Timmins Likely to Win the Dickson Cup This Season

Won From Kirkland Lake on Saturday With Score of 1 to 0. Only Other Game for Timmins in This Series is Kirkland Lake at Timmins on July 25th. Timmins Without a Loss This Season.

The most outstanding feature of the Kirkland Lake Orangemen's Celebration on Saturday, July 11th, was the grand battle between Timmins and Kirkland Lake footballers for supremacy in the Dickson Cup series, Timmins winning 1 to 0.

Owing to the heavy rain which fell in the early part of the afternoon, the field was very heavy, and fast football was impossible.

Timmins won the toss and started with the sun at their backs, taking possession of the play at the start. The forward combination worked well. Street gave a nicely-placed pass to Satrang who made no mistake. Timmins 1.

The play was very exciting, and went from end to end. Cuncliffe and G. Cadman, the Lake's wings, were playing strenuous football but owing to the teamwork of the visitors' defence the results of their good work was nil.

The first half ended with the Timmins forwards pressing Ramsay who was forced to pass to the goalie to clear.

In the last half the steady, persistent and consistent play of Timmins was very evident, while the work of Kirkland Lake was inclined to be spasmodic. The Timmins outside wings were getting through and causing the Kirkland defence a lot of worry. A well-timed pass by Dunbar to Satrang was shot hard and had the Kirkland goalie well beaten, but struck the cross bar. Kirkland next took possession of the game and was pressing Timmins, but G. Cooper, F. Cadman and Short were playing a great breaking-up game and were feeding the forwards effectively and all the efforts of Kirkland were frustrated.

Howarth, Ramsay and J. Hamilton, on the defence, and G. Cadman, and Cuncliffe, of the forwards, seemed to be the outstanding players for Kirkland Lake.

In view of the splendid team work of the Timmins team, it seems hardly fair to single out any players for special mention, but the work of Cooper, F. Cadman, Liddle and Hetherington was so outstanding as to merit particular reference. Jackson, playing centre for Timmins, showed good judgment when he rounded Ramsay and he was unlucky in not scor-

ing. Elrick in goal showed himself well worthy of the confidence reposed in him by his team-mates.

Mr. Meath, Kirkland Lake, was referee. He was prompt and decisive in his findings, and kept the players well in hand.

The game ended with Kirkland Lake pressing, but Timmins defence held out, the final score being Timmins 1, Kirkland Lake 0.

Kirkland Lake—Howarth, goal; Ramsay and McGregor, backs; Cregg, J. Hamilton and McPhail, half-backs; Hastie, A. Hamilton, G. Cadman, Cuncliffe, Parsons forwards.

Timmins—Elrick, goal; Liddle and Hetherington, backs; G. Cooper, F. Cadman and Short, half-backs; Street, Satrang, Jackson, A. Cadman, and Dunbar forwards. Manager—J. Jardine.

PROMOTIONS IN SR. ROOM PORQUIS JCT., PUBLIC SCHOOL

Jr. IV to Sr. IV—Albert Baillo, Marjory Woodall.

Sr. III to Jr. IV—Bertram Milne, Chrissie Milne, Mary Richardson.

Jr. III to Sr. III—Kathleen Woodall, Arthur Swayne, Winnifred Rowlandson, Mary Naida.

N.B.—The pupils of Sr. II have been in the class only 5 months. Therefore those who did not pass will be given an opportunity to try during the autumn term.

W. A. Kaye, Principal.

In Mr. Jos. Goulet's advt. last week under the heading of "Wood for Sale" the address was wrongly given. The address should have been 80 First Avenue. As will be noted by the advt. elsewhere in this issue Mr. Goulet is selling green slabs at \$4.50 and dry slabs at \$5.00 per load, every load guaranteed over two cords. Orders may be left at 80 First Avenue, or phoned to Phone 584-w.

Only two more games are scheduled in the Dickson Cup series—Dome at Kirkland Lake on Saturday, July 18, and Kirkland Lake at Timmins, Saturday of next week, July 25th.

PROVINCIAL GOVERNMENT BUILT BRIDGE OVER RIVER

In a article last week suggesting that, while a million dollars a year is paid by this part of the North in Federal taxes, there has been practically nothing returned in the way of expenditures for needed public buildings and public works, The North Bay Nugget in a despatch from Timmins mentions the few paltry expenditures ever made in the North. The Nugget article shows plainly that the Dominion Governments, past and present, have been taking millions from the North and neglecting to provide the many necessary public works that should be built in the North Land. The Nugget makes out a strong case, but the facts are even stronger. For instance, The Nugget mentions the bridge over the Mattagami as being built by the Dominion Government. The fact is that this bridge was built by the Provincial Government. It is one of the necessities for which the district is indebted to Hon. G. Howard Ferguson. It was built in 1919. There is an interesting history in connection with this public work. In 1918 the residents of Mountjoy were particularly desirous of securing a bridge over the Mattagami and a spur line to the river. These questions were taken up by the Mountjoy Settlers' Association and the co-operation of the Timmins Board of Trade was secured. There were many in the Board of Trade who were especially anxious to do anything to assist the settlers, and it was suggested that if the settlers would select two of their number to go to Toronto to present the case for Mountjoy, the Timmins Board of Trade would defray the expenses as well as sending delegates of their own to press the questions upon the Government. The two men selected from Mountjoy were Messrs. F. M. Wallingford and S. McChesney, while Mr. T. F. King, President of the Board of Trade, and Dr. McInnis, Mayor, went down on behalf of Timmins Board of Trade. The delegates presented its case so well, and Hon. Mr. Ferguson was, as usual, so favourably disposed to help the North, that a promise was made that a bridge would be built over the Mattagami and the spur line also would be constructed. If the delegation had been forced to choose either for the bridge or the spur they would have been unanimous for the bridge. But they got both. And to-day to everybody their farsightedness is very apparent though it was by no means so apparent at the time.

It must be sadly repeated that all the district of Timmins has received from the Federal Government is the old gun that sits before the Town Hall and that was brought here free by the railways.
