TWO CHILDREN AT DOME MEET WITH ACCIDENTS

Baby Falls Off Chesterfield Boy Bitten by Huskie. Other Items of "Dome Foam."

Dome Mines, June 23. Special to The Advance.

Mrs. O. Gillette is very happy these days entertaining her sister and young nephew, Mrs. Carscallen and son, Douglas, from Enterprise, near Kingston, Ont.

Mr. Joek Robertson is expecting his sister out from Scotland shortly. It is understood that a former companion of Miss Robertson, a bachelor whom we all know, is personally interested in the approaching visit, and the probabilities are that the wedding bells will be ringing soon.

Mr. 'Joek' Whitton, shift boss underground, is another of those confirmed (?) bachelors who finally takes the plunge into matrimony. Hearty congratulations Jack.

Mr. Dan Hughes and Mr. Sheridan Miller have been down to Hamilton, where the I.O.O.F. Grand Encampment Session has been held. They were representing Golden Encampment No. 107, and the members of the Order will be glad to know that these Past Chief Patriarchs brought back the good news that the local Encampment had won the Reed Trophy, which is annually competed for by all the Encampments in Ontario. This will be the second time that No. 107 has won the coveted silverware since the institution in 1916. We understand that the Grand Patriarch and the Grand Scribe of Ontario will in person visit the winning "Camp" and officially present the cup, probably early in September.

Everybody was glad to see our old friend, George Miner, back home again from Toronto where he has been ever since the accident to his eye. George was 'fed up' with the city and was glad to get home. No great change is apparent in his appearance and we trust that the handicap will be overcome by the undoubted courage that he has shown right along.

Mrs. John Mason P.W.M. of the Eastern Star, is entertaining her co-workers of the Order at an At Home on Thursday of this week.

Mrs. P. Richards is away to Haileybury visiting at the home of her parents and also welcoming her sister who has journeyed from California to visit the parental home. Percy himself is getting "posted up," in two ways, first by fencing in his lot, and secondly by studying up on route maps, as we have been told he is contemplating an extended auto tour through the States to California.

One of Mr. John Doran's children, Lloyd, met with a mishap last Friday evening, when a dog, with which he was sharing his lunch, made a snatch at a piece of cake that wasn't intended for him, and the youngster, in trying to elude the unwanted advances of the dog, brought the cake up close to his face just as the husky grabbed at it, and it is presumed, accidentally, cut the young lad close to the eye. Lloyd is too hardy a kiddie to let a little thing like that keep him in the house, but it may serve as a warning to parents not to permit their children to play with dogs, which after all have only brute sense, and also serve as a reminder to the owners of the many dogs on the property to exercise a more careful supervision over them.

Quite a crowd of Dome folk visited the circus at Timmins last Saturday. Everybody appeared to be well pleased, especially the young element.

The Dome team of Rugbyites suffered a defeat at Timmins last week, and are out for revenge at the next game. If the weather was anyways suitable we should be seeing some good clean games.

The soccer crew journeyed to Kirkland Lake last Saturday and were beaten two to nil. This was one of the King Cup games and the result had no bearing in the competition as Timmins had already clinched the trophy. The boys all say that it was a good game, and one point worth mentioning in box car letters is this, that the defeated team is united in stating that the referee, Mr. Meath, of Kirkland Lake, is the most efficient and fair man with the whistle that they have played under.

The many friends of Mr. Donovan, of the Paymaster, will be pleased to hear of his promotion to captain.

The Dome First Aid Team is practicing hard every day for the competition to be held shortly.

Harold Michaelson is going around on crutches, the result of stepping

Mr. and Mrs. Godfrey Johnson Honoured at Schumacher

Presentation Made by Friends to Popular and Helpful Citizens. Personal and Other News Items From Correspondent at Schumacher This Week.

Schumacher, June 23rd. Special to The Advance.

Mrs. James Keene is visiting friends in Toronto.

Mrs. T. Howard and family, of Nakina, are the guests of her parents Mr. and Mrs. W. P. Olton, New Ray Mine.

Mr. M. Corrigan, who has been engaged in mining operations in Quebec for the past few months, returned last week.

Our local Fire Brigade, in their new motor truck visited the firemen of South Porcupine during the week, and report a very pleasant time. Preparatory practices were held for the big Temiskaming Firemen's Tournament of July 1st in South Porcupine.

An aeroplane service between the towns of South Porcupine and Timmins on Dominion Day will be one of the great conveniences and attractions of the North Country. Mr. D. Briden, our enterprising airman, is responsible for this very interesting feature of the day's programme.

Mr. James Woods left on Wednesday for a short visit with friends in Toronto, after which he will sail from New York for the old home in England.

Many of our citizens attended the circus in Timmins on Saturday and were well pleased with the street parade and performance.

Miss Francis Olton, a recent graduate of Timmins Business College, left last week for Toronto, where she has secured a position, with the Dominion Stores, Limited.

Mr. J. A. Bush is in Cochrane this week, presiding at the Departmental Examinations.

A dance under the auspices of the Schumacher Social Club will be held in the McIntyre Recreation Hall on June 26th.

Mrs. Alex. Hattie, Mrs. Arthur Matson and Mrs. Wm. Isnor, all of the Vipond Mine, left last week to visit their parents, Mr. and Mrs. E. Williams in Goldenville, Nova Scotia.

Mr. James Huxley spent a few days last week in Toronto.

Mrs. John Howard from Pembroke is the guest of her friend, Mrs. J. R. Todd.

Mr. Godfrey Johnson left Tuesday morning for a visit at his home near Warren, Ont.

A baby boy arrived at the home of Mr. and Mrs. Frank Boyce, Second Avenue on Monday June 22nd. Congratulations.

Mr. Albert Foy, who has been in the Camp for some time, left last week for his home in England. Mr. Foy has not been enjoying very good health and it is hoped the change will be beneficial.

There was a very pleasant social evening at the home of Mr. and Mrs. J. R. Todd on Monday evening when a large number of friends gathered to do honour to Mr. and Mrs. Godfrey Johnson who are shortly to leave Schumacher. Mr. and Mrs. Todd proved the ideal host and hostess and the evening was a delightful one throughout. Miss Ruth Johnson, at the piano, and Mr. Burton Holland, on the violin, furnished very attractive music during the evening. Progressive Five Hundred proved very popular and enjoyable. Mrs. P. E. Cooper won the lady's prize, a luncheon set, and Mr. G. E. Murphy the gentleman's prize a box of cigars. Dancing was also enjoyed during the evening, and an all-round pleasant time passed. Advantage was taken of the occasion to give

on a broken bottle while bathing near Golden City.

The school children are counting the days until the beginning of the summer vacation.

Miss Marjorie Spiers, aged 4, had a birthday party last week.

The young son of Mr. Ronald Vary fell off the chesterfield and fractured his collar bone. The injury was very simply done. We hope to see the young lad out and around soon.

Mr. Frank Desormeau is quite ill at his home in town. He was taken ill on Monday evening, having a serious hemorrhage.

expression to the esteem and appreciation in which Mr. and Mrs. Godfrey Johnson are held in Schumacher. Mr. and Mrs. Johnson were presented with an address and a beautiful Sterling Silver Well and Tree Platter and an Ivory Handle Carving Set. The address was read by Mrs. Todd and the presentation made by Mr. Jas. Shewan. Mr. Johnson, though taken by surprise, replied in a few well-chosen words. His response was greeted with the hearty singing of "He's a Jolly Good Fellow." A dainty luncheon was served during the evening. Radio selections were also heard and enjoyed. The address to Mr. and Mrs. Johnson was as follows, being signed by a large number of friends:—

"Dear Mr. and Mrs. Johnson: It was with very mixed feelings that our community heard of your impending departure from Schumacher; sorry that we are losing you, and glad that you are attaining something that you may have longed to attain. Your presence has been a power for good in our town; the results of your labours will long remain with us, and it will be a long time before we forget Godfrey Johnson and his better half.

"Mrs. Johnson's interest in our church came at a time when it was most needed, and the flourishing state of that institution is in no small way due to her noble efforts.

"In the last four years Mr. Johnson has spent unlimited time on our educational institutions and during his chairmanship of the School Board there was built one of the finest teacher's residences in the North Country, and certainly one of the best equipped schools in Ontario.

"These are only a few of the good things you have done for us. They all take time and unselfish devotion to a community. We all owe something to the locality in which we live but as far as Schumacher is concerned you owe us nothing, but rather we are very much in your debt.

"The accompanying presents are small tokens of the foregoing expressions, and we trust you will accept them with the same pleasure that they are given. We sincerely trust they will remind you of the many years spent in Schumacher and help you to think of us kindly once in a while.

"In your new sphere of life we wish you the best of luck, and the best of health. We hope you will be spared to give the same energetic interest to your new community, which will certainly be the gainer as we are the loser."

Signed on behalf of the friends.
