SCHOOL HOME FOR GIRLS STARTING IN LISKEARD

Under Auspices of the Women's Missionary Society of the United Church.

The following article from The New Liskeard Speaker last week will be of general interest:—

"The long deferred plan of the opening of a School Home for Girls under the auspices of the Women's Missionary Society of the Presbyterian Church in Canada (now United Church) has been made possible by the visit to New Liskeard of Mrs. J. D. Walker, President of the Ontario Provincial Society of the W.M.S. and Mrs. Colin G. Young, Educational Secretary of the Women's Missionary Society.

"The very valuable property secured is splendidly situated for such a purpose, and the close proximity to the High and Public Schools makes it ideal in every way for such an institution.

"The furnishings will be gone on with during the summer vacation and the residence will be ready for occupation at the beginning of the school term in September.

"The Home, which will be under the supervision of a capable matron, will endeavor to surround the girls with a home-like Christian atmosphere, and should exert a strong influence in the formation of character.

"This residence will be called the 'Marjorie Herridge Home' and is a memorial to the late Mrs. Herridge, late wife of Rev. Dr. Herridge, the honored minister of St. Andrew's Church, Ottawa, for so many years and is the gift of the late Mrs. E. B. Eddy, of Ottawa, and will be one of the fourteen School Homes under the W.M.S. in Canada.

"We understand the property above referred to is the D. M. Ferguson residence, which certainly will make a fine home for high school girls."

DICKSON CUP MATCHES STILL TO BE PLAYED

In the Dickson Cup Football series, the following are the matches scheduled to be played:—

Thursday, July 9th—Dome at Timmins.

Saturday, July 18th—Dome at Kirkland Lake.

Saturday, July 25th—Kirkland Lake at Timmins.

There is also the match, Timmins at Kirkland Lake, scheduled for Saturday, June 27th, but postponed to allow of the holding of the Ontario Cup match. This match will be played on a date to be selected.

THIS LADY HAD THE RIGHT KIND OF FAITH IN LISKEARD

New Liskeard Firemen won first prize at South Porcupine for the best appearing brigade in the Temiskaming Firemen's Tournament. Speaking of the matter The New Liskeard Speaker last week said:—

"One lady we heard say before the firemen went north, after seeing them parading from the Sunday evening service, led by the band, that she knew perfectly well they would win the prize for the best dressed and best looking brigade, although she had not yet seen the other brigades. That's the kind of faith to have in your own townspeople eh?"

MARRIAGE OF MR. NORMAN ROY McEACHREN ON JUNE 18.

Friends in Timmins will be interested in the following clipping relative to the marriage of Mr. Norman Roy McEachren, son of Mr. and Mrs. Norman McEachren, formerly residents of Mattagami Heights and Timmins. Innumerable friends here will extend heartiest good wishes. The following is the report of the wedding as given in a Western Ontario daily newspaper:—

"A very pretty wedding took place on June 18th, at the home of the bride's mother, Sixth Line Mooretown, when Jessie May, daughter of Mrs. A. B. Garbutt and the late Harvey Garbutt, became the bride of Mr. Norman Roy McEachren, son of Mr. and Mrs. Norman McEachren, Detroit, Michigan. The ceremony which took place at high noon, was solemnized by Rev. Jas. Finlay of Courtright, in the presence of near relatives and a few close friends.

"The bride looked very lovely in a gown of honey dew crepe de chene with overdress of chiffon heavily beaded with seed pearls, and wore a wreath of orange blossoms. She carried a shower bouquet of Sweetheart roses and lilies-of-the-valley and wore the groom's gift a pretty wrist watch. Miss Olive Garbutt attended her sister and Mr. Harry McEachren was best man. The groom's gift to the bridesmaid was an ivory set, and to the best man, gold cuff links.

"After the ceremony a dainty luncheon was served and the bridal party left for Detroit, where a reception was held in the evening by Mr. and Mrs. Norman McEachren. The gifts were numerous and very beautiful. The happy couple carry with them the best wishes of a host of friends both at Mooretown and Chatham, where the bride formerly resided. Among the guests were Mr. and Mrs. Norman McEachren and Mr. Harry McEachren of Detroit; Mr. and Mrs. Frank Holland and family, Mr. and Mrs. Ripley and Miss Dougherty of Chatham."

BOARD OF TRADE ASKING ABOUT SALE OF LIMITS

Sale of Limits on Mattagami Watershed of Particular Interest to Timmins.

At the meeting of the Timmins Board of Trade on Tuesday evening last week there was a small attendance, hardly enough gathering to make a good quorum. The President, Mr. F. M. Wallingford, occupied the chair, and the meeting, which was held in King's Hall took up two questions of special importance to the Town.

One of these was the proposed sale of timber limits on the watershed of the Mattagami River. Advertisements calling for tenders do not define even roughly the number or location of the limits offered for sale. "Certain areas situated in the following regions," says the introductory paragraph of the advertisement. Among the "following regions" the advertisement specifies "the watershed of the Mattagami River." The Board of Trade felt that the matter of the sale of limits on the Mattagami watershed was of very special interest and importance to Timmins.

There are five important mills at Timmins and these will be able to use all the limits south of Sandy Falls. If outside firms especially large American interests buy limits south of Sandy Falls it will mean a considerable loss to Timmins, the wood being diverted from the natural run to Timmins where it would mean employment to many here as well as trade and benefit to the town generally.

On the other hand the Government can not get as good a price from the sale of these limits as it would get from the Timmins mills. The mills here, on account of their natural location, could afford a better bid on these limits than outside firms. It was pointed out that none of the mills here have limits that will supply their needs for more than four or five years. One member of the Board of Trade suggested that it might be good business from the practical economic standpoint to reserve all limits south of Sandy Falls for the present. In any event the limits should be held for a good price at present. There should be no rush in disposing of them. After a general discussion it was decided to write to the Dept. of Lands and Forests to learn just exactly what areas on the Mattagami watershed are now being offered for sale by tender, as the matter from practically every standpoint is of vital interest to the town.

The other question before the

SCHUMACHER WINS FROM THE LANCASHIRE ELEVEN

The Schumacher eleven defeated the Lancashire Club team in the P.D.F.L. here on Thursday last. The score was 2 to 1. The winning goal came five minutes from the end of the match on an individual play.

Schumacher is making great strides in the League of late, steadily climbing the League table.

DEMONSTRATION RUN OF NEW FIRE TRUCK THURSDAY

Thursday evening Chief Borland called out the new motor fire truck for a demonstration run and the prompt response was most gratifying. Leaving word at the hall that he would likely call from Box 63, the Fire Chief and the Inspector went to Moneta and sent in an alarm from Box 65, corner of Tisdale Avenue and Pine Street. It was thought that the change in the box number might confuse the firemen, and at any rate they would have to stop long enough to be sure of the new number, which would offset any advantage they might have by specially expecting a call. They got the number all right and made a remarkable run, reaching the expected "scene of the fire" in 2 1/4 minutes from the time the alarm was sent in. Good work!

danger to the public at the Spruce Street crossing, near the Golf Course. Reference was made to the narrow escape from tragedy at this crossing some days ago when a light engine came dangerously close to hitting an automobile. The auto driver could not see the moving engine on account of some standing box cars blocking off the view. The standing box cars too often block off view of approaching trains or engines at this crossing. The public are accordingly placed in serious danger. There was a general discussion as to how the danger might be removed from this much-used crossing. One suggestion was the installation of an alarm bell. Another was that wherever the crossing was being used for freight trains or for light engines that a man be stationed at the crossing to warn the users of the road. It was decided to have the President interview the local Station Master to see what may be done to remove the danger from this crossing. On several occasions The Advance has referred to this dangerous crossing and there is no doubt but that something should be done to protect the public at this crossing.

Rev. R. E. Morton, who some years ago was stationed at Iroquois Falls, but recently has been pastor of the Methodist church at Sudbury, has been transferred from the latter town.

After Every Meal

Pass it around after every meal. Give the family the benefit of its aid to digestion. Cleans teeth too. Keep it always in the house. R81
