

Town Market Every Saturday Commencing on July the 25th

Market This Year to be Held at the Curling Rink. Council Passes Resolution re Condition of Road at Porquis Junction. Other Town Council Business.

At the regular meeting of the Town Council on Monday afternoon Mayor Dr. Melnis, presided, and Councillors J. H. Bacon, E. L. Longmore, H. Charlebois, Geo. S. Drew and J. Morrison were present. Councillor Wallingford was absent from town being in Toronto on a deputation to the Government from the Northern Ontario Associated Boards of Trade.

Citizens present asked for water and sewer connections on First Ave. They were told that they would be given water but at present it would not be practical to put in the sewers.

Mr. N. Blahay, asked for water and sewer on Fourth Avenue, lower end, where the rock is. Councillor Longmore said that he believed the only way to settle the water question on streets where there was heavy rock and so where the revenue would not pay the cost was to gather all these cases together and have the rate-payers at large vote as to whether the work should be done. This was the procedure suggested by the law.

Mr. Wm. Hass called the attention of Council to the present condition of Wilson Avenue near his hotel property. The ditch was deep at the side and there was no access to the property from Wilson Ave., for rigs. The Mayor said that if anything were done the whole strip of street would have to be filled in, and the town could not afford to do this at present. However, after considering the case presented by Mr. Hass in the matter, the question was referred to the Board of Works and the Town Engineer.

Mr. Katz, asked for a sewer connection on Kirby Avenue. Under present conditions it would be necessary for him to go across the front of three lots to get to the sewer. If the dead ends recommended to be connected up by the Town Engineer's report (but dropped by the Council for this year) were to be proceeded with Mr. Katz could get connection in the ordinary way. The Council referred the matter to the Town Engineer to see what may be done.

Mr. St. Pierre asked for the co-operation of the Council in the chang-

ing of the course of water flooding some of his lots near Wilson Ave. Council agreed to assist.

Mr. C. V. Gallagher presented new plans for a townsite on the road to the cemetery. The larger original townsite has been withdrawn and now only 50 lots high and dry, are being offered. The plans after discussion, were approved.

New battery plates were authorized for the fire alarm system.

The Northern Canada Power Co., was asked to take its poles off the High Schobl grounds, and also to put up the necessary poles to the incinerator plant.

The by-law re paving and storm sewers was given its required readings and formally passed. Payments were authorized on contracts, and for routine accounts.

On motion of Councillor Bacon, it was decided to open the Timmins Market on Saturday, July 25th. The Market this year will be held once a week—every Saturday—in the Timmins Curling Rink, opposite the station. Last year the Market was a big success, and of great value to the people of the town and to market gardeners, farmers and settlers alike. This year it should prove equally useful to all. To the farmers it offers a ready method of disposing of produce, while to the general public it gives the opportunity for the purchase economically of choice, fresh market garden and farm produce.

Reference was made to the bad condition of the road to Porquis Junction, which was practically impassable at certain points. A resolution asking the Government to remedy the matter was passed and forwarded by night letter to the deputation from the Northern Ontario Associated Boards of Trade for presentation to the Government.

Suggestion was made that a traffic by-law be passed requiring all to take the side of the street on the approach of the new fire truck, so as to avoid danger of accidents when the truck is answering fire calls.

PULP LIMITS TO BE SOLD ARE NORTH OF SANDY FALLS

Board of Trade Given Particulars In Response to Inquiry.

At the last meeting of the Board of Trade a resolution was passed asking the Dept. of Lands and Forests for particulars as to the pulp and timber limits offered for sale on the Mattagami watershed. It was felt, that the offering for sale of limits south of Sandy Falls would be prejudicial to Timmins and to the best interests of the Government. Reply received last week from the Dept. shows that all the limits offered are north of Sandy Falls and so of no direct concern here. Timber from these limits would naturally go to Fauquier, Smooth Rock Falls, Smoky Falls, etc.

Indications appear to suggest big things in the pulp line in the North. Mr. J. H. Black has taken charge of the Spruce Falls Pulp & Paper Co., and report has it that this company will assume control of the Mattagami Pulp & Paper Co. and also erect a mill at Smoky Falls. Of course there is no official announcement in the matter, but the man on the street is expecting big things. In reference to the Mattagami Pulp & Paper Co. at present the big thing seems to be that the settlers should be paid for the pulpwood purchased from them over four years ago. The Government should see that there is no transfer of limits until this justice is done.

BIG RACE MEET TO-DAY AT DALTON'S PARK TRACK

Twenty Fine Race Horses Here From Outside Points.

A race meet that in point of the numbers and quality of the entries in the several classes would do credit to any track is being held this afternoon at Dalton's track. There was a parade of the visiting horses on Monday evening, with good prizes awarded for the display. A report of the event to-day with particulars of the Monday evening event will be given in The Advance next week. There are noted horses here from Haileybury, Liskeard, Cochrane, South Porcupine and Ville Marie. In addition to the horse races, there will be bicycle races, running races, etc.

SCHUMACHER WINS AGAIN IN DISTRICT FOOTBALL

W. J. Wills Signed Up by Timmins Team Last Week.

Schumacher, July 14th. Special to The Advance.

Town B. were the visitors to Schumacher on July 14th, and were soundly beaten by 5 goals to none. The Schumacher boys have now gained 11 out of the last possible 12 points, and have scored 18 goals to 4 against.

Schumacher scored in the first minute of the match with Town B., but the referee allowed the match to proceed. The ball struck the iron support of the net and rebounded into play. However, Robson scored a good goal and the home boys were leading 1 goal to none at half time.

In the second half Schumacher did what they pleased with the Town B. and goals were scored by Cran (2), Hitt (1), Robson (1). The final score was five goals to none in favour of the home team.

W. J. Wills, Schumacher's popular goalie, was signed by the Timmins District Team last week. Timmins was just in time, as the Dome team were anxious to get him.

BIG ATTRACTION FOR TIMMINS JULY 21 TO 29

Under Auspices of the Timmins Football Club.

Under the auspices of the Timmins Football Club there will be a big attraction at the Timmins Athletic Grounds, Tuesday, July 21st to Wednesday, July 29th, inclusive. This attraction is the famous Palmers United Attractions, one of the big features to be at North Bay for the Old Home Week, and appearing during the past several years at Fairs, Re-Unions, etc., in Ontario towns, and always with good reports and usually with return engagements. The Palmer United Attractions is generally recommended as a clean, bright entertainment feature that makes general appeal. It has a number of midway features that are very popular, including big Ferris Wheel, Jumping Horse Carry-us-All, O. H. Johns noted Glass Blowers, Prof. Puzey's trained animals, Boneless Bendo the contortionist, etc., etc. Two free performances each day. The Football Club is looking to the returns from this attraction to assist in financing for the season, and from the reports from places where Palmers have been the public can look for first class clean and entertaining amusement features.

NEW BAND STAND LOOKS WELL IN GREEN AND WHITE.

Saturday afternoon last a number of the members of the Timmins Band, headed by Bandmaster Wolno, who can wield a paint brush as well as a leader's baton held a little "bee" and painted the new band stand. The stand, with its red roof has been painted green, with trimmings of white, and looks very well indeed. The Band is quite proud of the new band stand, which is very a creditable structure indeed, thanks to the good work of the contractors, Hill-Clark-Francis, and the Town Engineer, Mr. C. R. Murdock, who has taken special interest in having a good-appearing and substantial band stand.

ROAD TO SOUTH END TO BE FINISHED BY SEPTEMBER

Work is now in good progress on the construction of the road between South Porcupine and Timmins. The contractors say the road will be completed by September. Previous to July 1st, the road was closed so as to advance the transportation of material, machinery, etc., to the River Road section, which is now practically completed, and work is now centered on the completion of the section from South Porcupine to the subway at Timmins.

HOLLINGER WINS FROM DOME LAST NIGHT, 2-0.

In the P.D.F.L. match last evening Hollinger won from Dome 2 to 0. Mr. A. Cadman was the referee. The first score was made by Satrang from a penalty. This was followed 30 seconds after by a goal by Short. In the last half the Dome had a nice chance on a penalty kick, S. Harrower sending in a nice shot, but Larmer made a clever save.

The teams lined up as follows:—Hollinger—Larmer, goal; Hetherington and A. Roberts, backs; Stephenson, Anderson and Short, half-backs; Landers, Satrang, Petterson, McLaughlin and Dunbar, forwards.

Dome—Sharp, goal; Ewart and Reynolds, backs; A. Harrower, R. Harrower, Hodgins, half-backs; Hitt, Goodman, Walker, Buck and Munro, forwards.

ORANGEMEN PARADE TO CHURCH ON THE TWELFTH.

Timmins L. O. L. attended divine service in a body on Sunday last—the Twelfth of July—at Selma Union Church in the morning and at the Old Empire Theatre in the evening. At Selma Union Rev. T. Armstrong Sales preached a very appropriate and inspiring sermon to the large attendance of Orangemen and others gathered for the event. The evening service was to be held at the Baptist church, but it was felt that the church was not large enough to accommodate all attending, so the service was held in the Old Empire Theatre where Rev. M. R. Hall, delivered a very timely and impressive address. The members of the Timmins L. O. L., together with many visiting brethren, marched from the hall on Mountjoy Street to the theatre for the service. The Englehart Pipe Band, including three skilled pipers and two drummers headed the march, discoursing stirring music. The Sunday marchers attracted much attention, large crowds lining the sidewalks as the march went by. There were about one hundred in regalia in the march to church.

MR. EUGENE DERWAY PASSES AWAY TUESDAY MORNING

Many friends in Timmins and district will learn with the sincerest regret of the death on Tuesday morning of Mr. Eugene Derway, Commercial Avenue. The deepest sympathy will be extended to the bereaved widow and family in their loss.

The late Mr. Derway had been ill over a year. Death was due to heart trouble.

The late Mr. Derway came to Timmins about nine years ago with his family and they have been esteemed residents of the town since then.

In addition to the bereaved widow, three daughters and one son survive. All are resident in Timmins. The son is Mr. Ray Derway, of the Hollinger office staff. The daughters are Mrs. V. Clermont, Mrs. B. Bogue and Mrs. Ivan Stadelman.

The funeral takes place this week to the R. C. church and cemetery.

Miss Emma Trofford is on a two weeks' vacation to Sudbury and vicinity.

Orangemen of the District Celebrate the Twelfth Here

Over 120 in Parade at Timmins on Monday. Englehart Pipe Band a Feature. Excellent Programme of Sports and Novelties. Attractive Addresses. Highland Dancing by Little Girls a Big Attraction.

The first celebration in Timmins of the Twelfth of July by Cochrane District Orangemen took place on Monday, and may be set down as a very pleasing success. The lodges represented here were Timmins, Connaught and Schumacher L. O. L. and five members from Cochrane were also present. There was also representation of O.Y.B. There were over 125 in the line of march, with Mr. John Bolster at the front on the big white horse, and Mr. Aldy McCord as rear-guard on another big white horse. The parade was headed by the Englehart Pipe Band, whose good music attracted much attention. The Orangemen marched from the hall on Mountjoy Street and along the principal streets of the town, looking well in their regalia. A couple of decorated auto's added to the interest. There was also a live goat taken in the march as a mascot. Banners and flags were numerous. The procession was carried through very effectively and quietly.

At the athletic grounds there was a programme of sports as well as addresses and other features. This part of the day was in charge of District Master Burnie, of Connaught, who carried through his part with noteworthy ability and efficiency. The committee in charge are also to be congratulated on the very pleasing programme provided,—a programme that was much appreciated by the good crowd attending. One of the specially popular features was the clever Highland dancing by little Misses Margaret Easton, Maisie Roberts and May Moore. Addresses of interest and inspiration, with commendable touches of humour and wit, were given by the Mayor, Dr. J. A. Melnis, Rev. J. D. Parks, Rev. T.

Armstrong Sales and Rev. M. H. Hall. The Orangemen have expressed their appreciation of the effective work of the local police in keeping the very best of order during the whole day. On the other hand the general opinion is that the Orangemen themselves are also to be commended on the pleasing way in which the whole day was carried through.

The programme of sports, athletics, and novelties was much enjoyed by all. There were football, baseball and softball games, references to which will be found elsewhere in this issue. The sports and novelties brought out keen contests and were much enjoyed.

There was an attractive list of prizes the following being winners of events:—

Married Ladies Race—1, Mrs. Sullivan; 2, Mrs. M. Davis; 3, Mrs. Kilgour.

Single Ladies' Race—1, Marie Treboutat; 2, K. Maclean.

One mile one—Vern Reynold, Vipond.

Girls, 10—14,—Amedie Godin.

Orangemen's Race—T. Howard, Schumacher.

100 yds. open—R. C. Honey.

Tug-of-War—Timmins vs. Connaught; Connaught won. Schumacher won from Connaught.

440 yds. dash—G. A. McGraw.

Ladies over 40—Mrs. Newington.

Skipping Race—Marie Treboutat.

Ladies open race—Mrs. Kilgour.

Pole Vault—F. Davidson, 9 1/2 ft.

Wheelbarrow Race—Michael Downeyward; E. Ellice.

Boys' Race—14 to 17—Jack Shubb.

Boys' Race—Leonard Godin.

O.Y.B. Race—Jack Shubb.

Putting the Shot—F. Davidson, 31 ft. 3 inches.

CONSERVATIVES HOLDING PUBLIC MEETING HERE.

On Monday evening next, July 20th, there is to be a public meeting in the New Empire Theatre, commencing at 8.30 p.m., in the interests of the Conservative party. A number of prominent speakers in both French and English are expected from outside, and a particularly attractive and interesting meeting is expected.

RADIO ARTISTS ON TRIP THROUGH THE NORTH LAND

At Temagami on Monday and Spent Three Hours at Timmins on Tuesday.

A special train of three cars was at Timmins on Tuesday morning from ten o'clock till afternoon. This was "Roxy" and his gang of famous radio artists, announced from the Prime Minister's office as taking a trip over the T. & N. O. Railway. They spent Monday at Lake Temagami, and from 3 to 5 Tuesday was spent at Iroquois Falls, from the Falls going west by Transcontinental. The purpose of their visit is to advertise and broadcast the summer resorts of the Province. A complete portable radio outfit is carried and entertainments are broadcast each evening. Up to the present The Advance has not heard of any of the radio fans in Timmins being able to listen in on any of these broadcasts. However, this may be due to conditions peculiar to this part of the North Land, and as the party goes West the broadcasting may be heard here all right.

OPEN-AIR BAND CONCERT SUNDAY, EVENING, JULY 19th.

Owing to the fact that many of the members of the Band are on shift on Thursday evening this week, the regular open air band concert has been postponed until Sunday evening after the church services when a sacred band concert will be given at the new band stand near the station. On Thursday evening July 23rd, there will be the regular open air concert, and then again on alternate Sunday and Thursday evenings through the summer. On account of so many members of the band being on shift on alternate weeks, this plan seems to be the only one that will allow of a full band for the open air concerts. The public accordingly, are asked to remember, that the next band concert will be on Sunday evening, July 19th, then the next on Thursday evening July 23rd.

Dr. George, Provincial Medical Health Officer for the North Land, is a visitor to town this week.

Mr. and Mrs. J. Knox and daughters left this morning for a visit to the South.

LIEUT. HARVEY MAKING GOOD SHOWING AT BISLEY

Timmins Expert With Rifle Makes Creditable Scores at Big Events

Despatches from Bisley, England, show that Lieut. Harvey, of Timmins, is making a creditable showing.

At the first range in the shoot for the Conan Doyle Challenge Statuette squadded competition 200 yards, seven shots per man. Lieut. A. J. Harvey, Algonquin Rifles, Timmins, Ont., and Lieut. Alex. Martin, Calgary, made possibles, 35 each.

In the Wimbledon Cup, Lieut. Harvey was among the prize winners, with 33 out of a possible 35. Lieut. Burke, Ottawa, won this trophy with 35.

Lieut. Harvey was among the prize winners in the Stock Exchange match.

In the Duke of Cambridge squadded competition, Lieut. Harvey was among the winners with 44 out of 50. In other competitions he also made a good showing, and it is expected that his visit to Bisley will fully show honour to Timmins and credit to Lieut. Harvey.

ARRANGEMENTS WELL UNDER WAY FOR BAND REGATTA

It has been the intention this year of the Committee in charge to make the annual Regatta under the auspices of the Timmins Citizens' Band, the very best yet in the line of successes. The event is scheduled for Wednesday, July 29th, and an unusually pleasing programme of water sports, novelties, etc., is being arranged. Further particulars of the event on July 29th will be announced by cards and dodgers during the next few days.

WINNERS IN FIRST EVENTS IN LADIES' GOLF HERE.

Last Friday afternoon the opening of the Ladies Competitions in the Timmins Golf Club was held. The event opened with a luncheon at one o'clock after which the first competition was held. This was a driving and putting contest, Mrs. J. R. Todd, winning. Mrs. A. F. Brigham was the winner in the driving contest, which followed the driving and putting competition. There was a large number of ladies out for the initial event and the season promises well in spite of the late start.

Three Silver Cups for Best Garden Displays in Town

Timmins Horticultural Society Seeking to Encourage the Beautifying of the Town and to Increase Attention to Flower and Vegetable Gardens in Timmins.

At the Directors' meeting of the Timmins Horticultural Society last Friday evening it was decided to give three silver cups for the best garden displays in the Town of Timmins. This competition is open to all and no entry fee is charged. It is the first competition of its kind ever held in Timmins, and the intention is to make it an annual event.

Now is the time to get busy and cultivate, weed and arrange your gardens. There are three cups to be offered. First, there is the Challenge Cup, to be won three years by the same person. It is not necessary that the years be successive ones to win. The competition is for the best front garden and back garden combined. Note the conditions:—

Home Surroundings Competition—General appearance, considering material, arrangement, character-of layout (indicating cultural skill) neatness.

Vegetable Garden Competition—Staple Varieties (to include not less than 6 varieties), cultivation and care, arrangement, condition.

In addition to the Challenge Cup, there are two other silver cups to be awarded. There is a silver cup for the best Vegetable Garden, and a silver cup for the best Flower Garden. These are for separate entries.

All wishing to enter these competitions should send in their names and addresses to the President, Mr. H. Hatton, Phone 336 W., or to Mr. A. R. Harkness, Phone 256.

Help to beautify the town and your home surroundings. The Timmins Horticultural Society extends a sincere invitation to all to consult the officers of the Society when in doubt as to what to plant, when to plant or how to plant. All information and advice free. Join the Timmins Horticultural Society. It is to your advantage.

Express Delivery Limits To Be Extended in Timmins

Survey of the Town Made Last Week and it is Likely That New Limits for Free Delivery of Express Will Take in Practically All of the Town.

Recently the Timmins Board of Trade renewed the agitation for the extension of the limits of free delivery of express in the town. Resolutions in the matter were sent to the express companies and to the Railway and Municipal Board. Last week a representative of the express companies visited the town and in company with Secretary J. K. Moore of the Board of Trade, made a complete survey of the town. It is interesting to note that the distance travelled in the survey was over nine miles, according to the speedometer on the automobile used.

The limits suggested for express delivery by the representative of the companies did not include Rochester and some other important sections of the Municipality. Both the Council and the Board of Trade are on record by formal resolutions requesting that the town limits be the limits for express delivery. The representative

did not think this was practical or really necessary. He did, however, agree that Rochester and some other sections should be included in the free delivery zone. Indeed his plan as revised after the survey practically includes all the town. Taking in Rochester Townsite, it follows the base line behind Sixth Avenue to Rea Street, taking in all the Hollinger houses. From Rea Street the line goes to the Hollinger Lane to the River. Along the River front to Commercial Avenue. From Commercial to Mountjoy Street; along Mountjoy to Kirby; Kirby to Preston; along Preston to Ogden and from Ogden to the Railway. This makes a very material addition to the limits, and only omits a few sections where there are few houses and difficulty of access. This new definition of the express limits will have to be approved by the companies before it goes into effect.
