Classy Horses at Big Race Meet at Timmins Last Week

Big Crowd at Event. All Well Pleased With the Attractive Programme. Timmins Horses Make Good Showing. Over Twenty Horses Entered in Events. Many Fine Horses Here From Outside.

On Saturday afternoon the races, postponed from Wednesday, the heavy rains making the course too muddy, were held at Dalton's Race track. There was a large crowd present, and the keenest interest was shown in all the races, especially the Free-for-All, when Sir Albert, owned by Brown & Harris, New Liskeard, after coming in fourth place in the first two heats made a sensational victory by taking the next three in succession. The day was warm, and all Saturday afternoon there was a constant stream of ears and people going to the race track, and the interest exhibited shows that horse racing as a sport will have to be reckoned with in the future as one of the most popular in Timmins.

FREE-FOR-ALL—Sir Albert, Brown & Harris, New Liskeard; 4, 4, 1, 1, 1; Billy Sunday, J. Grenier, Cochrane, 3, 1, 2, 2, 2; King Dalton, G. Kennedy, New Liskeard, 1, 2, 4, 3, 4; Lena Marie, B. Montgomery, New Liskeard, 2, 3, 3, 4, 3. The times of these races was 2:26 1/4, 2:24 1/4, 2:24 1/4 and 2:30.

CLASSIFIED RACE—The Prince, D. Levine, Timmins, 1, 1, 1; Pilot Knell, Brown & Harris, New Liskeard, 2, 2, 2; Little Boy, D. Levine, Timmins, 3, 3, 3; Chester Mitchell, J. Grenier, Cochrane, 4, 4, 4. The times for these races were 2:29 1/4, 2:29 1/2 and 2:30.

GREEN RACE—Hottentot, J. Gibson, South Porcupine, 1, 1, 1; Andy Mack, Brown & Harris, New Liskeard, 3, 2, 2; George Unco, A. Dupeaus, New Liskeard, 2, 3, 3; Harry Lesivele, J. McTavish, Haileybury, 7, 4, 4; Little Star, J. Bussanea, Timmins, 5, 4, 4; Beachely Boy, J. Hurley, New Liskeard, 6, 7, 5; Black Dan, Rev. Fr. Theriault, 7, 6, 6. The times of these races was 2:30 2:29 1/4 and 2:31.

This Wednesday afternoon there will be further races at Dalton's Track, with bicycle and running events as well as the regular horse races. The popularity with which horse racing seems to have been taken up, assures a good crowd at the events this afternoon.

TIMMINS YOUNG COUPLE MARRIED AT LEBURN, ONT.

A wedding of more than usual interest took place very quietly at twelve o'clock noon on Wednesday of last week, July 15th, when Rhoda Mary, youngest daughter of Mr. and Mrs. Donald J. MacLeod, Leeburn, became the bride of Mr. Elvin L. Urquhart, eldest son of Mr. and Mrs. E. A. Urquhart, of Timmins, Rev. W. S. Butt, of Rydal Bank, was the officiating clergyman. The happy couple left from Sault Ste. Marie, via S. S. Noronic, for a trip to Detroit, Buffalo, Niagara Falls, Toronto and Montreal. The bride travelled in a very becoming ensemble suit of amber poret twill, with hat to match, and brown fox fur. On their return to Timmins Mr. and Mrs. Urquhart will take up residence at 113 South Maple Street.

Very sincere good wishes will be extended to Mr. and Mrs. Elvin L. Urquhart by hosts of friends in Timmins and district. Both are well known and popular in wide circles. For some years past Mr. Urquhart has been on the staff of the Hollinger Stores Grocery Dept., and the bride was in the office of Simms, Hooker & Drew, both of them meeting daily large numbers of people and winning hosts of friends.

CALEDONIAN PICNIC ON WEDNESDAY, AUG. 19TH

At a meeting of the executive of the Caledonian Society last week it was decided to hold the annual Caledonian Picnic at Golden City on Wednesday, August 19th. The Ladies Committee under the chairmanship of Mrs. A. Roberts is making the necessary arrangements and preparations, and a big time may confidently be expected. Every year the Caledonian Picnic is a happy success and it is intended to make this year's event bigger and better than any before.

BREAKS LEG SECOND TIME WITHIN A FEW MONTHS

The Haileyburian last week says: "Miss Jane Caldwell suffered the second fracture of her leg within a few months, on Friday last. It will be recalled that her first accident occurred last winter while skiing and was so severe that she had to go to Toronto for treatment. On Friday she tripped and fell when entering her home with the result that another fracture of the same limb occurred. Miss Caldwell was taken to Toronto on Friday evening to have the injury treated. Her parents, Sheriff and Mrs. Caldwell, were in the city and met her on her arrival. Her many friends will extend their sincere sympathy in this second accident."

LABOUR BUREAU REPORT OF EMPLOYERS' ASSOCIATION

The Fourth Report on Organization in Industry, Commerce and the Professions in Canada has just been published by the Department of Labour, a volume in which is recorded not only the names of associations the pursuits of whose members are of the highest importance in the industries and commerce of the Dominion, but also the names of those bodies whose members are identified with professional and scientific occupations. A glance at the following groups into which the organizations are divided will indicate the scope of the report, and show that there are organizations covering almost every aspect of Canadian activities:

Manufacturing, Building and Construction, Mining, Transportation and Communication, Printing, Laundering, Cleaning, Repairing, etc., Personal Service and Amusement, General Manufacturers and Employers, Financial, Agriculture, Dairying, Horse, Live Stock, Sheep Breeders, etc., Co-operative Societies, Wholesale Merchants, Retail Merchants, Real Estate Dealers, Professional, Technical and Scientific, Insurance, Funeral Service.

The report points out that the 23,581 members comprising the 331 associations in the first eight divisions are connected with industries where the employment of labour is an important factor, and in some of the trades represented agreements covering working conditions are negotiated between the organized employers and the corresponding trade unions of wage-earners. In the remaining groups the employment of help is in some instances only incidental, and with the exception of the personal service and amusement and the retail merchants' groups there is no corresponding body of organized employees. While the bulk of the associations discussed in the report are wholly Canadian, a number are in affiliation with kindred bodies whose headquarters are in the United States. According to the figures presented there are in the Dominion 733 main associations of the classes given a place in the report, an increase of 30 over the number recorded in 1924; the branch associations number 592, an increase of 67, the aggregate reported membership of all being 1,033,131 as against 861,933 members for the 703 main and 525 branch associations included in the previous report. It is perhaps of interest to note that of the above associations 83 are composed of members who are interested in agricultural pursuits, the combined membership of which numbers 714,397.

MANY IMPORTANT CASES AT THURSDAY'S COURT

At Thursday's police court the Whiston Drug Store was fined \$1000 and costs for illegally having liquor. Inspector Constable on a visit to the rear of the store on Wednesday evening last found liquor and glasses, etc., on a table, with evidences of drinking being done. The charges followed with the fine of \$1000 being imposed.

V. Thomas and A. Poulson were before the court Thursday charged with illegal purchase of liquor. They were each fined \$50.00 and costs.

On a charge of disorderly conduct G. Kampi paid \$400 and costs. He followed some friends to the police station when they were arrested and would not go home about his business.

The charge against G. Charpentier, accused of the theft of timber, was again remanded for a week.

On a charge of indecent assault of a young married woman at Schumacher, M. Daly pleaded not guilty but was committed for trial before a judge.

The charge against M. Kulnick for non-support of his wife was remanded for a week.

T. Lino and J. M. Quay were each fined \$50.00 and costs for illegally having liquor.

A. Graftonyek, on a charge of theft, was allowed to go on suspended sentence, with the idea of keeping him under observation. Graftonyek went into a room in a hotel and appropriated to his own use underwear and other clothing owned by a traveller. He also adopted the traveller's name. He did not take anything away from the room but was there when the traveller returned. Graftonyek had acted so peculiarly that it was thought he would bear watching. The doctors had examined him and while not admitting that he was insane they suggested that he was at least odd. In passing, it may be noted that Graftonyek was again arrested last week and is now charged with acting in a disorderly way in a house he entered in the Mattagami section.

Eight common drunks paid the common price of \$10.00 and costs. Charges of evading board bills preferred against two young men who stopped at the Queen's Hotel were withdrawn, the men having made settlement in the meantime.

Only eighteen ladies took advantage of the mixed double two ball foursomes on Saturday.
