

Papermakers Lose To Miners For Third Straight Time

It Was on Circus Day. Lefty Evans Pitched to Four Batters only. Little Then Took up Mound Duty and He and Nottingham Engaged in a Regular Pitching Duel.

(By J. N. Levine). Saturday, June 20th, was circus day in Timmins, but the players of the Miners Baseball Club who had to miss the circus, to keep a date with the Papermakers on the latter's own back yard, proceeded to pull off a few circus stunts of their own, and the chief performer was none other than Wally Nottingham, the Miners star hurler.

Evans' stay on the mound, for the Papermakers was very short indeed he only pitched to 4 batters, when he was yanked in favour of Ellie Little, who proceeded to do his stuff in his old fashioned way by striking out McGrath and forcing Abrams to fly out. The old reliable McIntyre then obliged with a stinging single over short to score Tate for the Miners 4th tally of the frame.

Ellie Little settled down after the 1st frame and the game became a pitching duel between Little and Nottingham, with the latter easily getting the best of it.

Only 30 opposing batters faced Notty, and but five of the thirty managed to get on base, Cunningham turning his free pass into a tally with the aid of two wild throws. Besides pitching and fielding in a very marvellous manner, Notty helped his own cause along by inserting two clean and timely singles and scored a run.

The Miners' other two tallies came in the 7th, on hits by Nottingham, McLean and Smith, when Little weakened slightly and the pace was beginning to tell on him, while Notty was getting better as he went along.

Dunc, McLean carried off the batting honours of the day with a double and single while his fielding along with that of Johnny Monaghan was a feature of the game. The final out in the 9th by Dunc, was a very pretty piece of work, on a difficult chance in short left, and Johnny's one handed pickups and double play was sparkling. Murphy didn't like the opposing hurlers and said so by coming through with two clean singles and fielded all his chances in perfect order, and while Tate seemed contented with only one hit, his work at 1st, was without fault and saved Johnny an error on one occasion by a pretty pick-up of a low throw.

The outer garden work was capably taken care of by Smith, with Abrams and McGrath on each side of him. The old veteran, Pop McIntyre's work behind the plate is showing marked improvement as the weather gets warmer and the old kinks begin to thaw and fimmer out. Mac's work with the willow has been very timely on each of his appearances in the lineup.

Fahey and Chirooski were the only Papermakers to connect safely with Notty's shots, and the box score

shows them with one single to each of their credits. Chirooski also made a beautiful running catch of Abram's fly in the 6th. The erstwhile heavy slugger on the Papermakers line-up, "Gratton" went hitless and striking out on two occasions, once with a man on 2nd.

The Miners go back to the Falls for another league game on Wednesday June 24th, and will try to make it 4 straight wins.

The Miners are a fast hustling ball club this year and are strongly fortified in every department.

In the two games played at home which were won by Timmins the attendance from the fans has not been up to the mark of what a winning ball club deserves, but in all probability the weather conditions on those two days likely had something to do with keeping the attendance down.

The Miners' next home game is on the 4th of July and it is the intention of the Manager to give the home fans a chance to see Nottingham in action on that day, while McConnell will in all likelihood get the pitching assignment on Wednesday.

ANNIVERSARY SERVICES AT THE SALVATION ARMY

Colonel Gideon Miller and Headquarters Staff Here. Interesting and Inspiring Meetings.

The Timmins Salvation Army held special anniversary services of outstanding interest and inspiration on Saturday and Sunday.

Colonel Gideon Miller of the Headquarters Staff of Toronto, and the Headquarters Staff Quartette, were here for the event and the visit was greatly enjoyed by all concerned.

On Saturday evening at 8 p.m. in the Salvation Army Citadel there was a Grand Musical Festival. There was a good attendance and all present were delighted with the attractive programme. Rev. J. D. Parks, B. A., B.D., presided, and his address was specially appreciated. He spoke of the good work of the Salvation Army here and throughout the world, and his address sparkling with wit and humour, was very much enjoyed. The Staff Quartette rendered a number of vocal selections that were the source of joy to all the music-lovers present. This well-balanced and harmonious quartette sing with fine effect and their selections received very pronounced and well-deserved applause. Brigadier F. Easton's pianoforte solos were outstanding numbers on the excellent musical programme. The vocal solo, "The Saviour's Voice," by Staff-Capt. F. Beer, and the vocal duet, "Watchman, What of the Night?" were outstanding numbers that found decided favour. The instrumental selections by the Trio—cornet, mellophone and euphonium—with piano accompaniment, were especially fine numbers and were heartily enjoyed. Staff-Capt. Beer showed himself a talented player on the cornet, his cornet solo during the evening being particularly appreciated. Adjutant Keith made a big hit with his gifted work as a mellophone soloist. The euphonium solo by Capt. J. Wood was another fine number. Indeed many thought this was perhaps the finest number on an unusually pleasing programme. The monologue, "Look Forward," by Adjutant A. Keith delighted all by its inspiration and the talent with which it was given.

During the evening Col. Miller spoke a few inspiring words, and Adjutant Keith moved a vote of thanks to the chairman, the motion being carried very heartily.

Sunday afternoon at 3 p.m. there was a Festival of Praise in the New Empire Theatre, between two and three hundred attending this service. The chair was occupied by G. A. Macdonald. After prayer by Brigadier F. Easton and Scripture reading by Col.

Miller, an unusually pleasing and effective programme of music and song was presented. The selections by the Quartette Party were very pleasing and were given the heartiest appreciation on merit. The pianoforte solo, "Nearer to Thee," by Brigadier F. Easton, was a number that made direct appeal to the heart by its talent and understanding. The vocal duet, "I Heard His Voice," by Staff-Capt. F. Beer and Capt. J. Wood, was one of the special numbers of the afternoon, as was also the bass solo, "My Father God, is at the Helm," by Staff-Capt. J. McElhiney. The Staff-Capt. has a particularly fine bass voice and sings with much sympathy and effectiveness. "The Beautiful Stream," an instrumental trio, cornet, mellophone and euphonium, by Staff-Capt. Beer, Adjutant Keith and Capt. Wood, was another extra special for music-lovers, as was also the beautifully rendered cornet solo by Staff-Capt. Beer and the euphonium solo so well rendered by Capt. Wood. The monologue, "Not Understood," given with so much insight and sympathy by Adjutant Keith, was a delightful and impressive sermon in itself. Col. Miller spoke briefly but inspiringly, and also moved a vote of thanks to the chairman after which the audience in very enthusiastic way expressed its appreciation for the excellent programme given by the Staff Quartette. In passing, it may be interesting to note that Staff-Capt. McElhiney is Assistant Parole Officer for Ontario, being loaned to the Province for this work by the Army.

In the evening, after the church services, there was a Great Open Air Musical Rally on Spruce Street, near the station. Col. Miller conducted the Rally, and the hundreds who gathered were pleased and inspired by the beautiful music and the kindly and helpful words spoken.

Speakers making reference to the great work done by the Army emphasized the fact that the work in Timmins had been carried on with special devotion and energy, and there was very general regret at the expected departure from this district of Capt. and Mrs. Cornthwaite.

At the regular services at the Army Hall on Sunday there were specially large attendances and the services proved very inspiring, the addresses by Col. Miller and Staff-Capt. McElhiney being of particularly helpful kind.

Altogether, the Anniversary services of the S. A. may be considered as successful in every way, the inspiring music, the helpful addresses and the cheering songs and speeches, all touching on the spirit of hope and helpfulness for which the Army stands.

Saturday evening and Sunday, material assistance was given by the good work of the Timmins Salvation Army Band which has been built up to much effectiveness by Capt. Cornthwaite.

Reference was made last week to two men being drowned near Hunta. The Provincial Police investigated these deaths, and found that the drownings occurred while the men were out fishing. The men were Victor Olson and Walde Swanson of two C. N. R. section men.
