DEPUTATION FROM NORTH INTERVIEWING CABINET

Asking for Better Roads, Educational Facilities and Other Matters.

This week a deputation from the Northern Ontario Associated Boards of Trade is in Toronto to press the adoption by the Government of the purpose of the several resolutions passed at the last meeting of the Associated Boards. These resolutions include:—the question of the Mattagami Pulp Company and the settlers; the suggestion of the Correspondence Course plan of education, as used in British Columbia and Alberta, to see if it is practical as a means of providing schooling for the children of settlers in sparsely-settled districts of the North; the improvement of the new road to Porquis Junction, so as to make it passable; the construction of a road on the south side of the Mattagami River for the benefit of settlers; and roads, bridges, etc., for the big district west of Cochrane. The latter includes a well-considered plan for expending \$500,000.00 a year for three years to provide roads for settlers who for five years and more have been without roads and have had to pack in and out all their requirements. The deputation had an appointment yesterday afternoon with the full Cabinet, when all the several questions were to be fully taken up. The deputation was composed of:—Mr. Alex Dewar, President of the Associated Boards of Trade, Iroquois Falls; Mr. B. L. Cope, Chairman of the Roads Committee of the North, Smooth Rock Falls; Mr. F. M. Wallingford, President of the Timmins Board of Trade; and Mr. D. McEachern, Cobalt. In the matter of the roads between Timmins and Iroquois Falls, the hands of the deputation would be strengthened by a resolution passed on Monday by the Timmins Town Council and forwarded by night letter to the deputation.

Electrician (from top of building from which four wires dangled): "Bill catch hold of two of them wires?"
Bill: "Right."
Electrician: "Feel anything?"
Bill: "No."
Electrician: "Well, don't touch the other two, there's 2,000 volts in them."

MEMBERS TIMMINS GOLF CLUB TO VISIT THE FALLS

Visit on Saturday Expected to be First of a Series of Visits.

This Saturday afternoon ten members of the Timmins Golf Club will pay a visit to Iroquois Falls, where they will be the guests of the Abitibi Golf Club.

The members of the Timmins Golf Club who will comprise the team visiting the Falls will most likely be those turning in the ten best scores during the recent Geo. Lake Shield contest held during the past four weeks by the Timmins Club.

The visit of the Timmins golfers on Saturday will be the first of what is hoped to be a number of matches between members of the Abitibi Golf Club and of the local Club, and local devotees of the Royal and Ancient Game wish the representatives of the Timmins Club all success on Saturday afternoon.

PROMINENT PIONEER OF NORTH DIES AT UNO PARK.

Friends of Mr. Franklin Parker, of the T. & N. O. train service, formerly making his home at Timmins, where he was a valued member of the Timmins Citizens' Band, will extend sincere sympathy in the death of his father, the late Richard Parker, at Uno Park recently. The late Richard Parker was a musician of note and a famous bandmaster. He was the first leader of the New Liskeard band and he and members of his family kept constant association with that band. He had been previously leader of the 31st Battalion band at Goderich and also of the 23rd Battalion Band of Durham. In speaking of his death last week, The New Liskeard Speaker says:—

"In the death of Richard Parker, which occurred early Sunday morning at his home in Uno Park, it may truly be said that a man of personality, a prominent citizen and one most highly thought of in Temiskaming District has passed away. Mr. Parker, with Mrs. Parker and children came to Temiskaming from the Town of Durham, County of Grey, in 1897, hence they were pioneers. Mr. Parker bought a section on the town line of Dymond and Harley bordering on the Wabis River, and on the Dymond side of the line. At that time the Parker family were the only persons living so far north in Temiskaming and their first winter was spent in the dense forest. But soon a clearing was made and a comfortable dwelling built. Mr. Parker was a musician and a famous bandmaster. Mrs. Parker and family also being musical and literary, a much happier time than might have been imagined was spent. However, ere long they had many neighbours and when it was discovered that the spot selected for a home was likely to become a nice village, one of the sons, Arthur, suggested the name 'Uno Park.'"

The late Mr. Parker was an enthusiastic advocate of this North's agricultural possibilities, and successful himself in proving these possibilities. He took an active part in public affairs, having been Councillor and Reeve of Dymond Township on several occasions. He was a man of ability, of character and of agreeable disposition,—a real pioneer of the highest type,—and his death is a sad loss to the whole North Land.

A. S. D. CLUB WIN SOFTBALL CUP ON THE BIG TW'LFTH

One of the features of the celebration of the Glorious Twelfth at Timmins, on Monday, was a softball game between a team representing the town, and a picked team from the A. S. D. Club, the Club winning out by a score of 15 to 9. The local Orange Lodge had donated a cup for the event, and this is now in the possession of the Club secretary, Mr. A. W. Pickering. The game started at six-thirty, and had to be called at the seventh innings because of the darkness.

The teams were:—
Town:—A. Boyd, Kelly, Walker, W. Mackie, Shantz, Deroche, Jacobs, Leamen and Kennedy.

A. S. D. Club:—Duncan, Wilson, Hoggarth, Carson, Mitchell, Austin, Cooper, Belanger and Pickering.

Patience and tenacity of purpose are worth twice their weight of cleverness.
