

Work of Macadamizing the Dome Road Now In Progress

Impromptu Concert at Dome Ex. Frank Miner Meets With Accident. Dome Tripods Lose to Hollinger Soft Ball Experts. Other Items of Dome Foam.

Dome Mines, July 14th. Special to The Advance. "Dome Foam." Mr. and Mrs. John Mason have gone to Toronto for a two weeks' vacation.

Mr. and Mrs. W. Honer and George Honer have gone for an auto tour to Fiesherston, Ont. Mr. A. Lambert recently returned from Sudbury.

The Dome and McIntyre ladies are going to hold a tennis tournament this week.

Mrs. Bowden was visiting Mrs. Michaelson last week.

Mrs. J. K. McCaffrey is spending a vacation at her former home in Utterson, Ont.

The ladies of the Eastern Star Chapter spent a very enjoyable afternoon as the guests of Mrs. J. Fell, whose idea of a perfect lunch was shared in by the visiting ladies.

Mrs. L. P. Marcell has had two very enjoyable "at homes" recently.

An impromptu concert was staged at the Dome Ex. the following being a copy of the programme which was enjoyed by quite a few grown-ups as well as the young folk:—Nigger Song

by Leona, Nellie and Margaret; Recitations; Shimmy Dance Songs; Fox-trots; Song by the Crowd; God Save the King. Admission 1 cent.

Mr. and Mrs. Sam Phillips and Mr. Collins and Mr. Reynolds enjoyed a trip to Iroquois Falls by auto on Sunday last, in Jim Howe's car.

Mrs. Hobson had a birthday party last Saturday and those who were invited sure had a jolly time. Mrs. Hobson comes from South Africa and she was out to show that a South African knew how to put on an enjoyable evening, and judging by the opinions expressed by the guests, the evening was too short, even though the party didn't break up until the roosters were crowing.

Young Frank Miner met with an accident on Sunday. He was playing, and fell, striking his forehead on a brick wall. Four stitches were required to close the wound. He is doing well, thanks to youth's vitality, and the care of the doctor.

Popular "Bill" Jeales is away for a holiday to Toronto and Westport. We understand that he is also going to look the tobacco crop over, not the smoking kind.

The Dome Tripods met with their first defeat to an outside team on Monday evening. They had previously lost one game to the Dome Athletics, but that was all in the family, and the sensation of being beaten by the Hollinger wasn't pleasant, though that team is made up mostly of the Timmins hard-ball players and play good, snappy softball. Our boys couldn't seem to get going properly in the first 4 innings. The Hollinger had 4 runs before the Dome got any. Carlyle being away on his vacation, and not being in the box, seemed to demoralize the Tripods a little. Geo. Mason pitched a good game but the Holly had a hitting streak on and the home crew couldn't get to where the well-placed hits were landing. A rally in the 6th and 7th innings gave the home fans some excitement, but it was started too late and the game ended ten to six with the Hollinger on the long end. There was a good turn-out of spectators.

Part of the Dome Road was closed to traffic in the early part of the week, as the road was being macadamized and the Steam Roller was busy on that section.

Mr. Licorice, our popular West Indian, was asked why he didn't go for a trip up in the Hydroplane and he

Settlers At Shillington Suffer for Lack of Roads

Some of Those on the Land for Two Years or More Will Have to Give Up the Struggle Unless Roads are Provided. Roadwork Started Too Late in the Season.

A gentleman who was in the Shillington area recently tells The Advance that conditions there among the settlers are certainly not of the best. The chief handicap suffered by the settlers is lack of roads. Some of the settlers have been on the land for seven or eight years and have no roads to give them access to markets, churches, schools, and stores. One man, two years on a farm, and with seven acres cleared, is just about forced to the wall because of lack of roadwork. He has his family six miles from Shillington and though convenient to where the road ought to be, he has no road facilities, and is about hopeless now. Without roads a settler has no chance at all in this country. Part of the road from Shillington to the Porcupine is finished and the rest is not available for use, so that settlers are left without access to markets or stores. The completion of the road is a very necessary work and settlers are becoming discouraged because their needs are receiving no attention apparently. Last year work on the roads did not start until August, and then shut down again in a few weeks. Lack of an early start on the roadwork seems to be one of the biggest difficulties. Time seems to be frittered away before a real start is made and then there is no time to really do anything. It would appear that the big problem of roads for settlers should be taken up in a big way, so that settlement of the country can proceed without the previous hardship and waste.

GRIST OF CASES FOR THIS WEEK'S POLICE COURT

For to-morrow's police court there are eight or more ordinary drunks and one to be charged with being drunk and indecent exposure. Andrew Gaf-tonyck was arrested here this week and will face a charge of theft. He is accused of taking a traveller's suitcase, underclothes and even the traveller's name, from a room in a local hotel. There are two charges of illegal purchase of liquor. Another of disorderly conduct. One of assault. One man from Barber's Bay will answer to the charge of the theft of timber. A wife has her husband charged with failing to support her.

stated that "Terra Firma" was good enough for him, the more "firmah" the less "Terra."

We are glad to see Mr. Stanley Jay is getting along nicely after his mishap.

There will be a meeting of the Dome Division of the St. John's Ambulance Brigade on Thursday, at 7.30 p.m.

Mr. H. Hodgins, met with an auto mishap last week when on account of the greasy road while turning out for another car, his car turned over in the ditch. Mrs. Hodgins had her young baby in her arms and in a successful attempt to protect the young one she received quite painful bruises, but she is not seriously hurt, carrying on with the ordinary household duties as usual.

REST OF THE LEAGUE VS. THE CORNISH ONE AND ALL

Football Feature in Connection With Orangemen's Day Here.

In connection with the L. O. L. programme of sports held in Timmins on Monday, a football match was arranged between the Cornish One-and-All and the Rest of the League. The Cornish One-and-All lost out to the final tune of 3 to 1. The winners were presented with a cup. A good crowd was present when Referee Sterritt lined up the teams as follows:—

Cornish—Morcom, goal; Richardson, r.b., West l.b., Higham, r.h., Harris c.h., Bonney l.h., Giles o.r., Mills i.r., Tretthewey c.l., Higgins i.l., Taylor o.l.

Rest of League—Brown, goal, Town B.; Collins, r.b., Holly Rec.; Roberts, Jr., l.b., Hollinger; Stephenson, r.h., Hollinger; Cooper, c.h., Schumacher; Jenkins, l.h., Lanes; Roberts, Sr., o.r., Town A.; Hamilton, i.r., Town B.; Martin, c.f., Schumacher; Jackson, i.l., Town A.; McDonald, o.l., Schumacher.

The league were the first to press and Martin tested Morcom in the first minute. The goalie cleared the ball going to Roberts, Sr., who centred to McDonald, who scored with a good shot. Cornish got away but Taylor put past. Again the League pressed and from a corner taken by Jackson the ball went into goal off a Cornish defender, this putting the league two up. Midfield play followed and Cornish got away. Collins missed his kick but Tretthewey shot over. One minute after Taylor got away on the left and centered to Tretthewey who scored with a good drive. Half time arrived with the score, Rest of League 2 goals, Cornish 1.

After the re-start the Rest were the first to attack and Richardson gave a corner, this being well-cleared. Two corners fell to the Cornish, but a foul on the League goalie brought relief. The League pressed and during a scrimmage in the Cornish goal mouth, Martin scored the third goal for the League. Cornish hotly disputed this goal, which seemed to be scored from an offside position, but the referee stated that the ball came off a Cornish defender, placing Martin onside.

Cornish got down, and Brown missed the ball but Jenkins cleared on the goal line. Tretthewey was going through when he was fouled by Cooper, but the ball was put past. The League were pressing when the final whistle blew, with the score: Rest of League 3 goals, Cornish 1 goal.

OFFICERS INSTALLED AT TIMMINS I.O.O.F. LODGE

Tuesday evening, July 14th, the officers for the ensuing term were duly installed at Timmins I.O.O.F. The installation was conducted by D. D.G.M. Bro. Chas. W. Wilder, of Iroquois Falls; D.D.G.M. Bro. A. G. Carson; D.D.G. Warden Bro. D. Johnson, Matheson; D.D.G. Secy., Bro. McEwen, Iroquois Falls; D.D.G. Treas. Bro. W. E. Warrell, Cochrane; D.D.G. Guard Bro. Geo. Starling, South Porcupine; D.D.G. Chaplain Bro. Geo. Grumbell, Matheson. At a pleasing banquet after the installation, inspiring addresses were given by Bro. C. A. Byam, Grand Warden of the Grand Lodge of Ontario, Bro. "Dad" Whyte and Bro. "Dad" Craig.

The following were the officers installed:— N. G., Bro. Muskett; V. G., Bro. Harris; R. S., Bro. Smith, P.G.; F. S., Bro. Robinson; Treas., Cooke, P. G.; R.S.N.G., Bro. Cowan, P.G.; L.S.N.G., Bro. Holland; Warden, Bro. Katz; Cond., Bro. Stern; Chap., Bro. Henderson; R.S.S., Bro. Young; L.S.S., Bro. Simms; In G. Bro. Brown; Out G. Bro. Elliott; R.S.V.G., Bro. Lorin; L.S.V.G., Bro. Brough.

One of the greatest lessons of life is to learn not to do what one likes, but to like what one does.

Don't be the least bit nervous or concerned about what people are thinking of you. The chances are they are not thinking of you.

THIRD ANNUAL FARMERS' DAY VERY SUCCESSFUL

Last Wednesday the third annual Farmers' Day at Iroquois Falls was attended by about 250 farmers and their wives and children and others from all over the district. There were athletics, sports, a moving picture, and other entertainment features much appreciated. There was also a band concert at the civic centre that was much enjoyed. Addresses of much interest and helpfulness were a feature of the day. Among the speakers were Smith Ballantyne, Superintendent of the Experimental Farm at Kapuskasing; L. H. Hanlan, assistant at Kapuskasing; A. Gordon Skinner, Agricultural Representative at New Liskeard; E. C. Kennedy, Dairy Commissioner for Northern Ontario; and J. A. Carroll,

of Toronto. A noteworthy feature of the day was that these five agricultural experts all emphasized the idea that they believed the clay belt of Northern Ontario offered the best opportunities in Canada for agriculture. They suggested dairying and stock-farming as especially suitable for the North.
