundings, they are unanimous in exclaiming a most sincere welcome should he again return to Porcupine.

According to information received, Provincial Craig, from Cochrane will be stationed at South Porcupine, to take up the duties of Provincial Kenny, who has been removed to Cornwall, Ont. The residents hereby welcome Provincial Craig.

Maxwell Smith left on Saturday for a business trip to Hamilton and other

points.

The Fire-brigade had a very important meeting last week regarding the Annual Tournament and Field Day, at South Porcupine, on July 1st.

Mrs. Childs was removed to a Toronto Hospital last week to undergo a serious operation.

Dan McCullough was a visitor in town last week.

The 1st of July is getting near and residents are getting anxious about the big day and celebration, which will take place at South Porcupine. Those in charge of affairs are working overtime on the plans and arranging a most superb programme, which we hope to be able to publish in the next issue of The Advance.

The Hydroplane trips have been the general comment around town and many will go up to see the Porcupine Camp and the surrounding country, the fare being \$5.00 per head. Reservations for these trips should be made in advance. If you want to get up in the air and be above the other fellow, see Max Smith for further information. The firemen were out on the grounds on Friday last, marking a course for a quarter mile race track. Bicycle races will undoubtedly be among the leading features on the big day and should draw many interested contestants. Among the other specialties will be the Firemen's Tournament; (with Fire Departments from other towns taking part); Field Sports; Hydroplane Exhibition; Aquatic Sports; Aerial Fireworks Display; Dancing, (Old style and New). Get your washing all done and get the kids ready for the big celebration on July 1st.

Last week under the heading, "Frogs Spoil the Sleep of South Porcupine Citizens, so Pond is gone," The North Bay Nugget printed the following:—

"South Porcupine, June 12—(Special).—Several years ago, fire destroyed the hotel on one of the chief corners of the business downtown section of South Porcupine. The ruins have long since been removed, but there still remained a cavity which has never been filled. The recent rains converted it into a miniature lake. As there was no outlet the place became a paradise for the deep-throated harbingers of Spring. So deep were the throatings and so loud and late did the orchestral chorus persist that a number of the residents murmured. A few sleepless nights passed and complaints were made to the municipal Council. The Fire-engine was ordered to the spot and pumping out began. Frog pond is no more."

The Advance, while giving the Nugget credit for the notice regarding the frog-pond, wishes to correct the statement of the Nugget regarding the hotel being destroyed by fire several years ago. In fact the hotel was never destroyed by fire, but was torn down and the lumber sold. For the past few years, all that remained of the large hotel was the kitchen, which was transformed into a residence, with the ice-house in the rear taking the place of a wood shed. Early this Spring these buildings were sold together with all the remaining lumber on the premises to Joe Turcotte, who has moved them to his own plot and again transformed them into very attractive cottages. The miniature lake was due to the fact that the sewer, which should have taken care of the drainage of this property, became blocked and it was necessary for the fire-engine to pump out the water so as to enable men to get at the sewer and make the necessary repairs. The Township also looked after the drainage of the lot opposite the Majestic Theatre. The water at this corner, was about five feet deep, and besides being a frog pond, it was very dangerous for children who were always playing thereabouts. During the construction of the government highway the drain from this lot was either taken out or plugged up. At any rate a new ditch was dug across the street and a six-inch iron pipe laid to take care of the drainage. The Council deserves credit for the quick action in remedying the conditions at the above mentioned places.

ACTIVITY IN SOUTHERN PART OF PORCUPINE CAMP

A correspondent sends The Advance the following note this week:—Reed and Ryan have entered into a contract with some Buffalo people to drill the Clucas-Boker claims, which adjoin the March Gold property. They are hoping to pick up the extension of the Ankerite and March ore body. Geological conditions are favorable.

Premier King wants a separate flag for Canada. Why not a flag for Ontario? Why not one for the North Land, on the same line of reasoning? And if one for the North, why not one for Timmins, the greatest North Land city? And if one for Timmins, why not one each for Mattagami, Moneta and the Bartleman Townsite?

HELPFUL CRITICISM OF RECENT KING CUP MATCH

Let All Works for Cleaner and Better Football be the Suggestion of Critic.

A gentleman with a very keen and sincere interest in football has forwarded the following letter to The Advance for publication:—

Regarding the King Cup match, Timmins vs Dome. A tale of Woe and Penalties. (By Drill).

Dome were the victors to Timmins on Wednesday night last to play off their match in the King Cup series, and they were defeated by 4 goals to 0.

To try to describe the match in detail would be useless, the game from beginning to end being in favour of Timmins who simply toyed with their opponents. The Dome, I was informed, played some reserves, but, even with a full team, I doubt whether they would have held the Timmins boys on the night's play.

No doubt the first goal was from a penalty, and the first goal in a cup match counts for a lot, but they seemed a team with no ambition, and without any plan of campaign.

There were no less than three penalty kicks during the match. Allowing for the rivalry between the clubs, three penalty kicks is a severe punishment against a team. The first and third were good decisions. In regard to the second, I thought that when Cooper was going through he was fairly tackled, but Referee Lambie thought otherwise. In an interview with Referee Lambie after the match, I asked him about the second penalty, as he was amongst the play, and after his explanation I was satisfied that a penalty kick was the correct decision.

The penalties called forth a lot of comments, both from players and the spectators, and the spirit of sport was not shown by some of the Dome players. In fact, the Dome goalie left his goal at the taking of the third penalty, allowing Cooper to tap the ball into a vacant goal. This, to my mind, was an insult, not only to the Timmins team, but to his own, and to the spectators.

Sathrang scored from the first penalty and put the ball over the bar at the second. Cooper, as above mentioned, scored the third. The other goals were scored by Sathrang and Petterson, Petterson's goal being the best of the match. This is a fine footballer and schemer. He plays brainy football and is no doubt a great help to Sathrang in obtaining his goals. I should like to see more like him. The Timmins team right through are a very sound combination. Dougall was the only forward on the Dome team to show glimpses of football, but he had no support. No doubt the Dome boys had an off day, and by their record I know they can play better football than the exhibition they gave on this occasion.

After the match the comments were many and varied, and most of the spectators were sadly disappointed with the game considering that the gate was 50c. I do not blame them. But I certainly think it is time some of these individuals were being looked after. Filthy language was hurled at the referee, and this despite the presence of ladies on the ground. I understand that some of these persons are under observation, and when they turn up at the ground they will be refused admission unless they mend their ways. I like to hear the supporters encouraging their respective teams, as a little encouragement goes a long way and calls for good humour and sport. But let it be given in a proper manner, and I daresay that we will have cleaner and better football.

SCHUMACHER WINS FROM THE TOWN B. TEAM LAST NIGHT.

The Town B. dropped two more points last night to Schumacher in the P.D.F.L., the score being 2-1.

The B. team put up much better football and should have shared the spoils. Schumacher got their first goal easy; the ball went out of play and was kicked in to centre and the boys waited for the referee to blow his whistle, while Robson kicked the leather in. The boys went right down and scored a lucky goal. Near half time Schumacher got their second goal.

In the second half the B. team had very much of the play and during a hard tussle Schumacher handled the ball and the referee awarded a penalty, but changed his mind to a corner kick.

The B. team played much better football in regards to their passing, but they still bunch together too much. Brown was back in goal again and made some wonderful saves.

The teams were:—

Town B.—Brown goal; Berry and Maxwell, backs; Hamilton, Hackett and Roberts, half-backs; Dunsmore, McTaggart, McKay, McHugh and Gilchrist, forwards.

Schumacher—Wills, goal; Johnston and Martin, backs; McGowan, Cooper and McDonald, half-backs; Hussey, Hitt, Robson, Cran and Wallace, forwards.

Schumacher Social Club Organized on Thursday Last

Caledonian Society Organized at Schumacher on Friday. Death of Mr. Osborne S. Williams Deeply Regretted. Other Items of News From Schumacher Correspondent.

Schumacher, June 16, 1925. Special to The Advance.

On June 9, a message was received announcing the death of Mr. Osborne S. Williams, one of our well-known and respected citizens, at the Ontario Hospital Mimico, where he had been a patient since Nov. of last year. Deceased was born in Goldenville N.S., about forty-five years ago, but had been associated with mining operations in Northern Ontario since 1911, the year of the great fire disaster in the Porcupine District, when he with many others was compelled to take refuge on a raft on Pearl Lake. The family came from Goldenville, N.S., to Giroux Lake, and from thence to Schumacher, in the autumn of 1922. The late Mr. Williams was a member of the United Church of Canada, and of the Fraternal Societies, I.O.O.F. at Sherbrooke, N.S., the Encampment Lodge of Cobalt, and a charter member of the Orange Order at Goldenville, N.S. The surviving members of the family are: the widow; five sons (Edward, Rufus, Gerald, Arthur, Harry), and two daughters (May and Edith), all residing at home; father, mother and brother, Henry, at Goldenville, N.S.; six sisters, Mrs. John E. Smith, Antigonish, N.S.; Mrs. Rufus Sweet, Goldenville, N.S.; Mrs. Henry McQuarrie, Timmins, and Mrs. Alex. Hattie, Mrs. Arthur Matson, Mrs. Wm. Insor, of Vipond Mine.

Beautiful floral tributes as tokens of esteem were received from the following friends and relatives:—The widow and family, mother and father; Mr. and Mrs. A. Hattie; Mr. and Mrs. Matson and family; Mr. and Mrs. Insor; Mr. and Mrs. Fitzwilliams, Mr. and Mrs. Wylde, Toronto; Miss Stella Monk; I.O.O.F. No. 459, Timmins; Encampment Lodge, South Porcupine; Mr. and Mrs. H. A. Kee and family; Schumacher Union Church; Edith's school friends; Mr. and Mrs. A. J. Harris; Kevin and Regina Blanchfield; Mr. and Mrs. Martin Horn; Mr. and Mrs. Stanley McPherson; Mr. and Mrs. A. J. Hayward; Mr. and Mrs. Clyde Miller; Mr. William McLellan and family; and McIntyre Store. Messages of sympathy were also received from father and mother, Goldenville, N.S., and Mr. and Mrs. J. Wylde, Toronto. The funeral to Timmins Cemetery was held on Saturday afternoon, June 13th, and was very largely attended by relatives and friends. Services, at the Union Church Schumacher were conducted by Rev. C. Armstrong Sales, and at the cemetery by I.O.O.F., Timmins, and Encampment Lodge, South Porcupine. The family has the sympathy of the entire community in the untimely loss of a devoted husband and father.

Miss M. Leck, of South Porcupine is the guest of Mr. and Mrs. Wm. Leck.

George Hawley, of Northern Academy, Monteith, is visiting his sister, Mrs. Allan Costain.

Misses Florence and Anna Barnett arrived home from Toronto on Saturday.

day.

Mrs. C. Young and daughter Marguerite, who have been visiting for several weeks near Kingston returned last week.

We regret to report the illness of Mrs. Muskett.

The many friends of Mr. Ball, of the Todd Drug Stores, Limited will be sorry to hear of the death of his father in Barrie on 15th inst. Mr. Ball has been visiting at his home during the past month.

A feeling of general regret passed over the town on Monday, June 8th, when the sad intelligence was received of the death of Gladys Geneva Barnett, beloved wife of Daniel Hughes of Toronto, and daughter of Mr. and Mrs. Barnett of Third Ave., at St. Michael's Hospital in Toronto. Interment took place on Thursday, 11th inst. from 245 Maitland Street, Niagara Falls, Ontario, to Fairview Cemetery. The relatives have the sincere sympathy of all in their sad bereavement.

At a meeting held in the Recreation Hall on Thursday evening, several of our citizens organized The Schumacher Social Club. The following officers were elected:—President—Mr. D. Gannon; First Vice-President—Dr. Weston; Second Vice-President—Miss Regina Blanchfield; Secretary and Treasurer—Mr. H. R. Turner. The colours of the Club are royal blue and white. Meetings will be held monthly in the Recreation Hall. The object of the Club is to promote social intercourse among our citizens. Dances, parties, picnics and other innocent forms of amusement will be held at regular intervals. The first social event will be a dance in the McIntyre Hall on June 26. Mr. T. Emory's Orchestra will furnish the music.

Mr. Jack Ronald who has been visiting his sister, Mrs. Harry Leng, left last week to accept a position near Sudbury.

Mr. H. E. Waddle, of the McIntyre Mine Office Staff has gone to Port Dover, and other points in Southern Ontario for a short holiday.

The Girls' Own Club held a very successful tea at the home of Mrs. J. R. Todd on Saturday afternoon.

Baptist services conducted by Mr. A. W. Whitecombe of Toronto were held in the Recreation Hall on Sunday evening.

A very pleasant social evening was held in the Recreation Hall on Friday 12th inst., by members of the Caledonian Society from Timmins and Schumacher. During the evening a local society was formed. More extended reference being made elsewhere in this issue.

Miss Francis Olton, of New Ray is a recent graduate of the Timmins Business College. Congratulations.

On Tuesday, June 9th, Schumacher had as visitors the Cornish team and gained their most decisive victory of the season, winning by 5 goals to 0. This was the first time this season that the Schumacher team had turned out as originally selected. All other matches the team has had to turn out with several reserves. So that with a

full team Schumacher should add more victories to their list. Cornish won the toss and elected to play with the wind behind them. Rain was falling heavily when Hitt kicked off for the locals and they were soon around the Cornish goal. Robson placing behind. End to end play followed, then Willis cleared from Trethewey, and the right wing of the home team attacked, the ball going to the left and Wallace scored for Schumacher. Half time arrived shortly with the score Schumacher 1—Cornish 0.

Rain had ceased and there was a good crowd when the second half commenced. Schumacher were soon around their opponents' goal and Hitt missed a good chance. However this must have acted as a tonic to him as he scored 3 goals in the next 20 minutes, thus accomplishing the hat trick and the crowd showed their appreciation by heartily cheering his good play. Cornish, however, still kept up their reputation for playing hard football and occasionally tested Willis but the goalie cleared well, his backs giving him plenty of room and not crowding him as they have done in recent matches. One save from Taylor was brilliant. Towards the close Robson scored No. 5, thus ending the scoring, the home team being worthy winners by 5 to 0. The whole of the Schumacher team played good football, especially Hitt who was undoubtedly the best man on the field. Cornish had an off day and this greatly affected their play. They are a good sound team and play hard right through the game. Their outside men play good football especially Tonkin, but Trethewey was their best forward in the match with Higman a good half-back. The game was well handled by Referee Sterritt.

The Line-up:—

Schumacher—Wills, goal; Martin and Johnson, backs; McGowan, Cooper and McDonald, half-backs; Dougall, Robson, Hitt, Cran and Wallace, for wards.

Cornish—Harris, goal; Moreom and West, backs; Higman, Youllin and King, half-backs; Tonkin, Warme, Trethewey, Jones and Taylor, forwards.

SCIENTIFIC PALMIST HERE ONE MORE WEEK

Have your hands read. Has read the hands of many distinguished people; also for hospitals and specialists. Here one more week. Empire Hotel, Room 19. Hours 10 a.m. to 9 p.m. Terms \$1.00. -24 p.

POPULAR YOUNG COUPLE TO BE MARRIED JUNE 22

The marriage is announced of Mr. C. B. Manette and Miss Theresa Quinlan, the event to take place at the home of the bride in North Bay on Monday, June 22nd. Miss Quinlan, who has been a very valued member of the Separate School teaching staff, left on Saturday last for her home at the Bay. Mr. Manette, who is a popular member of the staff of the Hollinger left this week for the south. After the wedding next week, the bride and groom will leave for a honeymoon in the Southern States, returning to Timmins later to take up residence here, where they will have the best of wishes of hosts of friends.

A danger sign cannot talk; yet it is not so dumb as the fellow who disregards it.

LOCAL IMPROVEMENT NOTICE

TAKE NOTICE THAT:

1. The Council of the Corporation of the Town of Timmins intends to construct the undermentioned sewers on the streets and between the points hereinafter mentioned as local improvements, and intends to specially assess a part of the cost upon the lands abutting directly on the work:
